**Changes in How to Earn Your 2019 FSA Contribution.** You can now take part in Marquette Wellness programs and services throughout the year to earn points to help you earn your 2019 FSA contribution. This year, you will have from July 11 – November 19, 2018 to earn up to 15,000 points and 100% of your 2019 FSA contribution. Biometric Screenings and Health Risk Assessments are now optional, but both activities can still be completed to earn points towards your 2019 FSA contribution. We encourage you to choose wellness opportunities that support your personal wellbeing. Please see the ["How to Earn"](#) page for more information.

**Partial FSA Contributions Can Be Earned.** For each level you achieve in the Virgin Pulse wellness portal, you will earn 25% of your 2019 contribution. For example, if you only earn 10,000 points and make it to level 3, you will still receive 75% of your total 2019 FSA contribution (\$93.75).

**Raffle Ticket Entries.** Raffle ticket entries are earned as you reach each level and give you a chance to win quarterly giveaways through the wellness portal. More than 70 prizes will be given away each quarter, with drawings held in August 2018 and November 2018.
