Section 3: Type your answers to the following questions in a separate document and submit it with this form.

(label your answers to correspond with the questions, i.e. a., b., c., d.)

a. Explain the extenuating circumstances that prevented you from being academically successful during the term indicated above (be specific). Extenuating circumstances include, but are not limited to: personal injury or illness; family issues/difficulties; interpersonal problems; death of a relative, etc. In addition, provide any documentation you have to verify your extenuating circumstances.

b. Explain what has changed in your life that will now allow you to be academically successful. In addition, provide any documentation you have to verify your explanation.

c. Explain the strategies you will utilize that will allow you to be academically successful at Marquette in future terms, if given the opportunity. Be specific and provide justification for each strategy. Your strategies might include, but are not limited to: a change in your degree program (name the new program and explain why it is a better fit for you); a commitment to seek tutoring and/or counseling; a commitment to join a study group; a commitment to spend a set number of hours per class studying each week, etc. In addition, provide any documentation you have that may verify your new commitment to academics.

d. Propose an academic plan that will allow you to return to satisfactory progress in your degree program. A plan must include restrictions/conditions of the reinstatement. In addition, it must be measurable and ensure that you are able to meet the institution's SAP standards by a specific point in time. Plans should include courses to be taken, expected grades and a time frame to complete the outlined objectives.
