

# STUDENT HEALTH ADVISORY BOARD

## What is the Student Health Advisory Board?

The Student Health Advisory Board (SHAB) is an advisory body to Marquette University Medical Clinic (MUMC). Since MUMC is funded by student fees, SHAB works to ensure the satisfaction and quality of health care at Marquette University. The primary initiatives of SHAB are to:

1. Provide a student voice in Marquette University Medical Clinic operations;
2. Promote a positive and open channel of communication between the Marquette University Medical Clinic staff and the student body;
3. Contribute additional awareness of student issues to the administration of the Marquette University Medical Clinic;
4. Promote awareness of services available through the Marquette University Medical Clinic that ensure personal and academic success.

## Student Health Advisory Board responsibilities:

- Represent the needs, opinions, and ideas of particular groups within the University.
- Evaluate proposed budgets of the Marquette University Medical Clinic and recommend an annual budget to the Director of the Marquette University Medical Clinic.
- Recommend changes in services offered by the Marquette University Medical Clinic, based on the best interest of the student body.
- Serve as liaison between the student body and the Marquette University Medical Clinic.
- Actively participate in the publicity and marketing of the Marquette University Medical Clinic.
- Assist in survey research of the Marquette University Medical Clinic.

## Student Health Advisory Board members must:

- Be a current Marquette or MIAD student, in good academic standing
- Be able to serve as a member for one full academic year
- Be able to attend and participate in SHAB meetings and activities:
  - SHAB meetings will occur on the second and fourth Tuesday of the month from 6:00pm – 7:00pm
