

TEAM E45

**ELECTRICAL + COMPUTER ENGINEERING,
SENIOR DESIGN PROJECT WINNERS OF**

2019 LARRY HAUSE STUDENT POSTER COMPETITION

*team formed by undergraduate students Kelsey
Conley, Alex Foyer, Patrick Hara, Tom Janik, Jason
Reichard, and Jon D'Souza -*

mentored by Dr. Cris Ababei, Assistant Professor

The Senior Design Project team E45 won the 1st prize (and \$250) in the 2019 Larry Hause Student Poster Competition sponsored by the IEEE Milwaukee Section and organized by Milwaukee School of Engineering (MSOE). The team mentored by Dr. Cris Ababei won the prize for their poster presentation titled "Vibration Alert Bracelet" in the category "Undergraduate Research Projects and Senior Design Projects". The Larry Hause Student Poster event is an annual competition that provides both undergraduate and graduate students with the opportunity to showcase their undergraduate senior design projects and graduate Masters and Ph.D. projects. Students from MSOE, UW-Milwaukee, and Marquette participate in the competition.
