

Educational Opportunity Program, Upward Bound and Upward Bound Math & Science Application

The program serves low-income/first-generation students who reside in Milwaukee's central city as defined by zip codes 53204, -05, -06, -08, -09, -10, -12, -15, -16, -18, and 53233 or who attend one of the program's target schools.

Marquette University's Upward Bound (UB), our classic pre-college program designed to nurture success in pursuit of any career field and Upward Bound Math & Science (UBMS), our focused pre-college offering to students with a strong interest and desired success in a math and science career, serve the income-eligible and/or first-generation youth of Milwaukee. The EOP Pre-College Division's supportive, year-round academic and social skill building and outreach help participants acquire the confidence, discipline, and responsibility needed for success in high school, college, and life.

OUR MISSION: *The EOP Pre-College Division supports, guides, and empowers first-generation, income-eligible young men and women as they strive for successful high school completion, post-secondary enrollment and graduation, and life-affirming careers and futures.*

STUDENT ESSAY

Thank you for your interest in Marquette University's EOP Pre-College Division, Upward Bound and Upward Bound Math & Science. We value greatly each young man and woman who becomes a part of our family, and we strive to ensure that each is provided the opportunities and resources to complete high school with core academic classes, maintaining a GPA over 3.0, to learn about interests and to exercise talents, abilities, and passions, to enter and graduate from an accredited college or university, and to live a life of meaning and excellence.

Marquette's EOP Upward Bound and Upward Bound Math & Science Program has a proud tradition of success:

- Fully 95% of all participants will graduate high school in four years.
- Over 85% will attend an accredited college or university directly after high school to pursue an area of interest, with 65% enrolling in their college of first choice.
- Graduates, collectively and on average, earn over \$1,000,000 in grants, scholarships, and tuition remission annually, including full tuition scholarships, annually.
- Program participants attend universities all over the country: the University of Wisconsin schools, Amherst, Marquette, Morehouse, DePaul, Washington University, Florida A&M, Howard, University of Chicago, Xavier, Milwaukee Institute of Art and Design, Columbia (Chicago), Roosevelt, Butler, Big Ten institutions, Alverno, Carroll, MSOE, Valparaiso, Loyola, University of Minnesota, among others.
- A full 100% receive the care, concern, motivation, support, discipline, encouragement that embodies the EOP Pre-College Division's mission to care for and to build up the whole person—*Cura Personalis*.

STUDENT ESSAY INSTRUCTIONS

In a 4-6 paragraph essay, tell us about yourself: who you are, what dreams you have, what obstacles you see in your way, and, finally, why you believe you possess the determination, strong work ethic, and desire to make the needed sacrifices to be a thriving member of our Upward Bound family.

Applicants are encouraged to submit completed applications as soon as possible. 2017 Federal Tax information and Semester One report cards (or academic transcripts) can be obtained in January and added to an active application.

Applications will be accepted through Wednesday, February 28, 2018. Personal interviews will occur on a rolling basis, with final decisions made by mid-April.

Thank you again for your interest. We look forward to reviewing your application and talking with you about your desire to join our EOP Pre-College Division family.
