There is no right or wrong way to see Marquette campus. It has beautiful green spaces and its medium size makes it easy for students to get around. We are together when we leave our cars in some convenient location. If you’re interested in attending Marquette and want a guided tour, call Office of Undergraduate Admissions can tell you more. Call 414.288.7302, weekdays from 8 a.m.–4:30 p.m.

No Memorial Union: If you’d like to give a lecture or buy some Marquette gear, do not be discouraged! You will likely find a Chapel of the Holy Family and the offices of some important on-campus agencies including our student government.

This engineering marvel is the central permanent collection, including works by rings each quarter hour.

WELCOME TO MARQUETTE UNIVERSITY.

Marquette is a Catholic, Jesuit university founded in 1881 and named after French explorer Father Jacques Marquette. At Marquette, we continue to embody the spirit of an explorer as a community of spirited dreamers, agile thinkers and fearless leaders.

Everything we do is part of something bigger. It’s why our mission includes the search for truth, the discovery and sharing of knowledge, the fostering of personal and professional excellence, the promotion of a life of faith and the development of leadership expressed in service to others. In short: Excellence. Faith. Leadership. Service.

Take a look around Marquette’s campus; we think you’ll be impressed.

After all, many of our visitors come back for a four-year stay.

To learn more, call 414.288.7302 or go to marquette.edu/explore.

Marquette is located near downtown Milwaukee and just one mile from Lake Michigan. Our location in a vibrant city provides our students with access to great restaurants, shopping, internships and job opportunities.

It’s easy to get around Marquette’s campus. To make it easier, we divided our campus into two areas: Learning and Living.

Learning — The south side is where you’ll find our academic buildings. That makes getting from one class to the next pretty easy. Unless you dawdle, you will never be late.

Living — The north side is where you’ll find the residence halls and the Alumni Memorial Union. And pretty much everything else you need outside of an A on your paper.

Worth noting:

A. The Commons, our newest state-of-the-art residence hall with two towers and room for 890 students, makes leaving home a lot easier.

B. Where you’ll find the majority of off-campus dining. If you’re hungry, you’ll find something yummy here and no need to do the dishes.

C. Sendik’s Fresh2Go is where to go when you want some fresh food, or to fill your pantry. It’s the coolest grocery store in town.

D. Got an idea? Bring it to the 707 Hub. This collaborative space is our newest innovation space on campus.

E. Cheer here! Going to men’s basketball games is one of our favorite traditions. The Fiserv Forum is where the action is.

F. Upperclassmen live off campus, but just off campus. Across the street to be exact.

G. Marquette has two recreational facilities — the Rec Plex and the Helfaer Tennis Stadium and Recreation Center. Between both, there is access to swimming, gymnasiums, tennis courts and more.

Curious to find out what it’s like to be a student at Marquette? my.marquette.edu is where you’ll hear directly from students what it’s like to live, study and play here.
