Changing the Equation: Gender Diversity in Engineering Day
Saturday, February 22, 2020

Event Schedule (schedule is subject to change, session locations provided upon check-in)

9:30 - CHECK-IN and CONTINENTAL BREAKFAST
10:00 am Alumni Memorial Union, 3rd floor lobby

10:00 am WELCOME
The World Needs You: How Gender Diversity Enhances Problem Solving
Julie Murphy, Opus College of Engineering Director of Enrollment Management and Outreach

10:15 - BREAKOUT SESSIONS

10:15 - 11:50
STUDENTS: Engineering in Action Workshops
Choose from a variety of hands-on activities led by engineering student organizations with diverse membership, including Biomedical Engineering Society, Society of Women Engineers, Engineers Without Borders and others.

PARENTS: Supporting Your Engineer
Discussion of academic support resources, work experience during and after college, and admissions and financial aid.

12:00 - LUNCH
12:45 pm Enjoy lunch in our newest residence hall, The Commons, which is home to the Engineering Living Learning Community.

12:45 - 2:30 pm OPEN HOUSES AND TOURS
Meet students, staff and faculty who are passionate about changing the face of engineering. Learn about the E-Lead program, career preparation, work experiences and undergraduate research. Tour open labs and the Engineering Student Success Center. Optional campus tours will be offered as well.
