How to Locate your PCP’s Provider ID

1. Go to UMR.com (www.umr.com).
   **Important!** If you are an existing UMR member, **do not sign in** to your online account.

2. Click on “Find a provider”

3. Select the UnitedHealthcare NexusACO Network (English 2024) and click Search.
   **Do NOT Sign In**
4. A new tab will open. Select Providers In-Network on 1/1/2024.

When will you be receiving care?

- Providers currently In-Network
- Providers In-Network on 1/1/2024

5. You will see this UnitedHealthcare search engine.
   • If the location prefills to something other than your city/state, click on the link titled “Change Location” to conduct a search in your desired location.
6. You can now search for a provider by entering the last name/first name in the search bar.
   - You can also use one of the care category options below to find a provider.

7. Once you’ve located a provider, click on the link of the provider's name.
   - If the provider has Tier 1 Provider listed, they are a Tier 1 Provider.
   - If there is no tier listed but they are listed as In-Network Provider, they are a Tier 2 Provider.
8. Locate the Provider ID number.
   - Document the entire series of numbers, including any leading zeroes.
     - You can click Copy to copy the entire number to your clipboard.
   - Enter the Provider ID number into the enrollment portal: marquettubebenefitsenrollment.com.

9. Enter the Provider ID number in marquettubebenefitsenrollment.com during annual enrollment.
   - Paste or type the Provider ID number after you select your benefits.
   - There will be space to enter a Provider ID number for each person you enrolled in medical coverage.
