Marquette University does not discriminate in any manner contrary to law or justice on the basis of race, color, gender, age, sexual orientation, religion, disability, veteran's status or national origin in its educational programs or activities, including employment and admissions. At the same time, Marquette cherishes its right and duty to seek and retain personnel who will make a positive contribution to its religious character, goals and mission in order to enhance the Catholic, Jesuit tradition.

**MARQUETTE**  
UNIVERSITY

Be The Difference.

We recognize the tremendous investment families make in providing a Marquette education for their children — and the sacrifices this investment requires. To that end, the university makes every effort to contain costs, identify efficiencies and invest wisely. During the past two years we have significantly increased the amount of financial aid available to students. We will increase those funds again this year, and current use and endowed scholarships remain our top fundraising priority. Additional sources of student financial assistance include grants, student employment and loans. The Office of Student Financial Aid is available to help students access the resources they may need to help close the gap between their personal contribution and the actual cost.

Marquette maintains a strong credit rating, adequate cash reserves and a growing endowment. Our conservative fiscal management and the generosity of our benefactors enable us to continue our pursuit of excellence — in our faculty and educational programs, our student life opportunities and our buildings. In today's world, a Marquette education, grounded in a strong liberal arts background and the Catholic, Jesuit tradition, provides the framework for personal and career success with an emphasis on academic excellence, faith, ethical leadership and service to others.

## Marquette University Payment Policy

The staff in Marquette Central are dedicated to providing service to our students and families in a professional and friendly manner while following the policies and procedures set forth by the university. The office provides accurate and timely information about each student's bursar account while encouraging our students to be active participants in managing their account.

The final step to complete a student's registration is payment in full of all fees for the term. Marquette sends a monthly electronic billing statement to each student while the student has an account balance. A student may view his/her e-bill via CheckMarq. Payment due dates are available at [marquette.edu/mucentral](http://marquette.edu/mucentral). It is the student's responsibility to pay tuition, fees and housing by the published due date whether he/she receives a bill or not. Students who do not plan to attend the university are responsible for dropping classes through CheckMarq and notifying their respective college office.

Students who do not pay in full by the due date, enroll in the Marquette Monthly Payment plan or submit a billing authorization from an approved sponsor will have a registration block, transcript block and diploma block placed on their accounts. There will be a \$100 fee for the removal of the block. Failure to pay any balance when due may result in the cancellation of a student's registration for the current academic term, referral of

the account to a collection agency, legal action to collect any balance due or any combination thereof. If the university must take legal action to collect any unpaid balance, the student will be responsible for all fees and costs incurred by the university to collect the unpaid balance.

## 2011–2012 Schedule of Fees

The following information may be helpful in determining expenses for the upcoming academic year. Full-time undergraduate students are assessed a \$136 Student Health Service fee, a \$30 student activity fee (for Marquette University Student Government) and \$45 for the UPASS program, in addition to full-time tuition, per semester. An additional \$185 per credit hour will be assessed for students taking more than 18 credit hours (19 for engineering and business).

## 2011-2012 Room and Board Fees

The rates on the back panel reflect the housing and meal plan rates for Marquette's nine residence halls. The meal plan is included in the listed costs.

Each residence hall offers distinctive features and amenities. Seven of the halls are coed; Cobeen is the university's only all-female residence hall, and O'Donnell is all-male. Several halls have floors designated for students in a particular college or program; McCormick also features CommUNITY, a cross-cultural residential learning environment; and Straz Tower houses the Dorothy Day Social Justice Living Learning Community.

In response to student interest for more flexibility and access, the university has designed the Anytime Dining Plan. The plan is similar to the most popular meal plan offered in the past. Students will be able to eat when they want, as much as they want, as many times as they want in the three traditional dining halls — Cobeen, McCormick and Straz Tower. They will also be able to eat meals at any of the 14 destination dining locations on campus — Schroeder Hall's Café Italiano; the 1950s-style diner in Mashuda Hall; six food vendors within Marquette Place in the Alumni Memorial Union; the Natural Market in the union; and five Brew Cafés on campus. At the destination dining locations, students can swipe their meal card once during each meal period: breakfast (7:15–11:00 a.m.), lunch (11:00 a.m.–4:30 p.m.) or dinner (4:30–6:30 p.m.). McCormick's dining hall remains open for late-night eating until midnight. The Anytime Meal Plan also includes 10 guest passes and \$50 for use in on-campus dining locations.

Students living in university-owned apartments or off campus may also purchase a meal plan. Any student can purchase Marquette CASH to use the MarquetteCard to dine on campus or at a number of off-campus retail locations.
