Here are some of the ways we can help:

**Finding the right fit is important. We can help**

Finding the right provider can feel daunting. We’ll match you to high-quality health care providers and the highest level of benefits – right where you live – to avoid paying more than you need to. We can schedule appointments with providers, and identify possible health screenings or preventive care.

**Know your coverage – and costs**

Navigating health care can be tricky, which is why no question is a bad one. Your plan advisor is ready to go over your benefit details with you, or connect you to the right person to find the answer you need, so you won’t be caught by surprise.

**We’ll help you:**

- Look into a recent medical claim to make sure it was paid correctly
- Check to see what your out-of-pocket costs are for services
- See how much you have paid – and how much you have left – of your individual or family deductible
- Understand reward programs available to you
- Discover what services are available to you based on your plan

**Let’s talk**

Our plan advisors are available weekdays from 7 a.m. to 7 p.m. Central time. During off hours or weekends a representative can assist you with claims or benefits questions, and your plan advisor can follow up during the regular business hours.
