

Quick Guide to *Foundation Directory Online*

Foundation Directory Online (FDO) is Foundation Center's research tool to help nonprofits find the grantmakers most likely to fund their projects. It provides information and funding history for 140,000+ foundations, corporations, and federal agencies.

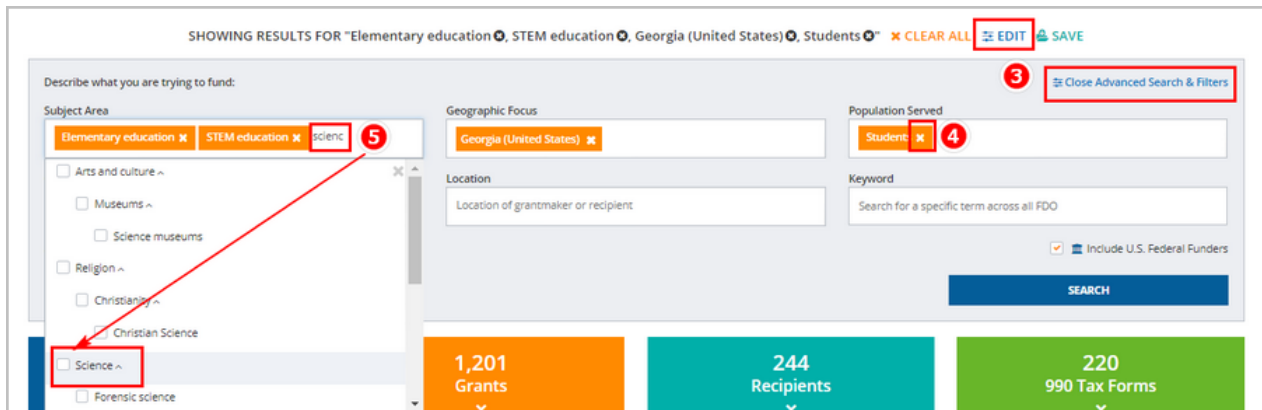

LAUNCH FDO

At the Library homepage, search for "Foundation Directory Online Professional" in the Library catalog MARQCAT. Or click on the tab called Articles & Databases in the yellow box. From the drop-down menu, find and click on "Foundation & Nonprofit Research." Choose from the menu.

START YOUR SEARCH IN FDO

1. **In the single search box, describe what you want to fund in everyday language.** The search box shows some examples. Try using your mission statement (or key phrases if you have a long mission statement), or words that describe who you're serving, where they are, and what you're doing for them.
2. **Click on Search or press Enter key.** FDO will choose search terms and return results from these categories that **match your search criteria**:
 - a. **Grantmakers:** Detailed profiles of foundations, companies, or government agencies that give grants. Includes funder's giving interests, key staffers, how to apply, and typical grant size and recipient. Use this information to make the most out of your interactions with a funder.
 - b. **Grants:** Descriptions of past grants given for similar work.
 - c. **Recipients:** Organizations that do similar work. Click to their record to see who's funded their efforts recently.
 - d. **990s:** Forms 990/990-PF from funders and recipients that mention similar projects.
3. **You can change the search criteria.** Scroll up to the search box, and click on "**Advanced Search & Filters**" or **EDIT** link near the right side of your screen. The gray box will expand to show the most popular search filters. Click on "Additional Filters" to see more search options. (Get a list of all field definitions: bit.ly/FDODefinitions)
4. **To remove a search term,** click on the "x" next to it.

5. **To add other search terms**, start typing in the field. Matching term(s) will appear below. You'll also see more or less specific search terms, which you also might try using.

6. **FAQ: How do I exclude grantmakers that don't accept applications?**

- Under Grantmakers, click on VIEW ALL button.
- In the blue Grantmaker Filters box, check "Exclude grantmakers not accepting applications". Results will refresh.
- NOTE: If you do a different search from this screen, you'll need to check this box again to apply this filter. *Learn how to get on these funders' radars:* bit.ly/NoAppsAccepted

Click on the checkbox by a funder's name, then download, print, or email them as a PDF file, or export them to Excel. You are limited to 25 full records or 100 results in a list.
