1. Log in to your status page. [admissions.marquette.edu/status](http://admissions.marquette.edu/status)

2. Click the “Reply to Admission” form link.

3. Accept the offer of admission and indicate if you plan to live in a residence hall on campus. Students who are eligible to commute and plan to do so will have a $200 deposit. Students choosing to live on campus will have a $500 deposit.

4. After you submit the form, you will be taken back to your status page where you will see a link to submit your enrollment deposit.

---

**SUBMIT YOUR DEPOSIT**

1. Click the “Submit Payment” link.

2. After clicking “Submit Payment” again on the next page, you will be directed to our payment vendor. Complete the required pages to submit your payment. You will need a credit card or checking account with routing number to process a payment. You will receive a confirmation email that the payment was submitted successfully.

---

**ACCEPT YOUR ADMISSION**

**IMPORTANT NOTES**

1. In order to officially commit to Marquette and reserve your space, you need to accept your admission and submit your deposit no later than May 1.

2. Submitting your deposit means you are committing to attend Marquette for the upcoming term. Upon successful submission, you will have access to other forms throughout the year. You may submit a deposit to only one college or university.

3. Deposits are not refundable. Do not submit your deposit until you know that you plan to attend Marquette.

---

**NEXT STEPS**

1. Sign up for SPARK. Registration will be available by late November on your student status page. SPARK is Marquette’s summer orientation and registration event. Attendance at one of the six SPARK sessions is mandatory.

2. Rank your housing selections. Starting on February 1, you will be able to make housing preferences by logging into your Checkmarq account (checkmarq.mu.edu) 1-2 days after submitting your deposit. Housing assignments are made in early June.

3. Complete the required health forms. Health forms will be available to complete through Checkmarq in late spring. You will need dates of tetanus/diptheria, MMR vaccines, chicken pox, and varicella shots.

4. Complete additional forms. You will also find a demographic survey and forms to request additional services or accommodations on your Checkmarq page.
