Preview: Application to Core Honors

Note: once you have been admitted to Marquette, you will find the link to this application to Core Honors on your Marquette Student Status page account. To apply to Core Honors, please be sure to follow the steps there; this is only a preview.

Application to Core Honors is open to all students who have been admitted to Marquette. The deadline for application to Core Honors is January 15, 2020.

In Core Honors, we value and seek to build

- breadth as well as depth of learning;
- curiosity, open-mindedness, and the disposition to put knowledge into action; and
- a community that fosters the inclusion of all humans and develops from the experiences and perspectives of all its members.

To apply to be part of Core Honors, you have three options. No preference will be given to any option in reviewing applications; all options are equally valid.

Please choose one of the following three, and follow the instructions exactly.

a. In the space below, indicate that you are taking Option “a” and click submit. Then send us an email at mucademicadmissions@mu.edu requesting a phone or skype conversation with an Honors peer mentor (a current Honors student), in which you explain why you would be a good fit for Core Honors with reference to the values above. We will reach out by reply email to schedule the conversation.

OR

b. In the space below, indicate that you are taking Option “b” and click submit. Then send us by email something you’ve made that demonstrates your engagement in the values above. Some examples of relevant materials: a paper you’ve written for a course in school, or other relevant coursework; a short video you’ve made; an article or a story or poem you’ve written for a school or other publication. With your material or object, please include your full name and a brief (1 paragraph) explanation of how it engages the values above, along with an introduction to what it is and why you made it, if you think we will need that. All materials should be sent to mucademicadmissions@mu.edu.
