To: President Kimo Ah Yun
Joel Pogodzinski, Senior Vice President and Chief Operating Officer
Marquette University Board of Trustees

From: Michael O'Hear, Professor of Law and Chair, Marquette University Police Department
Advisory Board

Date: June 8, 2025

Re: Annual Report of Marquette University Police Department Advisory Board

This report is respectfully submitted pursuant to § 114 of the Advisory Board's Rules, which requires the Board to "report of its activities" at least once per year.¹

In brief, the Board met four times during the 2024-2025 academic year. The minutes of all four meetings are attached to this memorandum. The meetings were informative and constructive. Police Department personnel provided extensive updates on the Department's activities and initiatives, as detailed in the attached minutes. Members of the Board provided feedback and suggestions.

Notable topics covered in our discussions included, among others:

- Success of the Department's Behavioral Health Unit amidst the growing challenges of dealing with mentally ill individuals in the Department's patrol zone
- Departmental hiring
- Departmental preparations and activities in relation to the Republican National Convention
- Community relations initiatives, such as regular Coffee with a Cop events and appearances by the Department's dog, Blue
- Crime trends in the Department's patrol zone, including generally positive trends in 2025
- Disposition of citizen complaints
- The Department's tenth anniversary in May 2025

¹ More specifically, § 144 states, "On at least an annual basis the Advisory Board shall file a report of its activities with the Board of Trustees and with the President, which report shall be publicly available."

4. Updates:
 - a. Republican National Convention (RNC) 07.15.2024-07.18.2024 (J. Kranz):
 - Despite potential for disruption and violence, protests were largely uneventful due to law enforcement engagement with protesting groups
 - Less than 15 individuals arrested during RNC
 - Vehicle transporting U.S. Secret Service hit by vehicle fleeing two separate area shootings; suspect apprehended; no injuries
 - MUPD squad car struck/totaled by mentally ill individual seeking to fulfill perceived order from God to “take out a cop;” suspect apprehended; no injuries
 - MUPD assisted with crime scene at King Park where armed individual was shot and killed by members of the Columbus (OH) Police Department in defense of unarmed individual
 - MUPD assisted with traffic back-up at RNC Checkpoint at intersection of 9th and Wells Streets until logistics rectified
 - Majority of nearly 2,000 federal agents housed on-campus were pleased with accommodations, food, and recreational facilities
 - b. Crime Trends (Peters/Kranz)
 - Summary attached
 - MUPD invited to participate in U.S. Department of Justice (DOJ) pilot audit that will eventually be conducted for all Wisconsin law enforcement; purpose of audit is to ensure that textual narrative records are accurately reported to DOJ; while MUPD did well, certain statistics (e.g., “intimidation” vs. “disorderly

conduct”) require greater refinement

- MUPD upward trend in personal crimes from 2023 to 2024 is not attributable to any one single factor
- MUPD experienced only a 1% annual increase in motor vehicle thefts despite Milwaukee Police Department’s significant spike (46%); MUPD’s success largely attributable to increasing patrols at parking structures and the distribution of 400 “Club” anti-theft devices donated by auto manufacturers
- MUPD has noted trends in east Milwaukee that have not yet moved west, including car thieves arming themselves (which has traditionally not been the case with thieves who are typically 17-22 years of age); and thieves breaking into cars regardless whether valuables are visible in order to search for handguns stored under seats that can’t be carried into establishments such as bars and Fiserve Forum

c. Community Engagement (Peterson/Hudson)

(i) Past MUPD Events:

- “Cop on a Rooftop” to benefit Special Olympics at Dunkin Donuts in West Milwaukee
- “Coloring with Kids” with “Blue” the dog as model at Marquette’s Childcare Center
- “Blue at the Bridge” at Marquette’s Lemonis Center for Student Success
- Organization Fest
- New Student Orientation – stressed crime prevention, including locking vehicles

(ii) Upcoming MUPD Events:

- 10.05.2024: National Alliance on Mental Illness (NAMI) walk at the Milwaukee Zoo
- 10.12.2024: “Faith in Blue” kickball tournament
- 11.2024: “Servant Leadership Training” conducted by former MUPD Chief Matt Tristan at MUPD Stables – follow-up to similar well-received training conducted two years ago to improve law enforcement climate

5. Public Comments:

a. MUPD Response to Potential Demonstrations (Hudson)

- MUPD anticipates protest activities in response to continued Israel-Hamas conflict; Presidential election; October 7 anniversary
- Primary concern is outsiders wreaking havoc
- Student demonstrations such as encampments and other potentially disruptive activities should be mitigated through engagement and dialogue that nurtures relationships with student leadership and participants

b. Student Concerns (Brooks) – largely quiet other than brief water outage at Campus Commons on 09.01.2024

c. Near Westside Partners (St. Arnold-Bell)

- Past NWSP Events – Marquette hosted first orientation event for students at Davidson Park the week prior to Move-In
- Upcoming Events – TBD events at the Rave, Davidson Park, others

6. Other Business – none

 - Many of the assaults/battery perpetrators have unaddressed mental health needs
 - Increase seems to correlate with opening of Mental Health Emergency Center at 1525 N. 12th Street
- 9 Sexual Assault/Rapes in 2024. Same as 2023.

- 3 Arson incidents. 300% increase over 2023, when there was only 1 incident.
 - Of the 3 arson incidents, 2 were committed by same perpetrator

- b. Near West Side Safety Issues (Krantz): Violence and gun-related crimes are escalating, largely due to transient housing which is poorly managed, spilling over into Marquette campus, which is a challenge for MUPD because Sherriff will not jail suspects accused of violent misdemeanors (other than domestic violence) due to capacity issues.

Examples:

- January 29, 2025, incident involving male suspect aiming rifle out car window at pedestrian mother and daughter. MUPD was forced to book and release misdemeanor suspect (after confiscating rifle).
- January 31, 2025, incident involving male burglary suspect arrested at Alumni Memorial Union but booked and released despite 20 previous MUPD contacts (history of mental health issue). Suspect subsequently burned himself and his apartment in an attempt to disperse evil spirits.

- c. Departmental Activities: (Peterson)

- Shop with a Cop – In conjunction with the following law enforcement organizations, MUPD participated in the following charitable events involving organizational representatives taking local disadvantaged children for Christmas shopping, gift wrapping and pizza lunch:

- One opening for Police Officer - two interviews pending

- e. Personnel Issues: (Kranz)

Officer Isaiah Espino charged by Milwaukee County District Attorney with Felony I Misconduct in Public Office in violation of Wis. Stat. § 946.12(3) due to testimony he delivered at a trial on November 11, 2024, in Milwaukee Municipal Court during which he

admitted to intentionally attempting to botch his Incident Report in order to assist the defendant whom he had arrested for OWI on April 10, 2023. Officer Espino has pled not guilty alleging that, as an MUPD officer, he is not a “public official” under Wis. Stat. § 946.12(3).

- i. Incident Report was eventually corrected due to managerial oversight according to Milwaukee Police Department’s independent investigation.
- ii. Officer Espino is currently on unpaid administrative leave while MUPD investigates.
- iii. Any open MUPD citations issued by Officer Espino will not be prosecuted because prosecutors will not call him as a witness (i.e., “Brady List”).

f. Citizen Complaints: (Hudson)

- Mother of female undergraduate complained of excessive force regarding brief handcuffing of her daughter in January 2025 on suspicion of shoplifting (released after exonerated).
 - MUPD Officer acted within his discretion (requires balancing various factors including probable cause; suspect cooperation; safety of officer and community).
 - MUPD policy is to treat suspects (both MU-related suspects and community suspects) equally.
 - Nevertheless, via peer-to-peer counseling, arresting officer recognized that incident could/should have been avoided.
 - Mother’s concerns resolved.

g. Upcoming Events: (Hudson)

- Northwestern School of Professional Studies’ School of Police Staff & Command (SPSC) Program—leadership and management education program that helps prepare experienced law enforcement professionals for success in senior command positions has accepted the following enrollments:
 - Lieutenant Jim Hensley

MUPD confirms all its squad units are equipped with AEDs and all Resident Life desks are also equipped with AEDs. Further inquiries into obtaining additional AEDs should be directed to Dennis Daye, Director of Environmental Health and Safety, who has responsibility for funding, purchasing, installing and training as it pertains to AEDs.
