WHAT IS ACADEMIC ADVISING?

Academic advising comprises intentional and collaborative interactions between an advisor and student aimed at improving the academic performance of students. These interactions involve exchanges of information and resources which allow the student to grow by empowering the student to make decisions regarding educational and professional goals.

WHO IS MY ADVISOR?

All students in the College of Education are advised by Tina McNamara, Assistant Dean for Advising and Student Services. Additionally, all students are assigned an advisor in their content major department. Students should meet with both of their advisors during registration planning every semester.

Your academic advisor(s) are listed in Student Center on CheckMarq.
GOALS OF ACADEMIC ADVISING

Students will...

1. Develop plans for their college career
2. Identify post-graduation aspirations
3. Become aware of university resources and understand how and when to use them
4. Understand academic policies and requirements
5. Take responsibility for decisions and actions
6. Discern values, interests, goals, and abilities
