PREPARATION FOR YOUR ADVISING MEETING

Completion of all degree requirements for graduation is **YOUR** responsibility. If you have any questions about your graduation checklist, please discuss with your advisor during your advising session. Use the following guidelines to review your Graduation Checklist:

- Verify that your EGT (Expected Graduation Term) is correct.** Your EGT is the term in which you plan to complete all degree requirements, not when you plan to participate in the graduation ceremony:

Graduation Requirements

Expected Graduation Term: 2015 Spring Term

If the EGT is not correct, you can email your correct EGT to Barbara.burja@mu.edu or have your advisor note the correction on your advising form during your advising meeting

- Verify that you are on track to meet the minimum gpa requirements for the degree, each major/minor, and honors program (if applicable):

Academic level	Required GPA	Actual GPA	Requirement Term	GPA Status
Undergraduate Career	2.000	3.258	2009 Fall Term	Satisfied
Undergraduate Health Sciences Program	Not Required	3.500	2009 Fall Term	Not Required
Biomedical Sciences Primary Major	2.000	3.447	2009 Fall Term	Satisfied
Psychology Minor	2.000	4.000	2009 Fall Term	Satisfied

- Verify you are on track to fulfill all degree credits, upper division credits, senior and overall residency

Credit Requirements -- based on Undergraduate Career requirement term	Required Credits	Completed Credits*	In Progress Credits*	Credit Status
Required Degree Credits	128.00	162.00	20.00	Satisfied
Upper Division Credits at MU	32.00	51.00	20.00	Satisfied
Senior Residency	30.00	51.00	20.00	Satisfied
Overall Residency	60.00	51.00	20.00	Satisfied

Upper division credits are courses at the 3000 level or higher.

Senior residency means that your final 30 credits must be completed at MU (cannot transfer in credit after reaching 98 credits)

- Ensure all course requirements for the university core, college core, and declared major(s) and minor(s) must be fulfilled. **Note: ALL major and minor requirements must be completed with a grade of C or better (excludes cognates, i.e., BIOL 1001).**

Preparing for your advising appointment:

- Use the "My Academic Requirements" section in CheckMarq or the undergraduate bulletin to identify all course options to complete any requirement that is "not satisfied."
- Research graduate/professional programs of interest to identify prerequisites that you need to take
- Search the **Schedule of Classes** and create a tentative list/schedule of courses
- If you have junior standing or higher, we strongly recommend that you develop a semester by semester plan to ensure completion of all degree requirements in your remaining semesters.
- Write down any other questions you have (i.e. long-term goals, summer plans, study abroad, etc.)
