

Co-Pay Health Plan (CPHP) – Non Single

Level	Points Earned (July 11 – November 19, 2018)	Percentage of Total 2019 FSA Contribution Earned	Total 2019 FSA Contribution Earned	Raffle Tickets Earned (July 11 – November 19, 2018)
1	1,000	25%*	\$62.50*	1
2	5,000	25%*	\$125.00*	3
3	10,000	25%*	\$187.50*	5
4	15,000	25%*	\$250.00*	10

Changes in How to Earn Your 2019 FSA Contribution. You can now take part in Marquette Wellness programs and services throughout the year to earn points to help you earn your 2019 FSA contribution. This year, you will have from July 11 – November 19, 2018 to earn up to 15,000 points and 100% of your 2019 FSA contribution. Biometric Screenings and Health Risk Assessments are now optional, but both activities can still be completed to earn points towards your 2019 FSA contribution. We encourage you to choose wellness opportunities that support your personal wellbeing. Please see the ["How to Earn"](#) page for more information.

***Partial FSA Contributions Can Be Earned.** If you are an employee with a spouse on the medical plan, the earnings for your 2019 FSA contribution will be earned jointly. By signing up for the CPHP, the total amount you can earn is \$250. Both the employee and their spouse must reach 15,000 points (Level 4) to earn all \$250, but you can now earn a partial FSA contribution. For example, if the employee reaches level 2, and the employee's spouse reaches level 4, total earnings will be equal to the highest level earned by *both* the employee and the spouse; therefore, 50% of the 2019 FSA Contribution will be received in this case (\$125). Raffle tickets are earned independently (see below).

Raffle Ticket Entries. Raffle ticket entries are earned as you reach each level and give you a chance to win quarterly giveaways through the wellness portal. More than 70 prizes will be given away each quarter, with drawings held in August 2018 and November 2018.
