Guaranteed Transfer Admission Agreement Between
Milwaukee Area Technical College
And
Marquette University

Milwaukee Area Technical College and Marquette University agree to a cooperative relationship through this Guaranteed Admission Agreement to better serve students and facilitate the transfer process.

This agreement offers Milwaukee Area Technical College (MATC) students Guaranteed Admission to Marquette University to complete their Bachelor's degree. Students must meet all of the requirements outlined in this agreement to guarantee their admission to Marquette University.

1. Academic Requirements

   a. Students must have received a high school diploma or equivalent (GED), complete a minimum of 24 transferable credit hours in 200-level courses, and maintain a cumulative grade point average of 2.75 on a 4.0 scale as a full-time student on all transferrable coursework taken at MATC, with no grades earned of less than C. Students asked to leave MATC for academic or non-academic reasons will not be considered for guaranteed admission.

   b. Students are required to enroll in their Marquette University degree program within three years of initial enrollment in the Guaranteed Admission program with a maximum of 60 credits (or half of the Marquette degree) that will be applied to their baccalaureate degree. Program requirements are subject to change. Courses accepted for transfer credit must follow Marquette University's Transfer Course/Credit Policy.

   c. International students must demonstrate English language proficiency as part of the final admission process. Evidence can include completion of both ENG 201 and ENG 202 with grades of C or higher, submitting appropriate results from a standardized English test such as TOEFL or IELTS, or other evidence as explained in the Marquette international admissions process. [http://www.marquette.edu/oie/prospective-students/application-requirements.shtml](http://www.marquette.edu/oie/prospective-students/application-requirements.shtml)

2. Admission Requirements

   a. Students must authorize MATC and Marquette University to disclose their educational records, including but not limited to, transcripts, admission, and advising information as appropriate. By signing the participation form, students agree to allow the two institutions to share information and to allow the student to take advantage of the Reverse Transfer Agreement. Students may also receive communication from Marquette University informing them of presentations, workshops, activities, student events, and visits.
b. Students must be in good academic and disciplinary standing at MATC at the time of transfer. Students must adhere to each institution's standard policies and procedures including but not limited to those dealing with admission, enrollment in courses, transfer credits, financial aid, student conduct and discipline, academic probation, dismissal and reentry.

c. During enrollment in the Guaranteed Admission Program, Marquette University will provide advisement to students to discuss academic program requirements and transfer credit policies when initiated by the student. It is recommended that students track their degree progress by working with their transfer advisor at MATC and Marquette University. Students can refer to the Marquette University – MATC transfer planning guides for current requirements.

d. This agreement applies to Marquette University programs listed in Appendix A. Note, not all undergraduate programs are available through this agreement as some programs do not offer a transfer entry option or may not have spaces to offer in a given semester. Students interested in a Marquette University program not listed in Appendix A should follow general transfer admission instructions and need not submit the Guaranteed Admission Agreement documents.

e. The degree programs in the College of Business Administration, Opus College of Engineering, and College of Health Sciences have a higher cumulative GPA requirement of 3.0 on a 4.0 scale. Additionally, students must adhere to the listed requirements below for admission to the respective undergraduate degree program:

i. College of Business Administration – The three courses below must be completed and with a grade of B or better.
   - MATH 1450: Calculus 1; MATH 231 at MATC
   - ECON 1103: Principles of Microeconomics; ECON 201 at MATC
   - ECON 1104: Principles of Macroeconomics; ECON 202 at MATC

ii. Opus College of Engineering – The following three courses are required for the degree:
   a. MATH 1450: Calculus 1; MATH 231 at MATC
   b. CHEM 1001: General Chemistry 1; NATSCI 211 at MATC
   c. PHYS 1003: General Physics with Introductory Calculus 1; NATSCI 274 at MATC
   - For guaranteed admission under this agreement, MATH 231 must be completed and with a grade of B or better. A grade of B or better in NATSCI 211 and/or NATSCI 274 (student can take both NATSCI 211 and NATSCI 274 at MATC, or just NATSCI 211 or just NATSCI 274). The remaining course would be completed at MU.

iii. College of Health Sciences – The following three courses must be completed and with a grade of B or better.
   - BIOL 1002: General Biology 2; NATSCI 236 at MATC
• CHEM 1001: General Chemistry 1; NATSCI 211 at MATC
• CHEM 1002: General Chemistry 2; NATSCI 212 at MATC

f. Students may also qualify for Marquette University scholarships.

g. Students who achieve a transferrable GPA of 3.5 on a 4.0 scale will have a guaranteed invitation to apply for Honors in the Disciplines at Marquette University. Additional information about the Honors Program can be found at http://www.mu.edu/honors/DisciplinaryHonors.php

3. Other Terms

a. All students participating in the Guaranteed Admission Agreement must apply to Marquette University using the Common Application or the Marquette University Admission Application by the Marquette University application deadline for the desired entry term.

b. Failure to meet the requirements above does not preclude the student from applying and being considered for admission to Marquette University using the traditional admission process.

c. MATC will publish this document on their website so that the details of this agreement are available to students interested in participating in the program. Marquette University and MATC will have the right to review and approve all advertising for the Guaranteed Admission program.

d. This agreement is effective for one year and is subject to annual renewal. Any changes to the program in regards to any part of this agreement, must be in writing so that this agreement can be re-evaluated. Notice of changes shall be provided at least 60 days prior to the first day of instruction (at both institutions) of the academic year in which the change will be implemented.

e. Should the program be dissolved, students who have not yet secured an offer of admission to Marquette University will be considered for admission according to regular university transfer policy and deadlines.

Appendix A

2.d. List of approved majors.

Klingler College of Arts and Sciences
- Anthropology
- Biochemistry & Molecular Biology
- Bioinformatics
- Biological Sciences
- Biophysics
- Chemistry
- Classical Languages
- Classical Languages for Ed. Majors
- Classical Studies
- Cognitive Science
- Computational Mathematics
- Computer Science
- Criminology & Law Studies
- Data Science
- Economics
- English
- Environmental Studies
- French
- German
- History
- Interdisciplinary Majors
- International Affairs
- Latin American Studies
- Mathematics
- Peace Studies
- Philosophy
- Physics
- Physiological Sciences
- Political Science
- Psychology
- Social Welfare & Justices
- Sociology
- Spanish Language & Literature
- Spanish for the Professions
- Theology and Religion
- Women’s and Gender Studies

*College of Business Administration
- Accounting
- Business Administration
- Business Economics
- Finance
- Human Resources Management
- Information Systems
- Innovation and Entrepreneurship
- International Business
- Marketing
- Operations & Supply Chain Management
- Real Estate

Diederich College of Communication
- Advertising
- Communication Studies
- Corporate Communication
- Digital Media (Broadcasting)
- Journalism
- Public Relations
- Theatre Arts

*Opus College of Engineering
- Biomedical Engineering – Biocomputing
- Biomedical Engineering – Bioelectronics
- Biomedical Engineering – Biomechanics
- Civil Engineering
- Construction Engineering Management
- Computer Engineering
- Electrical Engineering
- Environmental Engineering
- Mechanical Engineering

*College of Health Sciences
- Biomedical Sciences
- Clinical Laboratory Science

College of Education
- Educational Studies
- Elementary/Middle Education
- Middle/Secondary Education

* The degree programs in the College of Business Administration, Opus College of Engineering, and College of Health Sciences have a higher cumulative GPA requirement of 3.0 on a 4.0 scale. Additionally, students must adhere to the listed requirements outline in 2.e. of the agreement for these programs.
