#701 - FROM OUR HANDS TO YOURS - 4 HANDPRINT-THEMED ORIGINAL GLASSES BY LEE KORDUS, INSPIRED BY HANDPRINT MERLOT

What could be more “HANDS ON” than a bottle of 2009 Sonoma County Meeker Vineyards Handprint Merlot complemented with a set of four coordinating Handprint Wine Glasses hand painted by Mequon artist Lee Walther Kordus?

Each bottle of Handprint Merlot is held in the paint soaked hands of Winemaker Charlie or Winemaker Lewis one last time before it’s shipped out the door. (This bottle was hand printed by Lewis - Charlie always uses only orange paint for his right thumbprint.)

The layered full bodied and complex cherry, spice, tannin and vanilla flavors of the 2009 Handprint Merlot come together and get better in the bottle year after year and will stay bottle stable and age for at least a decade. Perfect with a sizzling steak and risotto dinner or for sharing an evening on the patio watching the sun set and the stars come out.

The coordinating hand painted wine glasses, held in the paint soaked hands of the artist, in a design titled, “From Our Hands To Yours,” are hand wash only.

Donated by Benedict and Lee Kordus

Value: $165

Starting Bid: $125
#702 - WINE GLASSES CUSTOM DESIGNED JUST FOR YOU

Mequon artist, Lee Walther Kordus will custom design and paint six tall white wine glasses created exclusively just for you.

Choose a design created to match paint colors or to coordinate with wallpaper, upholstery, pillows or drapery fabric in your home or to coordinate with your fine china or every day dinnerware.

Or have her personalize the glassware with a custom designed monogram for your own entertaining, with names of your guests as party favors for a dinner or birthday party, or with a design in the colors of your favorite sports team.

You can choose from a catalog of existing designs or tell the artist the color palette and type of design you prefer and let her create a design just for you – “artists choice”.

Use the six glasses yourself or give them individually, in pairs or all six together as a wedding, holiday or birthday gift.

If desired, additional glassware and coordinating glass serving pieces and coordinating dinner and cocktail napkins can be ordered for purchase at the time of design selection. Hand painted glassware is hand wash only.

Note: The same design motif must be used on all six glasses. Not exchangeable once design is selected and painted. Order must be placed by November 15, 2014. Delivery prior to Christmas contingent on artist availability, workload and production schedule at the time of order.

A WORD ABOUT THE TAX ADVANTAGES OF PARTICIPATING IN THE
VOICE AND SILENT AUCTIONS...

According to the IRS, donors who purchase items at a charity auction may claim a charitable contribution deduction for the excess of the purchase price paid for an item over its fair market value. The values of the items and opportunities in this catalog have been determined by the donors of these goods and services. If you pay more than the published value, the difference between the amount paid and the published value may constitute a charitable contribution deduction.

If you are sharing the cost of an auction item between Friends, each party must directly pay by their own means in order to receive a potential charitable contribution deduction.
