

MARQUETTE UNIVERSITY GRADUATE SCHOOL

INTERDISCIPLINARY PHD

INITIAL DATA SUBMISSION FORM

Please complete the below form as completely as possible, and submit it to Carl Wainscott via email (carl.wainscott@marquette.edu), fax (414-288-5319), or posted mail (Marquette University Graduate School, P.O. Box 1881, Milwaukee, WI 53201-1881). Feel free to add any information that you think may be significant. Do your best to complete the last three questions; this does not obligate you or restrict you to the academic areas that you identify, but this will help us give you the best advice we can. Only the text showing in the boxes below will print. If you need more room than what is provided, please attach an additional sheet.

Name: Day Phone:

Address: Email:

MASTER'S DEGREE INFORMATION

Academic Discipline: Grade Point Average:

Degree: Year Completed:

College/University from which you graduated:

GRE/GMAT Year and Score:

State briefly the subject area or title of your dissertation idea, or briefly describe the area of research:
