FRESHMAN YEAR	SOPHOMORE YEAR	JUNIOR YEAR	SENIOR YEAR	GRADUATE SCHOOL
Start your studies at Marquette University. Discuss options for an Accelerated Degree Program (ADP) with your academic adviser — the earlier the better.	Continue to meet academic requirements for ADP. All ADP options have a GPA requirement that you must meet for admission. Please see the ADP website for your program- specific requirements.	Complete the Graduate School application. Some programs have strict dates for application deadlines, while others are more flexible. Please visit the ADP website for specifics.	Begin taking graduate courses that count for both your undergraduate and graduate degrees. (up to 40 percent of graduate credits)	Continue your graduate studies.
Map out your degree plan.	Continue to meet with your academic adviser to confirm your class schedule plan for your junior and senior years.	Admission decisions are made in the spring semester.	Graduate with your bachelor's degree.	Graduate with your master's degree upon program completion!

For more information and questions on how you can accelerate your education, contact Marquette University Graduate School at **mugs@marquette.edu** or **414.288.7137**.
