Jan Serr & John Shannon, Kairos Award

Claire Boles & Donna Farrell, Patricia B. Apple Award

Join us for the third biennial Haggerty Awards Dinner! The Kairos Award recognizes exceptional achievements in the arts--including the advancement of the arts--through activities at Marquette University and beyond. The Patricia B. Apple Award recognizes individuals whose service has made a lasting impact on the Friends of the Haggerty Museum of Art. The award is named for Patricia B. Apple, chair of the fundraising campaign to build the Haggerty Museum of Art and inaugural president of Marquette University's Women's Council. Join us June 21 as we celebrate the extraordinary contributions of Jan Serr & John Shannon and Claire Boles & Donna Farrell to the Milwaukee arts community.
