

SPSS 28 for macOS Installation Instructions

Marquette University Information Technology Services

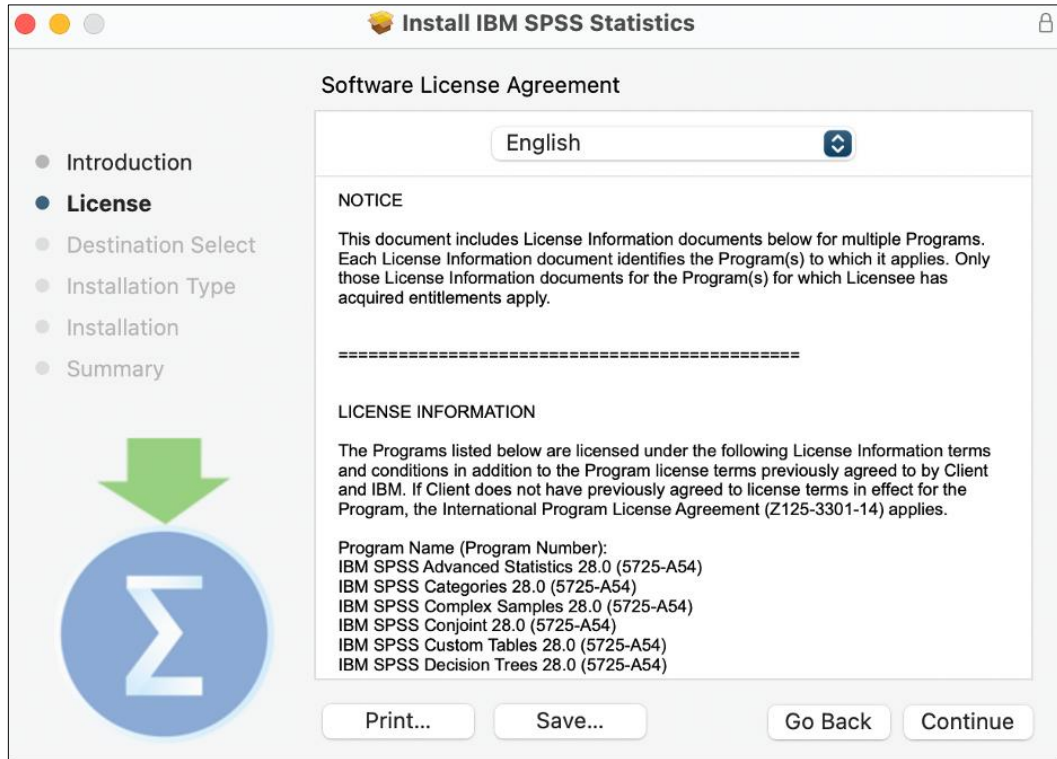

1. Begin installation by double clicking “IBM SPSS Statistics.pkg.” Note the Key.txt text file. You will need this Key text file in Step 11.

Name	Date Modified	Size
 IBM SPSS Statistics.pkg	Jun 8, 2021 at 2:18 PM	878.5 MB
 Key.txt	Jun 8, 2021 at 2:47 PM	22 bytes

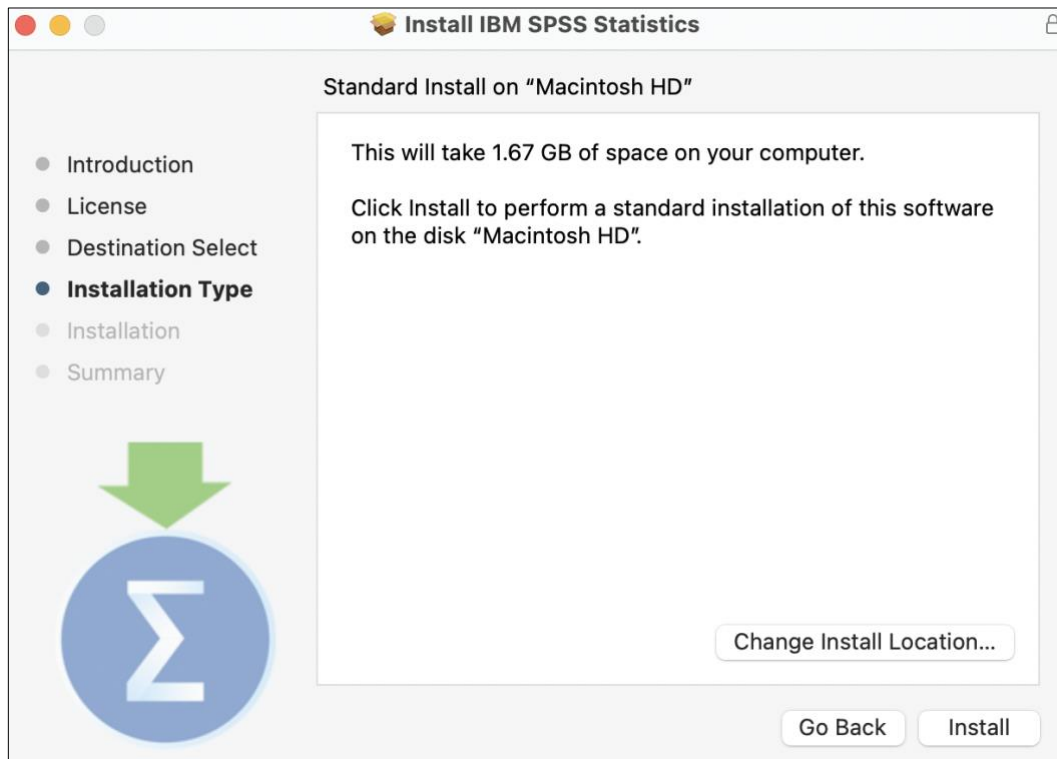

2. Select **Continue**.

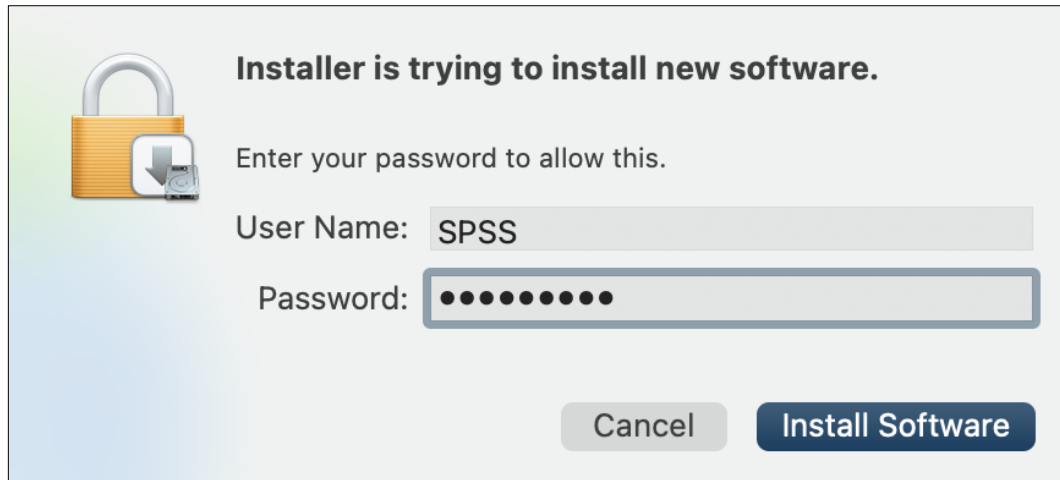

3. Accept the *Software License Agreement* by clicking **Continue** and **Agree**.

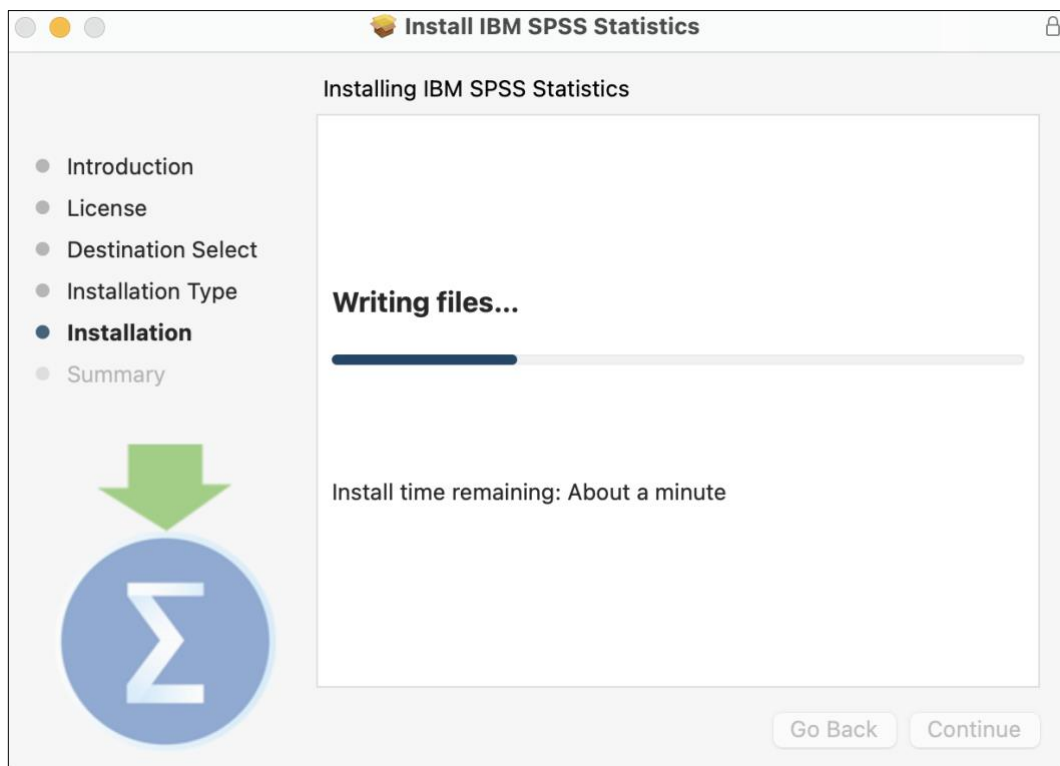

4. Use the default *Installation Location* and select **Install**.

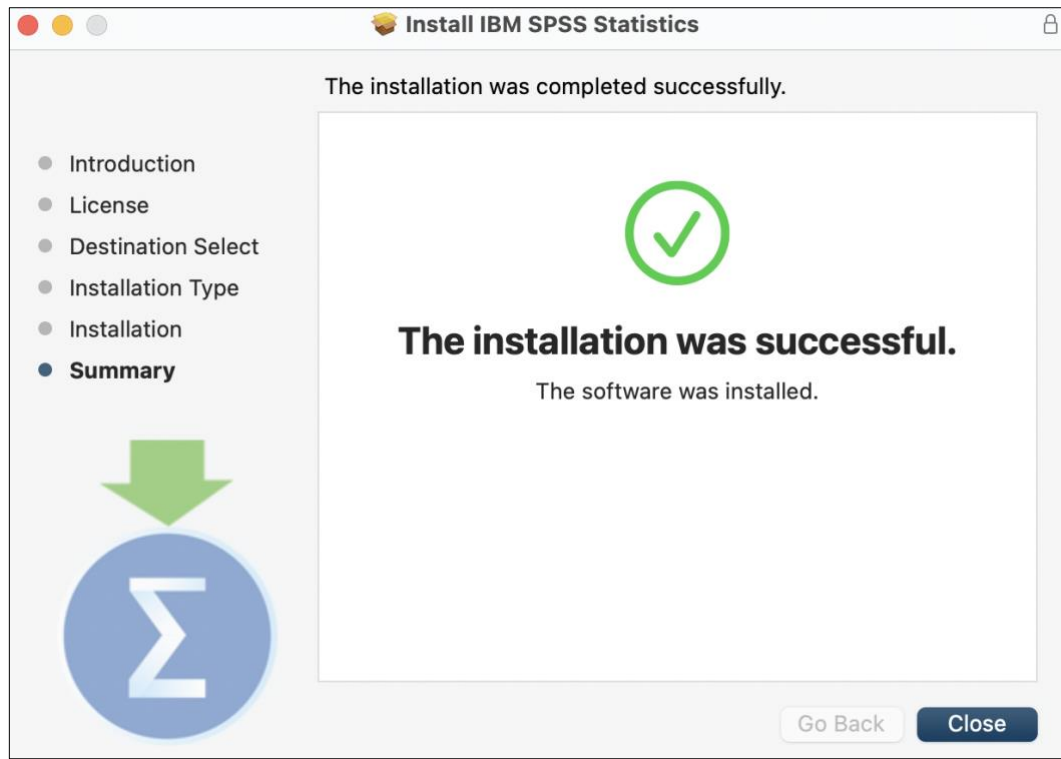

5. Enter your own Mac administrator credentials and select **Install Software**.

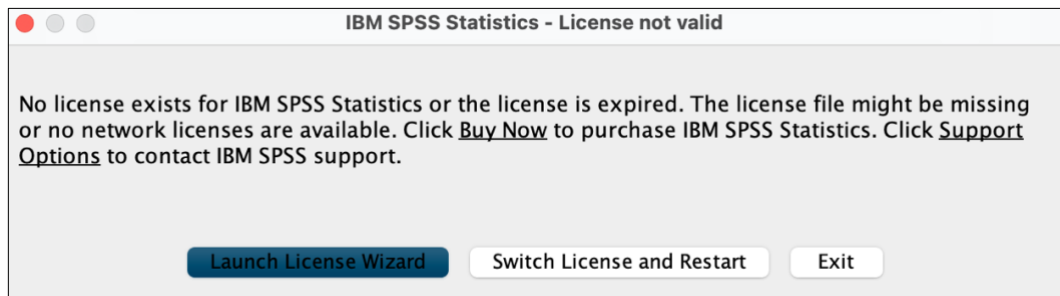

6. SPSS 28 will begin installation.

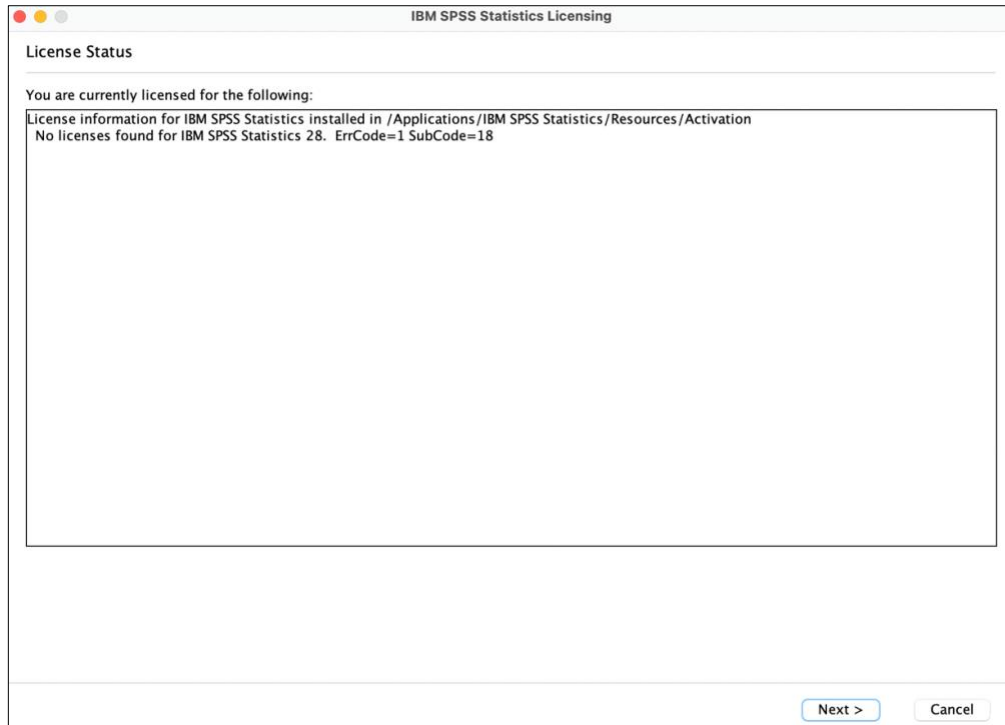

7. When the installation is finished, select **Close**.

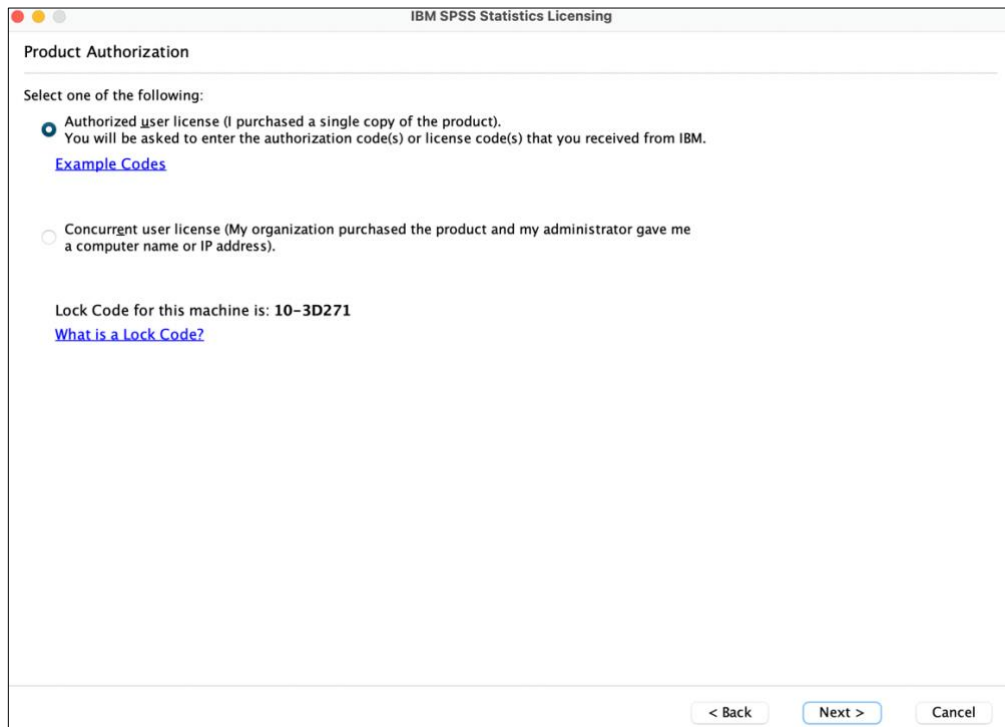

8. Open SPSS and Select **Launch License Wizard** to activate with an authorization code or the License Manager Server.

9. The *IBM SPSS Statistics Licensing* window will appear momentarily. Click **Next**.

10. Make sure *Authorized user license* is checked and select **Next**.

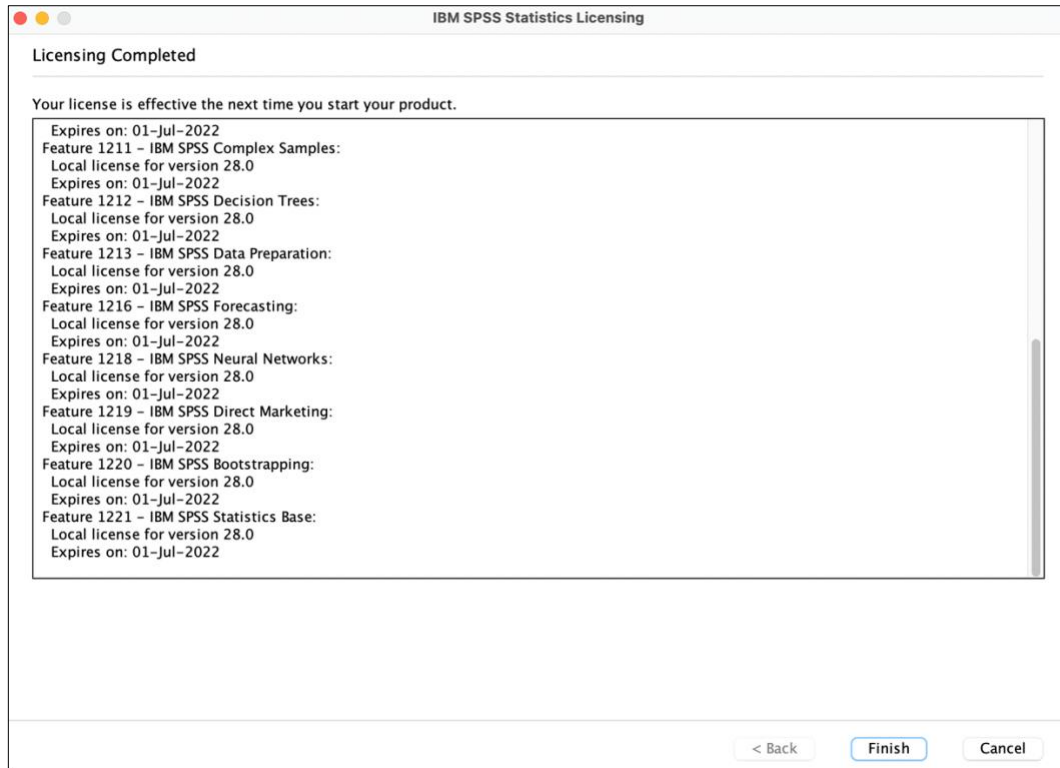

11. Open the Key text file in Step 1 and copy the license code. Paste the SPSS 28 license code and click **Add**. Select **Next**.

The screenshot shows the 'Enter Codes' dialog box in the IBM SPSS Statistics Licensing application. The title bar reads 'IBM SPSS Statistics Licensing'. The main heading is 'Enter Codes'. Below the heading, there is a text area with the instruction: 'Enter your authorization code(s) here to license your product. If you have already contacted IBM via email or phone, please enter the license code(s) you received from IBM.' There are two blue hyperlinks: 'Licensing Overview' and 'Example Codes'. Below this is a text input field labeled 'Enter Code:' with a yellow highlight, followed by an 'Add' button. Underneath the input field is a larger empty rectangular box. At the bottom left of this box is a 'Remove Code' button. Below the box, there is a line of text: 'The authorization code(s) will be electronically sent to IBM.' followed by a blue hyperlink 'Proxy Server Settings'. At the bottom of the dialog, there are three buttons: '< Back', 'Next >', and 'Cancel'.

12. Once the code is authorized. Select **Next**.

The screenshot shows the 'Internet Authorization Status' dialog box in the IBM SPSS Statistics Licensing application. The title bar reads 'IBM SPSS Statistics Licensing'. The main heading is 'Internet Authorization Status'. In the top right corner, there is a 'Copy Status' button. The main content area contains the following text: 'Authorization in progress ... (d13d1c0ecc6b416626d6)', 'Authorization succeeded:', 'License Code:', '85V2H7Q3PCH46876KCLJJC607KSL4WPANST9SOHI2L9TV248VQJ85JV25GOTL3RW6FHCCUH55CYS7J2NIWMKCBVBV9R3QJ9GPKL', '*** End Of Transaction. ***', and 'Successfully processed all codes'. At the bottom of the dialog, there are three buttons: '< Back', 'Next >', and 'Cancel'.

13. Select **Finish**.

SPSS 28 has been successfully installed and activated.
