

## TOP 11 REASONS WHY YOUR FINANCIAL AID IS NOT APPEARING ON YOUR BILL

- Are you fully registered?**  
The aid on your bill reflects your current registration status:
  - Undergraduates expecting MU Scholarships or Grants must be enrolled full-time (12 or more credits). Co-op grading period credit does not count towards full-time enrollment.
  - Perkins or other MU Institutional Loans also require full-time enrollment.
  - Federal Direct Loan or PLUS Loans require at least half-time enrollment (Undergraduate: 6 or more credits; Graduate: 4 or more; Professional: 6 or more).
- Have you accepted your aid on CheckMarq?**
- Has your parent completed the Parent PLUS Loan Request form?**
- Are your Loan Promissory Note(s) complete?**
- Have you completed Federal Direct Loan Loan Entrance Counseling?**
- Have you completed your loan Self-Certification form?**  
The Federal Government now requires Self-Certification be completed for all HHS, private and institutional loan programs.
- Have you applied for a Grad/Professional Plus Loan?**  
A Grad/Professional Plus Loan requires a completed credit authorization application.
- Have you completed Grad/Prof PLUS Loan Entrance Counseling?**  
The Federal Government now requires entrance and exit counseling for this loan.
- Are there "To Do List" items on CheckMarq?**  
Please access CheckMarq to ensure that you have no outstanding To Do items.
- Do you have a HOLD with the Office of Student Financial Aid?**  
Please access CheckMarq to check for holds.
- Are you meeting Satisfactory Academic Progress?**
- Are you expecting Federal Work Study or Student Employment on your bill?**  
Employment awards will not appear on your bill; a paycheck is received when you work.
