

Electrical Engineering Breadth and Depth Courses - Assignment Form

(for requirement terms Fall 2011 thru Spring 2013)

The information on this form will be used to adjust CheckMarq records to conform to the student's plan of courses completed to meet the Electrical Engineering major elective course breadth and depth requirements.

Return this form to the College of Engineering Advising Office after you have completed your final semester registration or within 24 hours of completing the on-line Application for Graduation. Submit a hardcopy of the completed form to the Advising Office **or** email it to COE-records@marquette.edu. Keep a copy for your records.

Name:			
MU ID #:			
MU advisor name:			
Date:			

To complete this table, enter the course number with the department mnemonic in the appropriate cells to show that both the breadth and depth requirements have been satisfied. To show that the breadth requirement is satisfied, there will be at least 3 different courses listed in the BREADTH column. To show that the depth requirement is satisfied, there will be at least 3 different courses listed in one of the concentration areas (row) – one breadth course plus 2 depth courses. Use the ELEN/Tech Elective row to list the “6th required” elective course if the course to be used is not in a concentration area (e.g., MEEN 3310).

Individual courses may appear only once in the table.

Concentration Area	BREADTH (1 course in at least 3 areas)	DEPTH 1	DEPTH 2
SC – Systems and Control			
EFC - Electromagnetic Fields and Communication			
PE - Power and Energy			
CHS - Computer Hardware and Software			
ELEN/Tech Elective (6 th)			

Office Use only:
AA/Checkmarq adjustment completed: <initial and date>
