

If you work in an elementary or secondary school in the Archdiocese of Milwaukee, you are eligible to apply for a scholarship at Marquette University that can pay up to two-thirds of one graduate course per term. You will find the application form on the back of this brochure and online at [www.grad.mu.edu/forms](http://www.grad.mu.edu/forms).

The Catholic Schools Personnel Scholarships were established in 1980 and are funded by the donations of foundations and individuals who are interested in strengthening education in Archdiocese of Milwaukee schools. Students receiving support through the CSPPS program agree to work in an Archdiocese of Milwaukee school for 3 years after the completion of their graduate programs.

## APPLICATION PROCEDURES

### Eligibility

You are eligible for Marquette University's Catholic Schools Personnel Scholarships if you:

- Are employed in an Archdiocese of Milwaukee school, and
- Are admitted to the Graduate School in a master's program, certification program, or a non-degree program (provided you are not currently on probationary status). Non-degree students may receive support for a maximum of two semesters. Support for non-degree students is contingent upon the availability of funds. Students who are admitted to master's or certification programs will hold advantages over non-degree students and receive priority consideration for the scholarships.

### First Time Applicants for the CSPPS

If you are a first time applicant you must:

- Meet with the principal of your school to request a letter of recommendation for admission and CSPPS consideration. The letter should address both your academic potential and your potential contribution to your school.
- Receive endorsements from both your principal and the Superintendent (or Associate Superintendent) of Schools for the Archdiocese of Milwaukee, or their designate (indicated by their signatures on the application).
- Apply for admission and the CSPPS by the appropriate competition application deadline.
- Submit a paper application (on the back of this brochure) rather than the online version of the form. Remember to include a written statement of your career goals.

### Applications for Admitted/Continuing Students

Submit the application on the back of this brochure or apply online by that semester's competition application deadline.

### Competition Application Deadlines
