

Maple 2022 for macOS Installation Instructions

Marquette University Information Technology Services

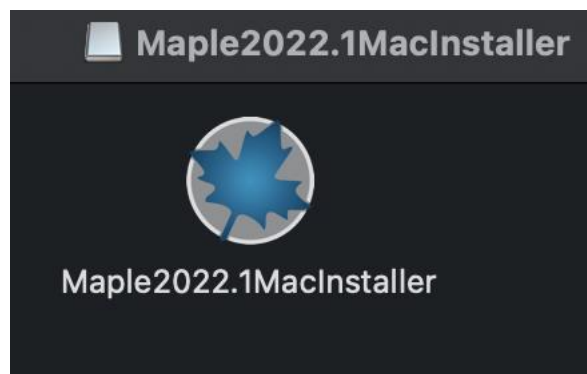

- 1) First Download the zipped download folder from our downloads page under “download Maple for Mac” at <https://www.marquette.edu/its/help/downloads/>
- 2) Ensure the download is unzipped, if not double click “Install Maple 2022.zip.” Then open the “Install Maple 2022” Folder.

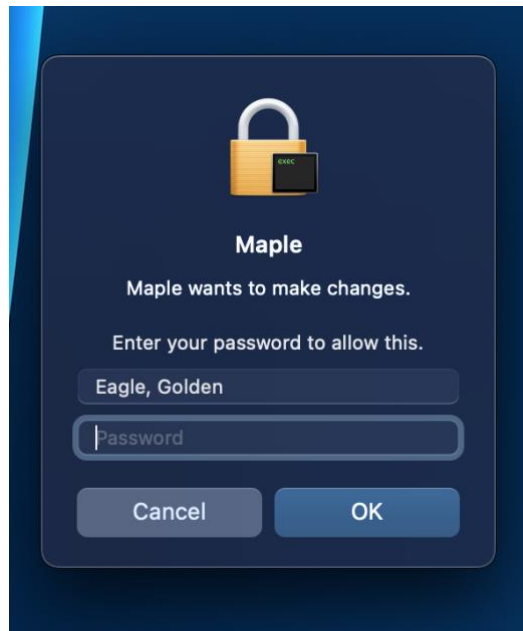

- 3) Once uncompressed, open the “Install Maple 2022” folder and open the “Maple2022.1MacInstaller.dmg” disk image.

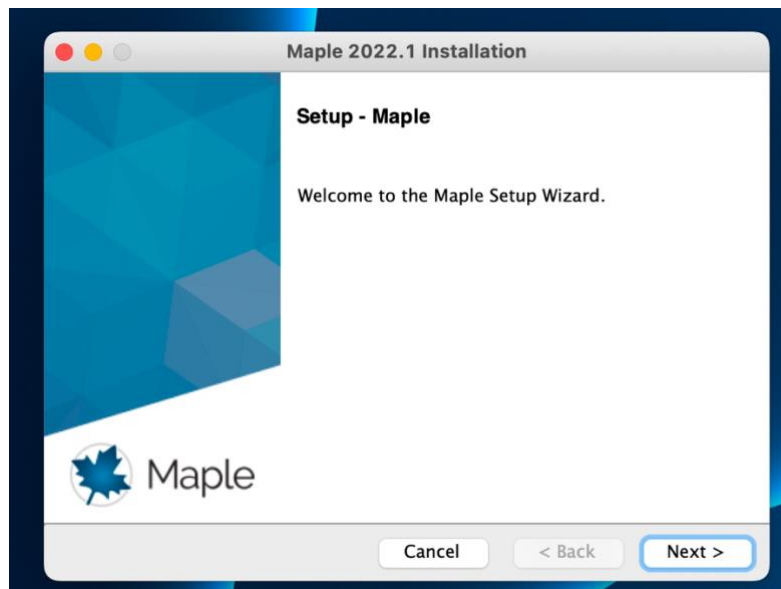

- 4) A disk icon will appear on your desktop. Inside the disc icon will be the installer. Double click on the installer.

5) You may need to give permission for the installer to work.

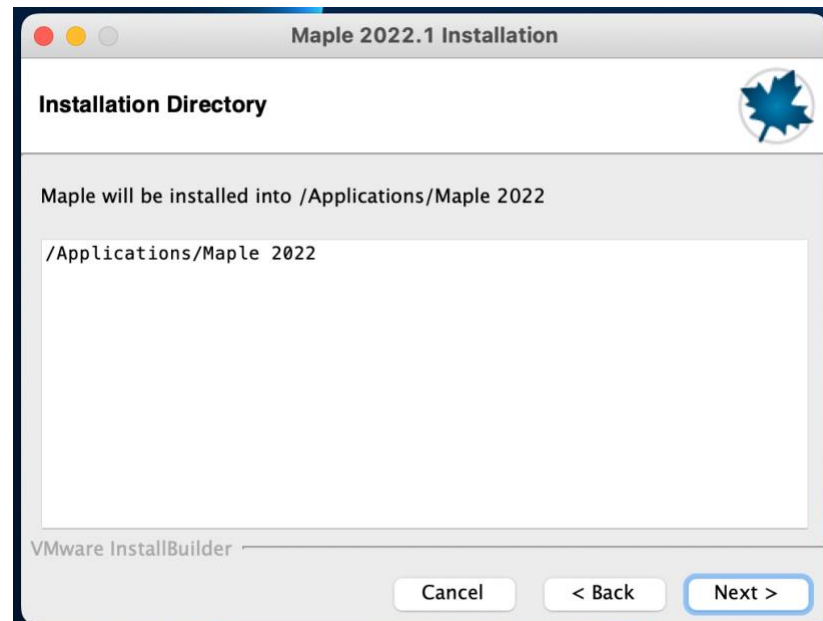

6) Click Next.

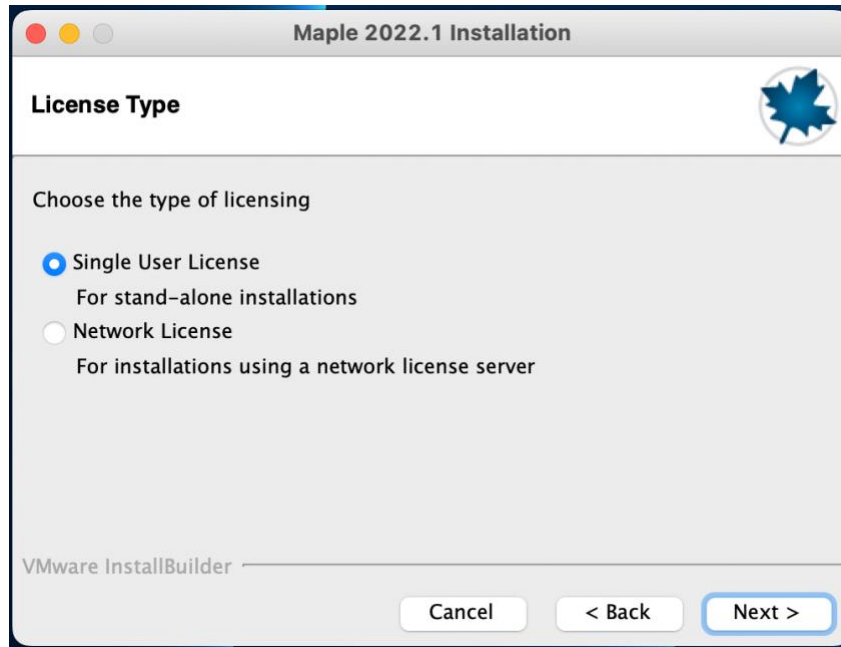

7) Select "I accept the agreement" and click Next.

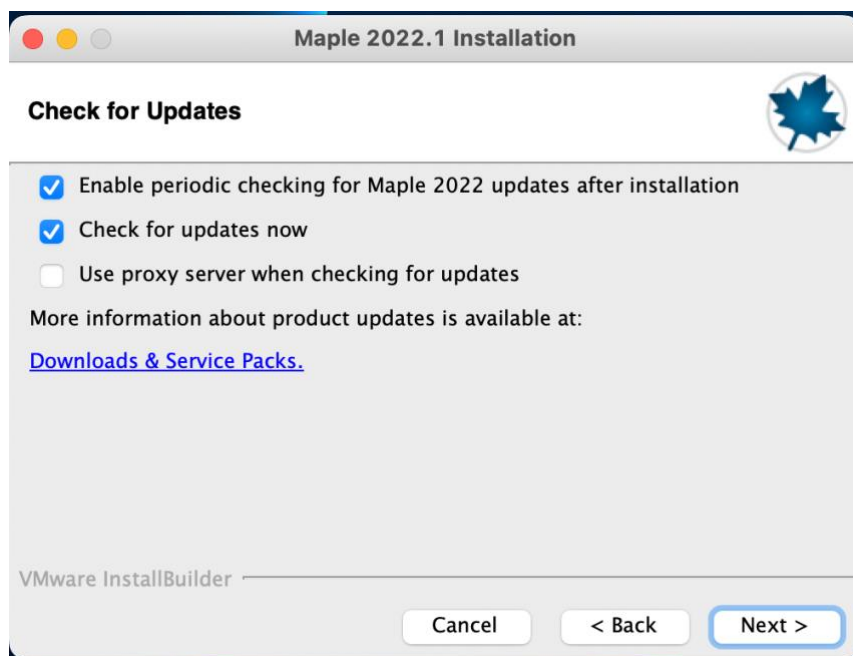

8) Click Next.

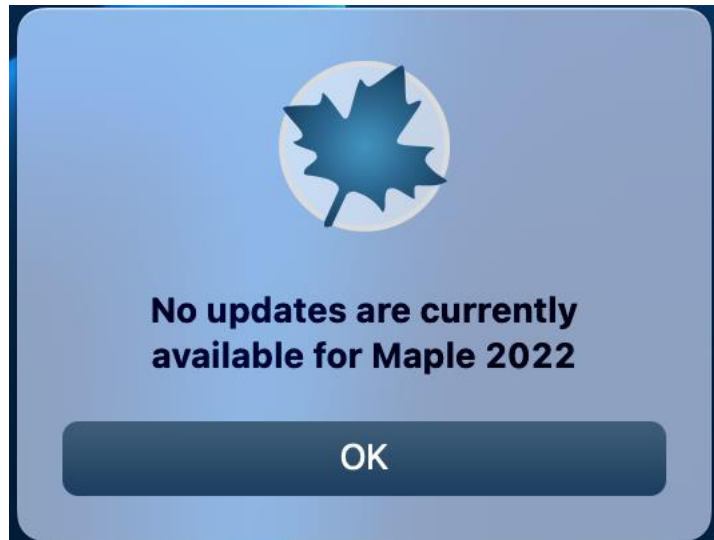

9) Verify “Single User License” is selected and click Next.

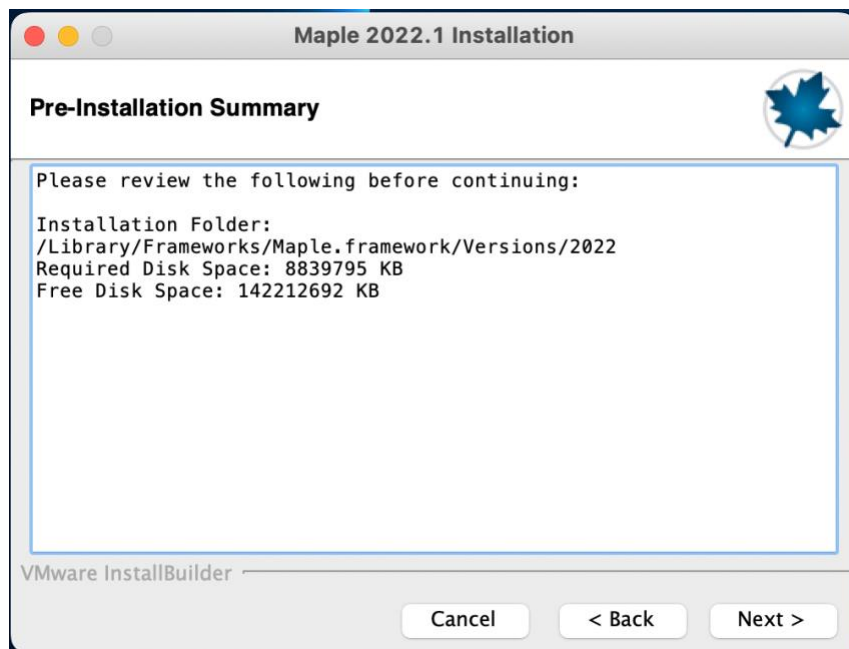

10) Make sure the two boxes are checked to check for updates now and periodically. Click Next.

11) There may or may not be an update for Maple 2022. If there is an update, you will still click ok for it to download and install.

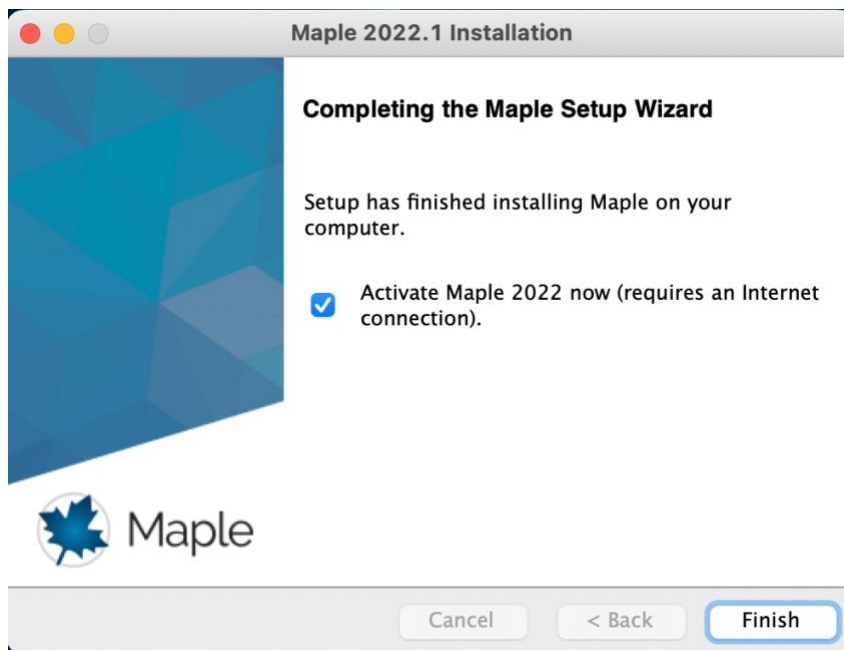

12) Click Next.

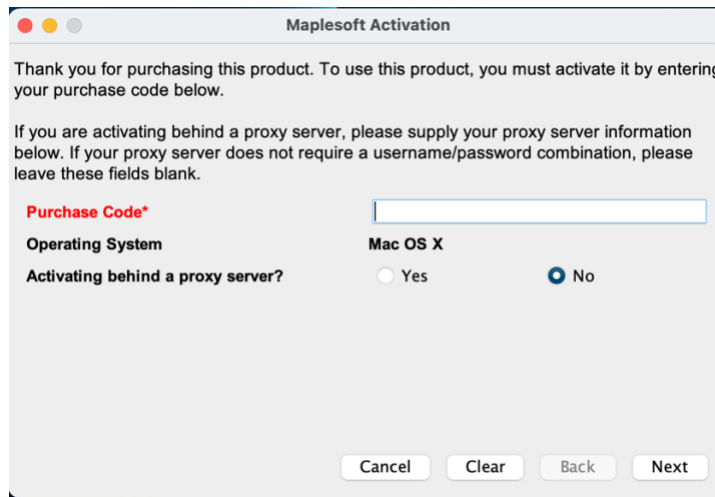

13) Click Next, and wait for the updates (if any were needed) and the installation to finish.

14) Click Finish.

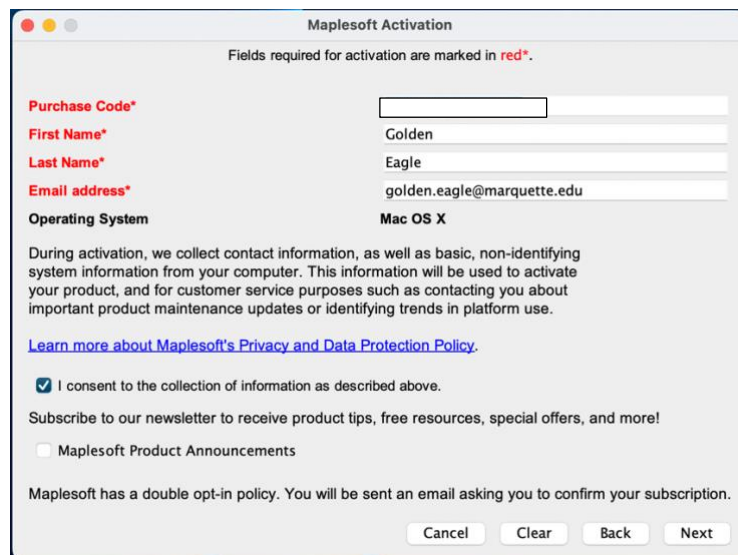

- 15) Enter the purchase code from the “Key.txt” file also located in the Install Maple 2022 folder and click Next.

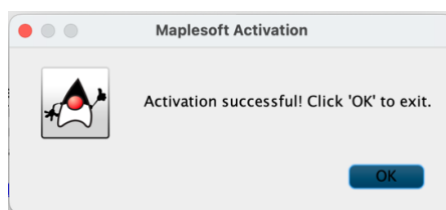

The dialog box is titled "Maplesoft Activation". It contains the following text: "Thank you for purchasing this product. To use this product, you must activate it by entering your purchase code below." Below this, it says: "If you are activating behind a proxy server, please supply your proxy server information below. If your proxy server does not require a username/password combination, please leave these fields blank." The form includes a text field for "Purchase Code*", a dropdown menu for "Operating System" set to "Mac OS X", and radio buttons for "Activating behind a proxy server?" with "No" selected. At the bottom are buttons for "Cancel", "Clear", "Back", and "Next".

- 16) Fill in the needed information in red with your Marquette info, ensure you select consent and then click Next.

The dialog box is titled "Maplesoft Activation" and includes the instruction: "Fields required for activation are marked in red*." The form fields are: "Purchase Code*" (empty), "First Name*" (Golden), "Last Name*" (Eagle), and "Email address*" (golden.eagle@marquette.edu). The "Operating System" is set to "Mac OS X". Below the fields is a paragraph of text about data collection, a link to the privacy policy, a checked checkbox for "I consent to the collection of information as described above.", and an unchecked checkbox for "Maplesoft Product Announcements". At the bottom are buttons for "Cancel", "Clear", "Back", and "Next".

- 17) Click OK and you're good to go!
