

Diversity & Inclusion Programming

Spring 2019

The Office of Intercultural Engagement provides a variety of events and programs designed to promote the richness of diversity and inclusion, highlighting the intersections of multiple social and cultural identities while promoting awareness of social justice issues. This calendar reflects not only the schedule of events our office, and its two centers, organizes or is co-sponsoring, but also includes events solely organized by other campus departments or offices.

We are committed to providing access and reasonable accommodations for students and individuals with disabilities. Event accommodations requests should be made at least three working days prior to the event.

Details are subject to change. For any updates, please check our websites or social media for the most up-to-date information or, please contact any of our staff at intercultural@marquette.edu or LGBTQCenter@marquette.edu.
