BE THE DIFFERENCE.

CHIEF'S WELCOME

Dear Marquette Community,

Thank you for taking the time to read our 2017 Annual Security and Fire Safety Report ("ASR"). The ASR is provided to you in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Within this Report you will find information regarding the security and safety of our campus. Included are crime statistics for the past three calendar years, campus safety and disciplinary policies, on-campus housing fire statistics and safety policies, alcohol and drug policies, and policies that specifically address prevention and response to sexual assault, domestic violence, dating violence and stalking.

Marquette University is in the process of developing new and updated prevention programs for sexual assault, domestic violence, dating violence and stalking. Disciplinary procedures and policies are being updated to comply with federal law, reflect best practices, and to ensure sensitivity and fairness to all those involved. Marquette University continually strives to provide a safe and welcoming space for all students, faculty, staff and guests.

The ASR is an excellent resource for not only security and safety policies, but also for prevention, education and response information. Marquette University provides both on-campus and off campus resources for students and employees and we encourage you to tell us if you or someone you know needs help.

Sincerely,

Paul Mascari

Chief of Police, Marquette University Police Department

Safety begins with information.

The Marquette University Police Department, with more than 80 professional and 100 student staff members, is committed to providing the safest environment possible in which to learn and live. To fulfill this commitment, the Marquette University Police Department continuously addresses campus and community safety with new and innovative programming, educational efforts, technological advances and the best-trained campus law enforcement staff in the area. With our expansive patrol operations, on- and off-campus outreach efforts, and nationally recognized Student Safety Programs, we continue to set the standard in excellence among campus safety departments.

Campus and neighborhood safety requires a great partnership among all community members, including students, university staff, neighboring residents and the Milwaukee Police Department. These partners need to work together to achieve the goals associated with maintaining a safe and secure environment. Personal safety is enhanced by using the LIMO vans and Safety Patrol escorts, participating in the department's numerous programs, and contacting the department with questions or concerns. Please take a moment to review the following important information and discover more about the programs and services offered by the The Marquette University Police Department.

PREPARING THE ANNUAL SECURITY REPORT – POLICIES

The Marquette University Police Department (MUPD) is responsible for preparing Marquette's Annual Security and Fire Safety Report. Each year, MUPD publishes the Annual Security and Fire Safety Report, disseminates it to the University community via email to the University community, and posts it online at <http://www.marquette.edu/mupd/documents/annual-security-and-fire-safety-report-2016>. Printed copies may be requested at MUPD headquarters.

This report, and the data included in it, is compiled by collecting data, programs, policies and other information from Campus Security Authorities, and local police. Campus Security Authorities are notified in writing by MUPD of their obligation to maintain records and report incidents to MUPD. If there are any reports taken, they are verified between MUPD and the reporting Campus Security Authority after the report is forwarded to MUPD.

"Campus" is defined as property owned or controlled by the institution within the same reasonably contiguous geographic area, and used by the institution for its educational purposes. It specifically includes residence halls. It also includes property that is with or reasonably contiguous to the same geographic area that is owned by the institution and controlled by another person, that is frequently used by the students that support institutional purposes, such as a food or other retail vendors.

"Non-campus building or property" is defined as (1) any building or property owned or controlled by a student organization recognized by the institution; or (2) buildings or property owned or controlled by the institution that are used in direct support of, or in relation to the institution's educational purposes, are frequently used by students, and are not within the same reasonably contiguous geographic area of the institution.

"Public property" is defined as all public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus or immediately adjacent to and accessible from the campus. MUPD collects statistics from the Milwaukee County Sheriff's Office and the Milwaukee Police Department on all reported crime which occurs in close proximity to the campus. If appropriate, these crimes are reported in the category of "public property."

SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING

Marquette University prohibits sexual misconduct including sexual assault, domestic violence, dating violence, and stalking. This conduct will not be tolerated on campus and are a violation of Wisconsin law and the Marquette University Title IX Sexual Harassment, Discrimination and Sexual Misconduct Policy ("Policy").

To review the Policy in full, please see page 61 in this document entitled Marquette University Sexual Harassment, Discrimination and Sexual Misconduct Policy, or online at, http://www.marquette.edu/osd/policies/sexual_misconduct_policy.shtml.

SEXUAL VIOLENCE PREVENTION EDUCATION

The Sexual Violence Prevention Education ("SVPE") team is a multi-disciplinary working group including university staff, faculty and students dedicated to addressing sexual, assault, domestic violence, dating violence and stalking at Marquette. The SVPE provides university officials with input regarding strategies for preventing harassment, ensuring students understand their right to be protected from retaliation for reporting discrimination, and ensuring University students and understand how to report possible violations of the Policy and/or Student Conduct Code.

DISCLOSURE OF CRIME STATISTICS

The Marquette University Police Department prepares this report in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act and the Violence Against Women Reauthorization Act of 2013 (VAWA). These regulations require colleges and universities to:

- Publish an annual report containing three years of crime statistics and certain campus security policy statements.
- Disclose crime statistics for campus, public areas immediately adjacent to campus and specific non-campus facilities. These statistics are gathered from campus security, local law enforcement and other university officials who have significant responsibility for student and campus activities.
- Provide campus safety alerts pertaining to crimes that have been committed and pose ongoing threats to students and employees.
- Disclose in a public campus crime log any reported crime occurring on campus or within the patrol boundaries of the campus police or campus security department.
- Publish fire safety statistics.
- Maintain and publish statistics about the number of incidents of dating violence, domestic violence, sexual assault and stalking.

The Marquette University Police Department maintains responsibility for preparing and distributing this report by October 1 of each year. The report is prepared in cooperation with other university departments and local law enforcement agencies. The report is available at marquette.edu/mupd.

CAMPUS SAFETY

Taking basic safety precautions and being well-informed about the numerous programs and services offered by the Marquette University Police Department will allow students and employees to become engaged partners in maintaining a safe university community.

What You Can Do

- Use Local Intercampus Mobile Operation vans and Safety Patrol escorts during evening hours (see page 11).
- Remain alert and aware of your surroundings.
- Become familiar with the locations of Blue Light Phones (see page 11).
- Attend safety-related programs (see page 10).
- Do not leave personal property unsecured and/or unattended.
- Park in well-lit areas, place valuables in the trunk and lock your car.
- Immediately report suspicious circumstances and crimes to the Marquette University Police Department. Use a Blue Light Phone or call 414.288.6800 (8-6800 from any campus phone).

Marquette University Police Department (MUPD)

MUPD is staffed 24 hours a day with over 40 sworn police officers whose goal is to assure the safety and security of campus.

All MUPD police officers are armed and deputized and have the power and authority to make an arrest. Wisconsin Statute 175.42(2)(b) grants Marquette University police officers the same powers as City of Milwaukee police officers to maintain public order, to detect and prevent crime, to enforce state laws and local ordinances and to make arrests for violations of state laws and local ordinances. MUPD officers patrol the campus and adjacent areas by squad, on foot and by bicycle.

In addition, they provide services through their own Communications Center and are further supported by a non-sworn public safety department. MUPD cooperates with the Milwaukee Police Department and other state and federal authorities in the exercise of their jurisdiction.

Reporting Incidents

Timely reporting of incidents relating to suspicious activity, medical emergencies, accidents or crime is vital in summoning the appropriate assistance. Students and employees are encouraged to program the Marquette University Police Department's routine and emergency phone numbers into their cell phones for easy access. The Marquette University Police Department's phone numbers are posted near all phones located in common areas of university buildings and residence halls. Additionally, more than 450 Blue Light Phones, providing direct access to the Marquette University Police Department, are available throughout the campus area for use in reporting a crime or requesting assistance.

If you witness a crime or are the victim of a crime, please:

- Get to a safe place where others are present.
- Report the incident immediately. Call the Marquette University Police Department at 414.288.1911 or use a Blue Light Phone.
- Do not touch anything. Let the Marquette University Police Department (and the Milwaukee Police Department, if necessary) investigate to secure the area and preserve evidence.

When a crime is reported, the Marquette University Police Department will coordinate an appropriate response with the Milwaukee Police Department or appropriate law enforcement agencies as necessary or requested.

Timely Warnings and Emergency Notifications

When a crime or incident that represents an imminent or ongoing threat to the campus community is reported, the Marquette University Police Department, in collaboration with other university departments, is prepared to issue Safety Alerts in a timely manner. An Event and Emergency Management Plan is in place, outlining a process to quickly share information and provide the most appropriate response, including the issuance of Safety Alerts. The issuance of Safety Alerts is subject to the availability of pertinent information.

Safety Alerts may be distributed to community members via email, text message, social media, university voicemail, the university's website, Axis TV message boards, and/or postings in on- and off-campus buildings. The method(s) of dissemination will be determined based on the particular situation.

Sources of Information for Students and Staff

Information about campus safety, incidents of crime and crime statistics are available from the Marquette University Police Department via several sources.

- A report is generated each business day listing all incidents reported during the previous 24-hour or weekend period. The report is distributed to administrative offices, student media, student government offices and the Milwaukee Police Department. See Daily Crime Log below.
- The student newspaper, television station and radio station report on crime news and trends.

Daily Crime and Fire Log

The Marquette University Police Department maintains a Daily Crime and Fire Log that records, by the date the incident was reported, all crimes and other serious incidents occurring on campus, within non-campus buildings or properties, on public property or within the department's patrol boundaries. The daily log is available for public inspection at the department's headquarters, located at 749 N. 16th St., and is posted on the Marquette University Police Department website.

The Daily Crime and Fire Log includes the nature, date, time and general location of each crime reported to the department, as well as the disposition of the complaint, if the information is known at the time of publication. The department posts incidents in the Daily Crime and Fire Log within two business days of receiving a report and reserves the right to exclude reports under certain circumstances.

Missing Student Notification Policy

In compliance with the Higher Education Opportunity Act of 2008, this policy sets forth procedures for the reporting, investigating and making emergency notifications regarding any currently enrolled student who is believed to be missing.

A student will be presumed to be missing when his/her absence, of 24 hours or more, is inconsistent with his/her established patterns of behavior and the deviation cannot be readily explained.

Reporting a Possible Missing Student:

Any member of the university community, including both employees and students, who is concerned that a currently enrolled student may be missing should immediately contact the Marquette University Police Department at 414.288.6800. Any university employee who receives a report of a possible missing student must immediately refer such report to the Marquette University Police Department.

The Marquette University Police Department shall investigate all reports and determine whether a student is missing. If the Marquette University Police Department determines that a student is missing, it shall notify the Office of Student Affairs. Further, the Marquette University Police Department shall notify the Milwaukee Police Department, and/or other appropriate law enforcement agencies, as necessary.

Missing Person Emergency Contact:

All Marquette University students shall be provided an opportunity to designate an individual to be contacted by the university in the event the student is determined to be missing. Students can designate a "Missing Person Emergency Contact" at any time online via CheckMarq Self-Service. If a student is determined to be missing, the Marquette University Police Department shall notify the designated Missing Person Emergency Contact not later than 24 hours after the student is determined to be missing. This contact information is considered confidential and will only be accessible to authorized university or law enforcement personnel.

Parent/Guardian Notification for Students under 18 years of age:

If a student is under 18 years of age (and not emancipated) and is determined to be missing, the Marquette University Police Department shall notify a custodial parent or guardian not later than 24 hours after the student is determined to be missing.

Law Enforcement Notification:

If a student is determined to be missing, the Marquette University Police Department shall notify the Milwaukee Police Department, or other appropriate law enforcement agency, not later than 24 hours after the student is determined to be missing.

Emergency Response

The university's Emergency Procedures Guide includes information about criminal activity; medical emergencies; severe weather and utility failures; chemical spills and hazardous odors or leaks; and shelter-in-place and evacuation guidelines. University departments are responsible for developing contingency plans and continuity of operations plans for their staff and areas of responsibility. The university conducts emergency response exercises each year, such as table top exercises, field exercises, and tests of the emergency notification systems on campus. These tests are designed to assess and evaluate the emergency plans and capabilities of the institution.

The Marquette University Police Department officers and supervisors have received training in incident command and responding to critical incidents on campus. When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually the Marquette University Police Department, the Milwaukee Police Department and the Milwaukee Fire Department, and they typically respond and work together to manage the incident. Depending on the nature of the incident, other Marquette departments and other local or federal agencies could also be involved in responding to the incident.

General information about the emergency response and procedures for Marquette is publicized each year as part of the institution's Clery Act compliance efforts, and that information is available on the Marquette University Police Department website. Detailed information and updates to the Emergency Procedures Guide are available on the Marquette University Police Department website at marquette.edu/mupd.

ANNUAL FIRE SAFETY REPORT

If a fire occurs in a Marquette University building, community members should immediately notify the Marquette University Police Department at 414.288.1911. The Marquette University Police Department will initiate a response, as the department can summon the fire department quickly and provide detailed directions to the location. If a member of the Marquette community finds evidence of a fire that has been extinguished, and the person is not sure whether the Marquette University Police Department has already responded, the community member should immediately notify the Marquette University Police Department to investigate and document the incident.

Fire alarms alert community members of potential hazards, and community members are required to heed their warning and evacuate buildings immediately upon hearing a fire alarm in a facility. Use the nearest stairwell and/or exit to leave the building immediately. Community members should familiarize themselves with the exits in each building. For more specific information on policies and rules related to fire safety, please see the Standards of Conduct section of the student conduct code, *At Marquette*, at marquette.edu/at-marquette.

When a fire alarm is activated, the elevators in most buildings will automatically stop at a safe floor. Occupants should use the stairs to evacuate the building. If you are caught in the elevator, push the emergency phone button. The emergency phones in elevators on campus ring to the Marquette University Police Department Command Information Center.

Marquette University publishes this fire safety report as part of its annual Clery Act compliance document, via this brochure, which contains information with respect to the fire safety practices and standards for Marquette. This report includes statistics concerning the number of fires, the cause of each fire, the number of injuries and deaths related to a fire, and the value of the property damage caused by a fire (see charts on pages 18–19 for more information). The compliance document is available for review 24 hours a day on the Marquette University Police Department website at marquette.edu/mupd.

Fire Protection Equipment/Systems

A majority of university buildings are equipped with automatic fire detection and alarm systems that are monitored by staff at the Marquette University Police Department. Refer to page 23 to review the Fire Safety Amenities in the Marquette University Residential Facilities Chart for information about fire detection, notification and suppression systems in each residential facility.

The Milwaukee Police Department also routinely conducts foot, bicycle and vehicular patrols of the area. Video cameras in key off-campus locations are in place. The university and the city of Milwaukee continuously work together to enhance the safety of the area and provide crime prevention information to residents.

The Marquette University Police Department and the Milwaukee Police Department exchange vital information relating to activity occurring within the near-off-campus neighborhood and greater Milwaukee community. Additionally, specific Milwaukee Police Department and Milwaukee County Sheriff's Office liaisons work closely with the Marquette University Police Department to create a comprehensive approach to maintaining a safe and secure neighborhood.

SEXUAL MISCONDUCT/SEXUAL ASSAULT UNIVERSITY RESPONSE

Please see page 31 for Marquette University's full Title IX Sexual Harassment, Discrimination and Sexual Misconduct Policy or visit Marquette's website: marquette.edu/sexual-misconduct/index.shtml

Marquette University Police Department Officers are trained to help obtain medical assistance, counseling, and related support for victims including contacting a university victim advocate. At the request of the victim, the Marquette University Police Department can contact the Milwaukee Police Department when it receives a report of criminal sexual misconduct, including sexual assault. The Sensitive Crimes Unit of Milwaukee Police Department will follow up on such reports. Confidential assistance and referrals are available if reported to the Sexual Assault Treatment Center (SATC), ordained members of the clergy in Campus Ministry, counselors in the Counseling Center, and doctors, registered nurses and physician assistants in the Marquette University Medical Clinic. Other confidential resources are listed here: marquette.edu/sexual-misconduct/get-support.shtml.

Sexual Violence Prevention Programs and Support Services

To help foster a safe and responsive environment, the university provides a wide range of prevention programming, education, resources and support services relating to sexual violence, which includes sexual assault, relationship violence and stalking.

Off-campus support services are available through:

Sexual Assault Treatment Center of Milwaukee	414.219.5555
Rogers Memorial Hospital (24-hour helpline)	800.767.4411
Aurora Psychiatric Hospital	414.454.6600
Milwaukee Women's Center (24-hour help line)	414.671.6140
The Healing Center	414.671.4325
Pathfinders	414.964.2565

Through a variety of educational programming efforts, students receive information that increases awareness about sexual violence issues and challenges beliefs to support risk reduction and prevention of sexual violence. The programming curriculum focuses on encouraging and supporting students in taking an active role in defining and preventing sexual violence. Bystander intervention is encouraged through safe and positive intervention techniques and by empowering third-party intervention and prevention such as calling for help, identifying allies, and/or creating distractions. Bystander intervention training highlights the need for those who intervene to ensure their own safety in the techniques they choose, and motivates them to intervene as stakeholders in the safety of the community. Through peer-to-peer training programs, students review situations where sexual assault can likely occur and develop and discuss strategies they can use to support each other.

Wisconsin Sex Offender Registry Information

The Sex Offender Registration and Community Notification Law (beginning June 1, 1997, Wisconsin Act 440) provides the public with automated access to information about offenders, who are required to register with the Department of Corrections. Registration is a way to monitor and track an offender’s whereabouts, thereby providing access to information for law enforcement agencies, victims, public/private organizations and the general public. It is intended to promote public safety and help detect and prevent crime. Access to the registry is provided by the Department of Corrections through the Sex Offender Registry System.

For information about the Wisconsin Sex Offender Registry, go to the Wisconsin Department of Corrections website at <http://offender.doc.state.wi.us/public>. To contact the Wisconsin Sex Offender Registry, call 800.398.2403

- Other entrances are locked and alarms alert professional staff when a door is opened without authorization.
- Strict key control is maintained. Students are not provided keys to exterior doors.

- Entry into residence halls is permitted only with a valid student ID card or special registration.

- Buildings are patrolled by the Marquette University Police Department on a regular basis.
- Libraries have automated access systems that require a valid university ID card.
- Library visitors must produce identification and register with library staff.
- Most academic and administrative areas require university ID cards for after-hours access, including access to specific classrooms, laboratories and computer areas.
- After-hours passes are required for students to be in areas unequipped with ID card-reader systems.

Facility Maintenance

Marquette employs its own staff for regular building and system maintenance and repair, including full-time locksmiths and personnel trained in the repair and upkeep of doors, windows and related security equipment.

- The Marquette University Police Department contacts on-call staff or contractors for after-hours security maintenance.
- University locksmiths issue keys only to faculty and staff who have legitimate access needs and only with the approval of the academic dean, department chair or other supervisors.

Video Surveillance Cameras

Closed-circuit video cameras provide views of most parking areas, several adjacent streets and many building entrances. Monitors for the cameras are located in and controlled by the Marquette University Police Department Command Information Center.

WEAPONS

The university complies with applicable state and federal statutes and local ordinances regarding the possession of firearms or other dangerous weapons.

More detailed information on the university's revised weapons policy is posted on the Marquette website at marquette.edu/weapons-policy.

IDENTITY THEFT

Identity theft is a modern-day phenomenon. According to the Federal Trade Commission, millions of Americans will have their identities stolen this year.

The most common types of identity theft are:

- using or opening a credit card account fraudulently;
- opening cell phone or utility accounts fraudulently;
- passing bad checks or opening new bank accounts; and
- getting loans in another person's name.

What You Can Do

Look at your credit card and bank account statements. This is usually the first place unauthorized activity will show up.

Don't give out personal information on the phone or through the mail unless you initiate the contact or know the caller. Thieves will pose as bank representatives, Internet service providers and government agents to get you to reveal personal information.

Never reveal personal or financial information in response to an email request, no matter who appears to have sent it. No organization, financial institution or government agency will ever ask you to reveal personal information, such as Social Security numbers, account numbers, credit card numbers, PIN numbers, etc. Don't click on the link in the email. If you are concerned about your account, contact the organization mentioned in the email using a telephone number you know to be genuine or open a new Internet browser session and type in the company's correct Web address yourself. Don't cut and paste the link from the message into your Internet browser. Phishers can make links look like they go to one place, but they actually send you to a different site.

Tear or shred any documents that contain personal information. These include credit card receipts, insurance forms, physician and bank statements, and even credit card offers.

Deposit outgoing mail directly into post office boxes, not in your own mailbox. A large number of thieves search mailboxes for your personal information.

Don't carry your Social Security card with you, and only carry your ID and a minimum number of credit cards.

Don't pre-print your Social Security or driver's license numbers on your checks.

Give out your Social Security number only when absolutely necessary. Ask to use other identifiers when possible.

Order a copy of your credit reports once a year to verify their accuracy.

For more information about identify theft, contact IT Services at 414.288.7799 or helpdesk@marquette.edu.

MARQUETTE UNIVERSITY POLICE DEPARTMENT STAFF

FOOTNOTES

- 1. On campus:** Buildings or property the university owns and controls, and uses to support its educational goals (classrooms, laboratories, libraries, etc.). Also, property the university owns but someone else controls on campus or within the geographical area, such as fast food restaurants or stores that students frequently use. The statistics in the "On-Campus Total" column is a grand total of crimes that occurred on campus, which includes statistics from the "Residence Hall" column.
- 2. Noncampus:** Buildings or property owned or controlled by an officially recognized student organization and buildings or property owned, or any building not within the same reasonable contiguous geographical area of the main institution that the institution owns and operates in support of its educational goals; which are frequently used by students (fraternities, sororities, Les Aspin Center).
- 3. Public property:** All public property, including thoroughfares, streets, sidewalks and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.

The university, through the Marquette University Police Department, monitors and records criminal activity reported directly to the Marquette University Police Department as well as major crimes reported to the Milwaukee Police Department regarding off-campus student organizations and/or students attending the university, including those officially recognized student organizations with off-campus housing facilities.

These statistics were compiled from information maintained by the Marquette University Police Department, the Office of Student Development and the Office of Residence Life. For an incident to be included in these statistics, the incident must have been reported to a representative of one of those offices. Incidents reported confidentially to those offices are included in the reported statistics.

ALCOHOL AND OTHER DRUGS

ALCOHOL AND DRUG POLICY

Marquette complies with federal, state and local laws regulating the possession, use and sale of alcoholic beverages and controlled substances. Violation of these laws is prohibited on and off campus, and engaging in such activity may result in disciplinary sanctions, up to and including suspension or expulsion of the student or termination of employment regardless of the outcome of court proceedings. Marquette is committed to maintaining a drug-free campus and work environment.

ALCOHOL

Alcohol is the predominant drug used on college campuses, including Marquette.

Alcohol is a drug: an ingested substance other than food that changes how a person's body and mind function.

Alcohol contains ethanol, which has immediate and long-term effects on the body and mind, including:

- impaired judgment and coordination;
- increased aggression;
- impaired higher mental functions;
- depression of the central nervous system;
- decreased motor coordination; and
- impaired vision.

In very high doses, alcohol consumption leads to respiratory depression and death.

Prolonged abuse of alcohol can lead to alcoholism, malnutrition and cirrhosis of the liver.

Missing classes or work and poor performance are associated with drinking or other drug use.

Drinking alcohol while taking prescription or illicit drugs can be extremely dangerous.

What are the Effects of Consuming Alcohol?

Any consumption of alcohol affects your body.

How much you drink, over what period of time and how regularly you drink determine how you experience the effects of drinking alcohol.

If you choose to drink, know how much you are consuming. A 12-ounce beer, a four-ounce glass of wine and a shot or mixed drink containing one ounce of 80-proof hard liquor have the same amount of alcohol, and it can take your liver up to 90 minutes to process this amount.

Beware of situations in which you may consume more than you realize:

- beer cups that hold more than 12 ounces of beer;
- "specialty" drinks or shots made with several types of alcohol; each serving contains far more alcohol than one standard drink; and/or
- friends who top off your drink (sometimes without your knowledge), making it harder for you to track how much you've actually consumed.

Mixed drinks and open containers also pose a higher-than-usual risk that someone can slip a drug into your beverage. When date rape drugs are used, they are often dropped into glasses or drinks while the victims are not watching. (See page 31 for information about date rape drugs and how to protect yourself from drug-facilitated sexual assault.)

Drinking Alcohol

Immediate effects:

- talking more
- losing inhibitions
- becoming more relaxed
- becoming thirsty, which makes it more likely you'll have another drink

After several drinks . . .

- ability to evaluate situations and people is impaired, including the ability to make safe choices about where you are, who you are with and what you are doing
- people sometimes behave in ways that they feel bad or guilty about afterward

After a few more drinks . . .

- cognitive functioning is blocked, which impairs decision-making
- coordination and control of your body are impaired

The extent of your impairment is related to how much alcohol is in your bloodstream. The ratio is known as your **blood-alcohol concentration**. Your BAC and how you react to alcohol are dependent in part on your body weight, rate of consumption, presence of food in your stomach, type of drink and gender. Carbonated beverages speed up absorption. Women should be especially careful not to measure their alcohol intake against that of men. In general, the same quantity of alcohol will have a greater effect on women than on men.

At a BAC of 0.02 percent

- Reaction time is slowed; it is difficult to concentrate on two things simultaneously; inhibitions are slightly lowered.

At a BAC of 0.04 to 0.05

- Judgment begins to be impaired; emotions are intensified; you may feel warm and relaxed; behavior may become exaggerated, making you talk louder or act bolder than usual.

At a BAC of 0.06 to 0.08

- Driving ability is impaired; you may believe you are functioning better than you actually are; speech may be slowed; ability to see and hear is clearly diminished; judgment is affected so it's difficult to decide whether to continue drinking; ability to evaluate sexual situations is impaired.

At a BAC of 0.11 to 0.20

- Motor skills are markedly impaired, as are judgment and memory; some people become aggressive or belligerent; there is an increased risk of accidentally injuring yourself; blackouts are likely, as is getting sick; nausea and vomiting may occur.

At a BAC of 0.25 to 0.35

- Thought processes, emotions and reactions slow; the system is flooded with alcohol; there is an increased risk of choking on vomit; you may pass out and be difficult to awaken (this can occur at lower BAC also); blackouts occur.

At a BAC of 0.4 to 0.5

- The person may be barely conscious, in a stupor or very disagreeable. A person can pass out, choke on his or her own vomit, slip into a coma and die. The nerve centers controlling your heartbeat and respiration are slowing down.

Alcohol Overdose

Alcohol overdose is a medical emergency and could be life-threatening. If you suspect someone has overdosed, call 911 immediately. Never let him or her sleep it off.

Symptoms include:

- unconsciousness or semiconsciousness;
- slow respiration: eight or fewer breaths per minute;
- cold, clammy, pale or bluish skin; or
- strong odor of alcohol.

These symptoms represent an emergency. Call 911 immediately.

Long-term Effects

Continued use of alcohol can lead to dependence. With physical dependence, sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including:

- severe anxiety;
- tremors;
- hallucinations; and
- convulsions.

Long-term effects of consuming large quantities of alcohol, especially when combined with poor nutrition, can lead to permanent damage to vital organs such as the brain and the liver.

Secondhand Drinking

You've heard about the dangers of secondhand smoke (what inhaling smoke from someone else's cigarettes can do to your body). What about drinking? Even if you stay sober, someone else's drinking can be your problem if you have to:

- physically support or care for a drunk friend;
- listen to intoxicated friends spill your deepest secrets — or their own;
- pay a fine for being at an underage drinking party;
- be harassed, screamed at or assaulted;
- lose sleep because drunken people are being rowdy; or
- clean up or walk around someone's vomit.

Binge Drinking

This is defined by the Surgeon General as five or more drinks in one sitting (roughly two hours) for males and four or more drinks at one sitting for females. Binge drinking has continued largely unabated on U.S. campuses according to findings of a survey* of more than 33,000 students at 53 universities and colleges.

Heavy alcohol use among college students is a result of many factors:

- Students who binge tend to perceive that alcohol is central to the university social scene.
- More students come to college with experience drinking alcohol.
- Alcohol on college campuses is abundant and easy to access. College students are the target audience of advertising by liquor distributors.
- It is not uncommon for college students to positively reinforce peer heavy-alcohol use.

*Core Institute Drug and Alcohol Survey, 2005

Why is heavy alcohol use a concern on college campuses?

- There are known risk factors, developmentally, for college students.
- College students, as a whole, are less concerned about the risks of heavy-alcohol use.
- The consequences of heavy-alcohol use include vandalism, aggressive behavior, sexual assault, injuries, academic difficulties, relationship problems, abuse and dependence, and accidents.
- All college students are affected by the second-hand effects of high-risk drinking.

Alcohol and other drug use and binge drinking affect student health and well-being and academic achievement in the following ways:

- Unplanned sexual activity;
- Violent campus crimes;
- Rapes;
- Driving under the influence of alcohol/other drugs;
- Hangovers;
- Vandalism;
- Accidental injury; and,
- Performing poorly on a test/project.

Alcohol/Date Rape Correlations

Since 2006, Wisconsin has recognized **alcohol as the No. 1 date rape drug**. Read more about other date rape drugs on pages 27–28. Nationally, the majority of acquaintance rapes are planned, and assailants take advantage of their victims' use of alcohol and other drugs, which slow reflexes and impair the victim's ability to recognize a potentially dangerous situation.

OTHER DRUGS

Marijuana *cannabis*

After alcohol, cannabis is the mind-altering drug most often abused by students.

- **Physical effects:** increases heart rate, lowers blood pressure, limits control of movement
- **Mental effects:** distorts perception of reality
- **Form:** looks like dried parsley mixed with stems that may include seeds
- **Also called:** pot, grass, weed, reefer, dope, mary jane, acapulco gold
- It is eaten or smoked.
- **Additional types** of cannabis are hash, hash oil.

Cocaine

Cocaine is one of the most addictive illegal drugs.

- **Physical effects:** slows, then increases heart rate and blood pressure, constricts blood vessels, increases breathing rate, dries mouth, dilates pupils, exaggerates movements
- **Mental effects:** stimulates rapid, intense general euphoria; produces a rush, makes a person feel energetic and alert with no need for food or sleep; user becomes talkative or peaceful, self-confident, in command, quick, agitated, anxious, unhappy
- **Form:** A white crystalline powder, often diluted with other ingredients.
- **Also called:** coke, snow, flake, white, nose candy, Big C, snow bird, lady
- It is inhaled, injected or smoked.
- A concentrated form of cocaine is crack. It is extremely potent, and its effects are felt within seconds. The unregulated, higher concentration may pose an increased risk of overdose.

Ecstasy *methylenedioxy-n-methylamphetamine*

Ecstasy is considered a designer drug. It is a synthetic, psychoactive (mind-altering) drug with hallucinogenic and amphetamine-like properties.

- **Physical effects:** increased heart rate and blood pressure, dry mouth, loss of appetite, tense muscles, involuntary clenching of teeth, nausea, blurred vision, rapid eye movement, faintness and chills or sweats

- Usually taken orally, sometimes snorted

Stimulants *amphetamines, methamphetamines*

- **Physical effects:** increased alertness, pulse rate and blood pressure; insomnia, loss of appetite

- **Also called:** speed, uppers, ups, black beauties, pep pills; methamphetamines are also known as crank or crystal meth
- Taken orally, injected or inhaled

Depressants *barbiturates, tranquilizers*

- **Physical effects:** similar to alcohol; small doses produce calmness; larger doses cause slurred speech, staggering gait and altered perception.

- **Mental effects:** lessening of pain and anxiety, intoxication, relaxation, feeling of well-being, lowering of inhibitions, poor concentration
- **Forms:** capsules or tablets
- **Also called:** downers, barbs, blue devils, red devils, yellow jackets, yellows
- Taken orally

Hallucinogens *phencyclidine (PCP), lysergic acid diethylamide (LSD), mescaline and peyote (mesc), psilocybin (mushrooms)*

All hallucinogens produce unpredictable, negative effects.

- **Physical effects:** perception of time is slowed; body movement slowed; senses dulled; dizziness, weakness, nausea, drowsiness
- **Mental effects:** vivid distortion of senses ranging from extreme excitement to absolute terror; can cause illusions and hallucinations
- **Also called:**
 - PCP: angel dust, loveboat, lovely
 - LSD: acid, green or red dragon, white lightning, blue heaven
 - Mescaline: buttons, cactus; peyote
 - Mushrooms: magic mushrooms; shrooms
- **Forms and use:**
 - PCP: liquid, capsules, powder, pills; taken orally or injected
 - LSD: brightly colored tablets, blotter paper, gelatin squares, liquid; taken orally, licked off paper or eaten
 - Mescaline: hard brown discs, tablets or capsules; chewed, swallowed or smoked
 - Mushrooms: fresh or dried mushrooms; eaten

Narcotics *opium, heroin*

- **Physical effects:** euphoria, drowsiness, respiratory depression, sleep, nausea
- **Mental effects:** rush of pleasure, numbness, lack of pain, euphoria; anxiety, depression may occur after use
- **Heroin is also called:** smack, horse, junk, H
- **Forms and use:**
 - Heroin is a white to dark brown powder or tar-like substance; opium is dark brown chunks or powder.
 - Heroin is injected, inhaled or smoked; opium is smoked or taken orally.

Date Rape Drugs

Rohypnol, a potent and fast-acting sedative, and **GHB**, a powerful depressant, are two drugs reported to be used at bars, raves and parties to weaken a potential sexual assault victim. The odorless drugs are dissolved into drinks. Once dissolved, Rohypnol may leave a residue and GHB may give a salty taste, but both can be hard to detect in many beverages. Once the drug is consumed, the victim becomes weak, helpless or unconscious and unable to resist sexual advances. When the drug wears off, the victim may not remember what happened or who participated because the drug often causes amnesia. Recreational use of these drugs also has been reported. Physical incapacitation from using the drug(s) puts the user at risk for rape or other victimization. Recreational use also can lead to death from the physical effects of the drug.

Rohypnol

- **Physical and mental effects:** drowsiness, confusion, impaired motor skills, dizziness, loss of inhibition, impaired judgment, slurred speech, reduced consciousness, partial amnesia, hangover effect; person may appear drunk. When mixed with alcohol, Rohypnol reduces blood pressure.
- **Also called:** roofies, roaches
- **Forms:** white pill. It leaves a crumbly residue in liquid and turns the liquid bluish and murky.

GHB

- **Physical and mental effects:** dizziness, nausea, vomiting, confusion, seizures, respiratory depression, intense drowsiness, unconsciousness, coma, partial amnesia
- onset of effects within 15 to 30 minutes and lasts 30 to 40 minutes
- Also called: liquid ecstasy, liquid G, Vita-G
- Form: a clear liquid that leaves a salty taste in beverages
- GHB is a mixture of lye and gamma-butyrolactone (GBL, a chemical compound) and varies in intensity, making it potentially deadly.

COUNSELING AND TREATMENT OPTIONS

- Education, assessment and confidential counseling about drugs and alcohol are available to students through the Counseling Center, Holthusen Hall, second floor, 414.288.7172. Alcohol programming is also available from the Marquette University Medical Clinic, 707 Building; 414.288.5778.
- Confidential assistance for employees is available through Aurora, which contracts with the university to provide the Employee Assistance Program. Aurora's EAP works confidentially with employees to assess problems, make referrals for necessary counseling and treatment, and coordinate with employees' insurance coverage. Call Aurora's EAP at 800.236.3231 or visit their website at aurora.org/eap.

SANCTIONS

Marquette is committed to creating and maintaining an environment that supports the healthy choices of the majority of its members. The university will sanction those who choose to abuse alcohol or other drugs or otherwise create unsafe and disruptive situations. In addition to the information on safety, alcohol and other drugs listed in this guide, the university will provide resources for students and employees to assess their own behavior or that of a friend and to seek appropriate assistance in overcoming the problem (see resource list on previous page).

Marquette will not tolerate alcohol or drug abuse, which is a violation of law and human dignity. The use of drugs or the abuse of alcohol hinders individuals' functioning, impairs their personal growth, leads to disruptive behavior that violates others' rights and adversely affects the community at large.

Federal, state and local laws regarding the sale and use of alcohol and other drugs apply to all members of the Marquette community. The university will comply with those laws in full and may refer students or employees to law enforcement personnel for prosecution. University regulations also govern the behavior of students and employees and prohibit the unlawful manufacture, distribution, possession and/or use of a controlled substance, the abuse of alcohol, and false instruments of identification at the university.

University Sanctions

Opportunities and referrals for counseling are available for all students and employees who have violated university policy and applicable laws regarding the use of alcohol or other drugs or for those who are identified as being at risk.

Students: The focus of student conduct is educational, and, in uncomplicated cases, disciplinary action tends to be progressive. Disciplinary actions range from warnings up to and including expulsion, regardless of the outcome of any civil or criminal charges. Changes in federal law effective in 1998 give the university the authority to determine when and how to notify parents or guardians when students under age 21 are found to have committed serious or repeated violations of university policies related to the possession, use or distribution of alcohol or other drugs. For additional information, see the section titled "Parental Notification Policy" in *At Marquette*, the student handbook.

Employees: Generally the university employs progressive disciplinary action, beginning with a verbal warning, progressing to a written warning, final written warning, suspension, then termination of employment. The university may act regardless of the outcome of any civil or criminal charges. In certain circumstances, the university may forego lesser disciplinary action and immediately impose more serious discipline up to and including termination of employment.

As a condition of employment, employees must abide by university policy regarding the use of alcohol or other drugs in the workplace. Employees must notify the Office of Human Resources within five days of any conviction of a criminal drug statute violation occurring in the workplace. Human Resources will follow appropriate laws regarding the report of such convictions to federal contracting or granting agencies. Human Resources also may impose appropriate university sanctions on the convicted employee.

Legal Sanctions

Marquette will report all suspected violations of local, state or federal law to the appropriate civil authorities.

Illicit drugs:

Wisconsin laws, including the Uniform Controlled Substances Act (Wisconsin Statute §961 et seq.) prohibit the possession, use and/or delivery of drugs. Violations of the law carry severe penalties, up to 45 years in prison, and fines of up to \$1 million. For example, a sentence of up to six months in prison and up to \$1,000 in fines can be levied for a first-time conviction for the possession of marijuana. Penalties vary according to the amount of drugs confiscated, the type of drugs found, previous offenses, and evidence of intent to manufacture, sell or use the drug. Sentences can be doubled if aggravating circumstances are proven, such as selling a controlled substance to a minor.

Certain drug-related offenses also carry federal penalties. Mandatory sentences are specified in federal law for anyone convicted of drug possession, use and trafficking. The courts can sentence a person to federal prison for up to six years for unlawful possession of a controlled substance, including the distribution of a small amount (less than 250 grams, which is about 8.8 ounces) of marijuana. Conviction for possession of a controlled substance in an instance involving death or bodily injury can carry a sentence of life imprisonment.

Alcohol:

It is against the law to sell, dispense or give away alcohol to anyone younger than 21, the legal drinking age in Wisconsin, who is not accompanied by his or her parent, legal guardian or spouse. Those who are at least 21 years old are responsible by law for preventing the illegal consumption of alcohol on their premises. A first-time violation of this statute can result in a \$500 fine.

It is against the law for a person younger than 21 to attempt to buy an alcoholic beverage, falsely represent his or her age, or enter a bar or tavern unless accompanied by his or her parent, legal guardian or spouse. Sanctions for first-time violations can include any or all of the following: a \$500 fine, mandatory participation in a supervised work program, suspension or revocation of the offender's driver's license.

Penalties for serving or providing alcohol to minors include fines of up to \$10,000, imprisonment for up to nine months or both. A retailer's license to sell alcohol may be suspended or revoked. (For reference, see Chapter 125 of the Wisconsin Statutes.)

PRIMARY PREVENTION AND ONGOING AWARENESS PROGRAMS

Marquette University is dedicated to educational and prevention programming. Primary prevention programs includes programming, initiatives, and strategies informed by research and assessed for value, effectiveness, or outcome that are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions. Primary prevention and ongoing educational/awareness efforts at MU contain information about reporting options and resources available to victims, procedures for institutional disciplinary action, risk reduction and bystander intervention.

UNDERGRADUATE STUDENTS

SPARK. Summer Priority Advising & Registration Kick-off (SPARK) is a mandatory program for all new first-year students and parents including informational sessions about sexual assault, consent, reporting options and resources available to victims. Parents and guests of students are offered a session on student safety led by representatives from the Marquette University Police Department. SPARK is coordinated by the Office of Student Development.

Marquette Family Guidebook & Marquette New Student Guidebook: An on-line and resource app designed to provide students, parents and guests access to campus resources. To view the guidebook, see: <http://guidebook.com>.

Haven: Incoming undergraduate first-year and transfer students enrolled at MU are required to complete an online sexual violence prevention program. Approximately 2000 new students complete the program each year. Haven includes a statement that the institution prohibits domestic violence, dating violence, sexual assault and stalking; definitions of sexual assault, domestic violence, dating violence, stalking as defined by the Clery Act and as those terms are defined by Wisconsin Statutes. Haven also covers consent in reference to sexual activity as defined by Wisconsin Statutes. Additionally, Haven includes the institution's reporting options and resources for victims.

Dissolve: All incoming undergraduate first-year and transfer students are also required to attend an in-person, theatrical sexual assault prevention program called Dissolve during the first four weeks of school. The performance is followed by an interactive panel discussion where students text questions to the panel. The panel members include, a MUPD representative, the Title IX Coordinator, Marquette University Victim Advocate and a staff member from the Counseling Center. Students who do not attend Dissolve will not be able to register for spring semester classes.

Bringing in the Bystander : All first-year students are required to attend this peer-led program, which gives students skills to intervene to create a safer campus community. This program is presented in small groups in the residence halls in the spring semester.

Informational Posters: All incoming first year students and sophomores will receive an “Options Poster” delivered to their residence hall room. The poster contains information about MU’s Policy, reporting options and resources available both on and off campus.

GRADUATE STUDENTS AND EMPLOYEES

All incoming graduate students and new employees attend a primary prevention seminar about sexual assault, dating violence, domestic violence, stalking and sexual harassment. Incoming graduate students also complete Haven Plus an online sexual violence program tailored to graduate- and professional-level. Haven Plus includes a statement that the institution prohibits domestic violence, dating violence, sexual assault and stalking; definitions of sexual assault, domestic violence, dating violence, stalking as defined by the Clery Act and as those terms are defined by Wisconsin Statutes. Haven also covers consent in reference to sexual activity as defined by Wisconsin Statutes. Additionally, Haven includes the institution’s reporting options and resources for victims.

The State of Wisconsin Crime Statutes and Definitions are found on pages 53 – 58 of this document.

Marquette university definitions central to all forms of sexual harassment, discrimination and sexual misconduct are found on pages 49 – 51 of this document and at http://www.marquette.edu/osd/policies/sexual_misconduct_policy.shtml.

All university faculty, staff and student employees are required to complete Haven for Faculty and Staff, a yearly online training relating to the university’s reporting requirements, policies and procedures. This online program provides faculty and staff with an interactive training that includes scenarios and examples they may encounter around sexual assault, domestic violence, intimate partner violence, sexual harassment and stalking.

INTERNATIONAL STUDENTS

All incoming graduate and undergraduate international students receive in-person training on the university’s policy, state laws, resources and reporting options, as well as information on US culture regarding relationships, consent, and responding to violence.

TRAINING SERVICES

Faculty, staff and students who wish to learn more about sexual assault, dating violence, domestic violence and stalking or who wish to schedule professional development in these areas should contact christine.taylor@marquette.edu. or katharine.adler@marquette.edu. The Title IX team and Advocacy Services staff are available to provide or coordinate training upon request.

The Title IX Coordinator or any Deputy Title IX Coordinator can provide training upon request about the Policy, including institutional reporting requirements and resources/rights for victims of sexual assault, dating violence, domestic violence, stalking, and/or sexual harassment. For more information contact christine.taylor@marquette.edu. or katharine.adler@marquette.edu.

RISK REDUCTION

Risk reduction means options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

Protective Behaviors: What Everyone Can Do

- Have healthy, open and ongoing conversations with your partner or potential partner about sex and sexual contact. Talk about your boundaries and what behaviors you both feel comfortable, and uncomfortable engaging in.
- The next time you hear yourself talking about gender or sex in a derogatory way, stop. Speak up when you hear others talk this way – no matter their gender.
- Listen to or read the personal story of a survivor of violence.
- Make sure you have enthusiastic, affirmative and ongoing consent from your partner. Consent is a clear and freely given yes, not the absence of a no.
- Consent to one act does not mean consent to other acts. Communicate and be responsive. You must continually get consent for sex. If someone seems not okay with what's happening, it is your responsibility to check in.
- When you have sex be sure you understand your partner's limits, and clearly communicate your own limits. Do not engage in sexual activities without affirmative consent from your partner.
- Know that most commonly, sexual assault is perpetrated by someone the victim knows, typically a date or acquaintance, not a stranger.
- Be aware that people who are incapacitated by alcohol or drugs cannot give consent (e.g. To understand the "who, what, where, why or how" of their sexual interaction). Look out for signs of incapacitation, which may include-but are not limited to-throwing up, slurring words, stumbling, or not being able to remember conversations.
- Do not pressure others to drink or use drugs and be alert to people pressuring you or others to use.
- Be aware that alcohol and drugs are often used to create vulnerability to sexual assault. Studies of sexual assault incidents show a high correlation between sexual assault perpetration, victimization and drug/alcohol usage.
- Some sex offenders target people by using alcohol as a weapon. Get your own drinks; don't let someone continually fill your cup or leave your drink unattended.
- Use and encourage others to have a companion or a safe means of getting home. You can request a Safety Patrol escort or MU LIMO ride, call (414) 288-6363.
- If an authority figure pressures you to engage in sexual activity tell someone.
- Crime victims are never responsible for the behavior of perpetrators.
- If you've been sexually assaulted or victimized, tell someone. There are resources available to help. MU Advocacy Services are available 24/7 and can be reached by calling (414) 288-5244.

Bystander Intervention Tips

Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.

If you see something, say something:

- Be active in supporting a safe and respectful community. If you see others engaging in disrespectful or inappropriate actions, speak up and get involved, or contact someone to assist.
- Listen for rape jokes and sexist language. You don't have to laugh or participate.
- If you see someone who looks to be in immediate danger call 911 or MUPD emergency number at (414) 288-1911.
- You can intervene even after an assault. Learn what options sexual assault victims have available to them on this campus and be supportive of their choices.
- If you're a bystander and see someone behaving in a way that seems suspicious, be direct and step in and do something about it, such as distracting their attention away from a potential victim. If you don't feel comfortable or safe confronting them, call 911 or MUPD emergency number at (414) 288-1911.
- If you have a sense that something is wrong, don't ignore it, you can help by getting involved. Check-in and ask, "Hey, do you know this person?" or, "Are you OK?" or, "Can I call a friend to walk you home?"
- It can feel awkward to step in and say something if you notice harmful behavior, but often all it takes is a brief introduction. Let the potential perpetrator know that their actions are noticeable with a simple, "Hey, do I know you? Aren't you in Monday's Physics section?"
- When you go out, consider going out as part of a group. People tend to step in and intervene in situations when they have friends that will back them up.

REPORTING AND RESOURCES

REPORTING OPTIONS

The University's primary concern is the safety of its students, faculty and staff, and to encourage reporting of Prohibited Conduct. All University employees¹ have a duty to report actual or suspected Prohibited Conduct to appropriate officials, though there are some limited exceptions for those with "legal privilege." Reporting parties may want to consider carefully whether they share personally identifiable details with employees who have a duty to report, as those details **must be shared** by the employee with the Title IX Coordinator and/or Deputy Title IX Coordinator(s), and/or MUPD. To be clear, employees with a duty to report **must share** all details of the reports they receive.

Reports regarding any form of sexual harassment, discrimination or sexual misconduct may be reported to MUPD, the Title IX Coordinator, or any Deputy Title IX Coordinator.

Complainants must be aware that an investigation conducted by the University is distinct from a criminal investigation and flows from the University's obligation under Title IX and related laws to ensure that it is providing a safe environment for all community members.

¹ Examples of University employees who have a duty to report include but are not limited to: Faculty, Adjunct Faculty, Staff, Residence Hall Directors, Resident Assistants (RAs), Athletic Coaches and Staff (including graduate assistants), Club Sports coaches and assistant coaches, Academic Advisors, Student Activities Coordinator, Human Resources Staff, etc.

A Complainant has the option to do the following:

- File a criminal complaint with the MUPD, Milwaukee Police Department; or, other appropriate law enforcement agency (the complainant may be assisted by campus administrators or campus authorities if he/she so chooses); or
- File a complaint under this Policy (Sexual Harassment, Discrimination, and Sexual Misconduct Policy) and request a University Title IX investigation; or
- Pursue both processes simultaneously, even if a criminal proceeding is ongoing. The University will conduct its own Title IX investigation and will not wait for the conclusion of the criminal proceeding to begin its Title IX investigation; or
- Choose not to pursue any of the aforementioned processes.

When a student or employee reports to the university, that they have been a victim of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off-campus, the university will provide the student or employee a written explanation of:

- The procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking;
- An explanation of a student's or employee's rights and options when they report that they have been the victim of dating violence, domestic violence, sexual assault, or stalking, whether or offense occurred on or off campus.

A. CONFIDENTIAL RESOURCES AND REPORTING

In order to make informed choices, it is important to be aware of confidentiality and mandatory reporting requirements when consulting campus resources. On campus, some resources may maintain confidentiality, meaning they are not required to report actual or suspected Prohibited Conduct to other University officials, thereby offering options and advice without any obligation to inform an outside agency or individual unless you have requested information to be shared. Other resources must take action when you report an alleged violation to them. The following describes the confidential reporting options.

On-Campus Confidential Reporting Options:

Counseling Center

Holthusen Hall, 204
(414) 288-7172

Marquette University Medical Clinic

Schroeder Complex, Lower Level
(414) 288-7184

Ordained clergy are also considered to be a confidential reporting option, when providing pastoral counseling in their role as a priest.

Off-Campus Confidential Reporting Options:

Sexual Assault Treatment Center

Aurora Sinai Medical Center
945 N. 12th Street
Milwaukee, WI 53233
(414) 219-5555

The Healing Center

130 W. Bruce Street, #400
Milwaukee, WI 53204
(414) 671-4325

Aurora Employee Assistance Program

(800) 236-3231

All of the above resources will maintain confidentiality except in extreme cases of immediate threat or danger, or abuse of a minor.

B. NON-CONFIDENTIAL RESOURCES AND REPORTING

Marquette University Victim Advocate

A Victim Advocate is available on campus to provide support and assistance in the decision-making process to those affected by sexual violence, including sexual assault, relationship violence and stalking. Services are free and confidential, to the extent allowed by law and university policy. Generally, the information you provide will not be shared with your

instructors or deans. The advocate will assist you in making a report to the MUPD. The Victim Advocate is available during regular Marquette office hours:

Regular Hours:

Victim Advocate

Monday-Friday

8:30 a.m. – 4:30 p.m.

Phone: (414) 288-5244

After Hours:

Contact MUPD and they will contact the advocate

Emergency Phone: (414) 288-1911

Non-Emergency Phone: (414) 288-6800

All university employees who observe acts of sexual harassment are required to intervene to stop the harassment, unless circumstances would make such intervention dangerous, and must document and report all such incidents to the Title IX Coordinator, Deputy Title IX Coordinator(s) and/or MUPD.

PRESERVATION OF EVIDENCE

When reporting sexual assault, domestic violence, dating violence and/or stalking please note the following:

- The preservation of evidence may strengthen investigations, which may result in a better chance of holding the accused responsible or obtaining a court ordered restraining order. (Evidence may include the clothing you were wearing at the time, a record of threatening text messages, e-mails, and bodily fluids). An Aurora Sinai Sexual Assault Nurse Examiner (SANE) can provide forensic medical exams, even if a victim chooses not to report to law enforcement.
- Although it is best not to shower, even if you have showered and changed clothes, you can still file a police report and/or get a medical exam.
- Campus officials are required to provide you with information about your options and assist you in making contact with law enforcement personnel if you request it.
- Filing a report with law enforcement will generally involve an interview with a law enforcement officer or an investigating officer, or Title IX Coordinator (or both if you choose to report to both agencies).

THE RESPONSIBILITY OF FACULTY AND STAFF TO REPORT SEXUAL HARASSMENT OR MISCONDUCT

Under Title IX, all University employees² have a duty to report actual or suspected Prohibited Conduct to appropriate officials, though there are some limited exceptions for those with “legal privilege” such as employees who provide or support the Counseling Center, Medical Clinic and ordained ministers acting in their pastoral capacity.

Reporting parties may want to consider carefully whether they share personally identifiable details with employees who have a duty to report. Employees should make every effort to ensure that the student understands: (i) the employee’s obligation to report the names of the alleged perpetrator and student involved in the alleged incident, as well as relevant facts regarding the alleged incident (including the date, time, and location), to the Title IX Coordinator and/or Deputy Title IX Coordinator(s), and/or MUPD, (ii) the student’s option to request that the school maintain their confidentiality, which the school (e.g. Title IX Coordinator) will consider, and (iii) the student’s ability to share the information confidentially with the Counseling Center, Medical Clinic or ordained minister.

To be clear, employees with a duty to report **must share** all details of the reports they receive.

² Examples of University employees who have a duty to report include but are not limited to: Faculty, Adjunct Faculty, Staff, Residence Hall Directors, Resident Assistants (RAs), Athletic Coaches and Staff (including graduate assistants), Club Sports coaches and assistant coaches, Academic Advisors, Student Activities Coordinator, Human Resources Staff, etc.

NO CONTACT (RESTRAINING) ORDERS ISSUED BY A COURT OF LAW

MUPD and MPD will enforce active no contact and restraining orders issued by a court of law. Students who have a court-issued restraining order and wish to inform the University should contact MUPD, the Dean of Students or the Title IX Coordinator. Students who need to be provided additional arrangements regarding a restraining order should contact the Dean of Students office or Title IX Coordinator. Employees who have a court issued restraining order should notify Human Resources or MUPD. Please be aware that notification to the University of an existing court-ordered restraining order may require the Dean of Students Office or the Title IX Coordinator to follow up as prescribed by Title IX.

If your no-contact order is being violated, regardless of whether or not you have informed Marquette University, please call MUPD at 414-288-1911 or 911 immediately.

STAY AWAY DIRECTIVES ISSUED BY THE DEAN OF STUDENTS OFFICE OR THE TITLE IX COORDINATOR

The Dean of Students Office and Title IX Coordinator may issue Stay Away Directives as a tool to provide a safe, respectful and responsible educational environment either as a proactive measure or in response to and prevention of additional incidents.

A Stay Away Directive is issued when the Dean of Students staff member or Title IX Coordinator determines that an individual should be prohibited from having contact with another student/(s). The Stay Away Directive is issued in writing via a student's university email, and when possible, verbally. Recipients of the Stay Away Directive are informed the future contact with the individual(s) named in the directive may be considered harassment and result in a disciplinary investigation. If the individuals involved are in student organizations or classes together, the parameters of the no contact directive will be discussed and additional expectations for minimizing contact may be added to the directive. Students will be provided with an opportunity to ask questions about the terms of the Stay Away Directive issued to them.

A copy of the Stay Away Directive email is sent to MUPD, and when there is a connection to the Office of Residence Life, the Director or Residence Life.

Individuals who violate a Stay Away Directive risk being charged and investigated through the student conduct process for refusal to comply with a directive of a university administrator. Information regarding the Stay Away Directive is maintained in a student database and does not appear on an internal or external transcript.

MARQUETTE UNIVERSITY AND CONFIDENTIALITY

When a student or employee victim reports to an office or official who is not explicitly designated as confidential, MU takes every precaution to protect victim privacy and confidentiality by sharing information only with university officials who have a legitimate educational interest and/or those who need to know for the purposes of institutional response.

In an effort to protect victim safety and privacy, MU maintains information about harassment, discrimination and sexual misconduct reports in a secure manner. If the University has notice of an incident, MU will balance the victim's request to keep identifying information confidential with Title IX's mandate to investigate hostile environments.

To the extent permissible by law MU will endeavor to keep victim information private. However, once a report is made to the University or the University has notice of an incident of sexual assault, domestic violence, dating violence, or stalking, confidentiality cannot be guaranteed unless that information is reported directly to one of the confidential resources

listed. Marquette University will strive to maintain as confidential any accommodations or protective measures provided to the victim, but keeping the victim information confidential may limit MU's ability to provide interim or proactive measures.

For individuals age 18 and older who report to non-confidential sources, relevant information will be shared only with those who need to know, such as the Title IX Coordinator and Deputy Title IX Coordinators and others who are directly responsible for handling the school's response to incidents of sexual violence. In the case of minors, Marquette University employees must report child abuse to Child Protective Services or local law enforcement.

For purposes of Clery Act reporting and disclosures, a victim's name or identifying information will never appear in a Crime Warning, on the Daily Crime Log or in the ASR. Marquette University will redact a victim's identifying information when responding to requests for information pursuant to the Wisconsin Public Records law, which governs the disclosure of student education records. The University must respond to court ordered subpoenas that are not prohibited by other applicable law, and may not be able to redact information when responding to a subpoena.

MARQUETTE UNIVERSITY'S SEXUAL HARASSMENT, DISCRIMINATION AND SEXUAL MISCONDUCT COMPLAINT

Resolution Process

Marquette University strives to provide an educational environment which reflects its Catholic, Jesuit mission and preserves the safety and dignity of its community members. All members of the campus community are expected to conduct themselves in a manner that enhances the well-being of the community. Members of the university community, guests and visitors have the right to be free from all forms of sexual harassment, discrimination and sexual misconduct ("Prohibited Conduct"). Marquette University's Harassment, Discrimination and Sexual Misconduct Policy ("Policy") covers student, faculty and staff-related matters of Prohibited Conduct, whether the alleged conduct occurred on- or off-campus and regardless of whether the alleged Respondent is a student, faculty member, staff or third party. Examples include acts of sexual violence (including sexual assault), any harassment based on sex or gender (including sexual orientation, gender identity or gender expression), domestic violence, dating violence and stalking.

Reports of gender-based harassment by faculty, staff and students are filed and processed through the university's Title IX office. If the Title IX Coordinator determines a full investigation should proceed, the University will conduct a prompt, fair, and impartial investigation. The investigation will normally be resolved within 60 days of Marquette University receiving a complaint or notice of the allegation of a policy violation. Marquette University will make every effort to adhere to this time line. The Title IX Coordinator may extend this time frame for good cause with written notice to the Complainant and Respondent. Good cause for extensions includes, but is not limited to, the following: 1) the complexity of the case requires additional time; 2) there are multiple parties involved; 3) the witnesses or parties are unavailable or uncooperative; 4) University closure or academic breaks; 5) if a University investigation would compromise a law enforcement investigation.

- The University may briefly delay its investigation to allow evidence collection by law enforcement.
- The process set forth in this policy is separate and distinct from any criminal investigation or proceeding and is a result of the University's obligation under Title IX to ensure it is providing a safe environment. The University reserves the right to conduct its own Title IX investigation when it has reason to believe that the Respondent may be an imminent threat to the safety of the Complainant and/or the University community.

TITLE IX INVESTIGATORS

The Title IX Coordinator and Deputy Title IX Coordinators may serve as an investigator and are trained in Title IX, all aspects of the complaint process, and can serve in any of the following roles:

1. To provide sensitive intake of complaints.
2. To investigate complaints, write reports with findings, conclusions and determination for discipline.

All persons serving as investigators receive annual training approved by the Title IX Coordinator, including a review of University policies and procedures, and issues relating to dating violence, domestic violence, sexual assault and stalking so that they are able to perform thorough, impartial investigations that protects the safety of the victims, provides accountability, and provides accurate information to members of the University community.

Complaint Resolution

When it is determined that a formal investigation is necessary, the Title IX Coordinator will open a case file and the investigation will proceed as follows:

1. Determine the identity of the Complainant (if not already known), contact information, any witnesses, and the Respondent, if he/she can be identified
 - a. Specify policies allegedly violated
 - b. Send notice of potential violation to both Complainant and Respondent
The written notification may be sent to the Complainant and Respondent's respective residences or may be sent to them via email to their Marquette email account. Complainants and Respondents are expected to check their email on a frequent and consistent basis and act in a timely manner as outlined in the official use of email to communicate with students' policy, or Employee Handbook (See Policy on Official Use of E-mail to Communicate with Students., Employee Handbook)
2. The investigator will review statements obtained from all parties, conduct interviews with both Complainant and Respondent, conduct witness interviews, identify, locate and review other relevant information
3. The Complainant and Respondent will have the same opportunity to identify witnesses for the investigator to interview. The investigator has the right to forgo interviewing a witness if the investigator determines that the person does not have information that is relevant to the investigation. The investigator will not meet with character witnesses as part of the investigation process if they have no relevant factual information about the incident
4. Throughout the investigation, both the Complainant and Respondent must provide information to the investigator if they remember, or learn of, additional information
5. The Complainant and Respondent have the right to an advisor of their choosing present for an investigation interview with the designated investigator.
The Complainant and Respondent must provide the investigator with the name of their advisor **no less than** two business days before the meeting with the investigator.
6. Preponderance of Evidence Standard. The standard of proof for determining a violation of this Policy is that of a **preponderance of the evidence** –meaning that it is more likely than not that a violation of the Policy occurred.
7. At the conclusion of the investigation, the investigator will forward their full Investigative Report and Determination of Sanction to the Title IX Coordinator for review and approval. The Report will contain the information obtained in the investigation, an analysis of the information, findings and determination of sanction.
 - a. If the investigator determines there was not a violation of this Policy, the Title IX Coordinator will simultaneously inform the Complainant and Respondent, in writing, that the matter will be closed and no further action will be taken.

- b) If the investigator determines there is sufficient evidence to support a violation of this Policy, the Title IX Coordinator will simultaneously inform the Complainant and Respondent by issuing a written Decision Notification Letter to both Complainant and Respondent, which will include findings of fact and a determination of sanction(s), if applicable.
- c) If a Respondent is found responsible for violating this Policy, and whether or not the Respondent accepts the findings, the report will be sent to the appropriate University official(s) for action on the sanctions. Once the appropriate University official implements the sanction/action, the same shall be communicated to the Title IX Coordinator. Note: sanctions will not generally be implemented until after the appeal deadline has passed or, if an appeal is filed, until after the appeal has concluded. However, Marquette reserves the right to keep in place interim measures, or to implement additional measures, on a case-by-case basis, at any time.
- d) The University will, where appropriate, take reasonable steps to remedy the harm to the affected individual(s) of the sexual harassment, including counseling to those who have been subjected to or who have engaged in sexual harassment.

Sanctions

Marquette reserves the right to impose differing sanctions, depending on the severity and/or pervasiveness of the violation. In determining sanctions, the University will consider the concerns and rights of both the Complainant and the Respondent.

The following sanctions may be imposed upon any member of the community found to have violated this Policy. In determining the appropriate sanction(s), the University must examine and consider a number of factors, including, but not limited to: 1) level of risk or harm to the community; 2) the nature and seriousness of the offense; 3) use of drugs or alcohol; 4) motivation underlying the Respondent's behavior; 5) the Respondent's disciplinary history, including prior violations of the same or similar type; 6) cooperation with the investigation.

Note: sanctions will not generally be implemented until after the appeal deadline has passed or, if an appeal is filed, until after the appeal has concluded. However, Marquette reserves the right to keep in place interim measures, or to implement additional measures, on a case-by-case basis, at any time.

SANCTIONING FOR SEXUAL MISCONDUCT

1. Any person found responsible for violating this Policy as it relates to Non-Consensual or Forced Sexual Contact (where no intercourse has occurred) will likely receive a sanction ranging from probation to expulsion, or termination, depending on the severity of the incident, and taking into account any previous disciplinary violations.
2. Any person found responsible for violating the policy on Non-Consensual or Forced Sexual Intercourse will likely face a recommended sanction of suspension or expulsion (student) or suspension or termination (employee).
3. Any person found responsible for violating the policy on Sexual Exploitation or Sexual Harassment will likely receive a recommended sanction ranging from warning to expulsion or termination, depending on the severity of the incident, and taking into account any previous disciplinary violations.

Appeals

The original finding and sanction(s) will stand if the decision is not appealed or if an appeal is not timely.

GENERAL INFORMATION

Once a Decision Notification Letter is issued under this Policy, the Complainant and the Respondent shall each have the right to submit an appeal to the Title IX coordinator within five (5) business days of receiving the written Decision Notification Letter from the Title IX Coordinator. The Decision Notification Letter will be provided in person and/or emailed simultaneously to the parties' university-issued email account. Once the Decision Notification Letter is provided in person and/or sent via email, it will be deemed presumptively delivered.

Any party who files an appeal must do so in writing and submit it to the Title IX Coordinator who will determine if the appeal is timely. If the appeal is timely, the Title IX Coordinator will assign the appeal to an appropriate Appeal Officer (e.g., a Vice President or designee). A copy of the appeal will be promptly provided to the non-appealing party.

The appeal process is not a hearing or a review of the entire matter; rather, it is a review of the record and process only. Appeal decisions are to be deferential to the original investigative findings and determination, remanding only when there is clear reason to do so. Further, modification of the sanction(s) shall only occur if there is a compelling justification to do so.

The Appeal Officer may take one of three possible actions on appeal:

1. Dismiss the appeal as having no merit, upholding the initial findings and sanction(s).
2. Remand to the original investigator for further investigation or fact-finding.
3. Modify the outcome and/or sanction(s).

CRITERIA FOR AN APPEAL

1. Procedural or substantive error occurred that significantly impacted the outcome of the hearing (e.g., substantiated bias, material deviation from established procedures.)
2. To consider new evidence, unavailable during the original investigation, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included.
3. The sanction(s) imposed fall outside the range of sanctions designated for this offense and the cumulative conduct history of the responding party.

The Appeals Officer will typically render a written decision on the appeal to the Title IX Coordinator within five (5) business days from receipt of the appeal. The Title IX Coordinator will simultaneously forward the written decision of the Appeals Officer to the parties.

The Appeals Officer's decision is final and there are no further appellate options.

Interim/Protective Measures

The Title IX Coordinator, the Dean of Students, the Vice President for Human Resources, the Vice President of Student Affairs (or appropriate designee) may enact interim measures intended to address the short or long-term effects of Prohibited Conduct and to prevent further harassment or violations. To the extent reasonable and feasible, the University will consult with the Complainant in determining appropriate interim measures.

Interim measures will be available regardless of whether the victim chooses to report the allegations to MUPD or local law enforcement. Interim measures may include, but are not limited to the following:

1. Housing reassignments
2. Rescheduling exams or other academic work
3. Arranging for an incomplete in a class

DEFINITIONS AND CONDUCT SUBJECT TO DISCIPLINARY ACTION UNDER MARQUETTE UNIVERSITY'S TITLE IX SEXUAL HARASSMENT, DISCRIMINATION AND SEXUAL MISCONDUCT POLICY

COERCION

Coercion is unreasonable pressure for sexual activity. When someone makes clear to you that they do not want sexual contact, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

COMPLAINANT

Complainant refers to the individual who reported the incident of alleged Prohibited Conduct.

CONSENT

In order for individuals to engage in sexual activity of any type with each other, there must be clear, knowing and voluntary consent prior to and during sexual activity. Consent is the voluntary, clear, actively given, positive agreement between the participants to engage in a specific sexual act or activity. Previous relationships or consent does not imply consent to future sexual activity. Consent can be withdrawn at any time once given, so long as that withdrawal is clearly communicated.³

Under Wisconsin law, the age of consent is 18. Consensual sexual intercourse with a person under 18 years of age is a criminal offense.

FORCE

Force is the use of physical violence, and/or imposing on someone physically, to gain sexual access. Force includes hitting, kicking, restraining or otherwise exerting their physical control over another person through violence. Force also includes threats, intimidation (implied threats) and coercion that overcome resistance to produce consent.

INCAPACITATION

Incapacitation is defined as a state in which a person cannot make rational, reasonable decisions because they lack the capacity to give knowing consent (e.g., to understand the "who, what, where, why or how" of their sexual interaction). Incapacitation can occur mentally or physically, from developmental disability, by alcohol or other drug use, or blackout.

This policy also covers a person whose incapacity results from mental disability, sleep, involuntary physical restraint, or from the ingestion of "date rape" drugs. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Burundanga, etc. is prohibited, and administering one of these drugs to another person is a violation of this policy.

The use of alcohol or other drugs will never function as a defense for any behavior that violates this policy.

RESPONDENT

Respondent refers to a student, employee, or faculty member who allegedly violated this policy.

It is important for all members of the Marquette community to understand how these offenses are defined in law and penalties attached to the offenses. MARQUETTE UNIVERSITY TITLE IX SEXUAL HARASSMENT, DISCRIMINATION AND SEXUAL MISCONDUCT POLICY⁴

INTRODUCTION

Marquette University strives to provide an educational environment which reflects its Catholic, Jesuit mission and preserves the safety and dignity of its community members. All members of the campus community are expected to conduct themselves in a manner that enhances the well-being of the community. Members of the university community, guests and visitors have the right to be free from all forms of sexual harassment, discrimination and sexual misconduct (“Prohibited Conduct”). This Policy covers student, faculty and staff-related matters of Prohibited Conduct, whether the alleged conduct occurred on- or off-campus and regardless of whether the alleged Respondent is a student, faculty member, staff or third party. Examples include acts of sexual violence (including sexual assault), any harassment based on sex or gender (including sexual orientation, gender identity or gender expression), domestic violence, dating violence and stalking.

Marquette will not tolerate incidents of harassment, discrimination, and sexual misconduct occurring on or off campus. When such an allegation is reported to an appropriate Marquette official, protective and remedial measures will be used to reasonably ensure such conduct ends, is not repeated, and the effects on the Complainant and community are remedied, including serious sanctions (up to and including termination, suspension or expulsion, if circumstances warrant) when a Respondent is found to have violated this Policy. Students and employees who retaliate against individuals who report Prohibited Conduct will be subject to disciplinary action.

Students and employees are strongly encouraged to report any/all incidents of sexual discrimination, harassment or sexual misconduct to the Marquette University Police Department (“MUPD”), the Title IX Coordinator, or any Deputy Title IX Coordinator. When an allegation of misconduct is brought to an appropriate University official, the University will respond promptly, equitably, and thoroughly. For additional reporting options, see Section III.

I. SCOPE

Consistent with Marquette’s commitment to addressing Prohibited Conduct, Marquette complies with Title IX of the Higher Education Act of 1972, and the Violence Against Women Reauthorization Act of 2013 (VAWA).⁵ Title IX is a federal civil rights law that prohibits discrimination on the basis of sex in federally funded education programs and activities.

Marquette University does not discriminate in any manner contrary to law or justice on the basis of race, color, gender, age, sexual orientation, religion, disability, veteran’s status or national origin in its educational programs or activities, including employment and admissions. At the same time, Marquette values its right and duty to seek and retain personnel who will make a positive contribution to its religious character, goals, and mission in order to enhance the Jesuit, Catholic tradition. Federal laws (Title VI, VII, and IX; the Age Discrimination Act in Employment of 1967 as amended, the Rehabilitation Act of 1973 as amended, the Veteran’s Readjustment Assistance Act of 1974, and the Americans With Disabilities Act of 1990) prohibit such discrimination.

⁴ Much of Marquette University’s Policy on Sexual Harassment, Discrimination and Sexual Misconduct was adapted from the ATIXA SEX GENDER-BASED HARASSMENT, DISCRIMINATION AND SEXUAL MISCONDUCT MODEL POLICY, Brett A. Sokolow, J.D., et al. and the National Center for Higher Education Risk Management.

⁵ Violence Against Women Reauthorization Act of 2013 section 304 requires that universities have procedures in place to respond to matters of sexual assault, relationship (dating) violence and stalking. <http://www.gpo.gov/fdsys/pkg/PLAW-113pub14/pdf/P-AW-113pub14.pdf>

The Marquette University Board of Trustees has approved the Affirmative Action Program, formalizing the University's position toward human rights. This program reaffirms and specifies action programs to continue the pledge of promotion and equal opportunity for all qualified persons.

All Marquette University community members (faculty, staff, students, trustees, contract personnel, agents, visitors, guests, volunteers, and other individuals associated with the University) are prohibited from engaging in acts of discrimination based on the above-referenced bases. This Policy applies to all associations, clubs, organizations and their members affiliated with and utilizing the benefits and services provided by or connected with the University. All University policies, practices and procedures are administered in a manner consistent with Marquette University's Jesuit Mission and Guiding Values.

II. KEY CONCEPTS AND DEFINITIONS CENTRAL TO ALL FORMS OF SEXUAL HARASSMENT, DISCRIMINATION AND SEXUAL MISCONDUCT

A. COERCION

Coercion is unreasonable pressure for sexual activity. When someone makes clear to you that they do not want sexual contact, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

B. COMPLAINANT

Complainant refers to the individual who reported the incident of alleged Prohibited Conduct.

C. CONSENT

In order for individuals to engage in sexual activity of any type with each other, there must be clear, knowing and voluntary consent prior to and during sexual activity. Consent is the voluntary, clear, actively given, positive agreement between the participants to engage in a specific sexual act or activity. Previous relationships or consent does not imply consent to future sexual activity. Consent can be withdrawn at any time once given, so long as that withdrawal is clearly communicated.

Under Wisconsin law, the age of consent is 18. Consensual sexual intercourse with a person under 18 years of age is a criminal offense.⁶

D. FORCE

Force is the use of physical violence, and/or imposing on someone physically, to gain sexual access. Force includes hitting, kicking, restraining or otherwise exerting their physical control over another person through violence. Force also includes threats, intimidation (implied threats) and coercion that overcome resistance to produce consent.

E. INCAPACITATION

Incapacitation is defined as a state in which a person cannot make rational, reasonable decisions because they lack the capacity to give knowing consent (e.g., to understand the “who, what, where, why or how” of their sexual interaction). Incapacitation can occur mentally or physically, from developmental disability, by alcohol or other drug use, or blackout.

This policy also covers a person whose incapacity results from mental disability, sleep, involuntary physical restraint, or from the ingestion of “date rape” drugs. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Burundanga, etc. is prohibited, and administering one of these drugs to another person is a violation of this policy.

The use of alcohol or other drugs will never function as a defense for any behavior that violates this policy.

F. RESPONDENT

Respondent refers to a student, employee, or faculty member who allegedly violated this policy.

"Retaliation" is defined as any adverse action taken against a person making a complaint of prohibited conduct or against any person involved or participating in the investigation of any such allegation. Retaliation is prohibited with or without a University Stay Away Directive. Report alleged acts of retaliation to the Title IX Coordinator, Deputy Title IX Coordinator(s), and/or MUPD.

IV. REPORTING AND RESOURCES

A. REPORTING OPTIONS

The University's primary concern is the safety of its students, faculty and staff, and to encourage reporting of Prohibited Conduct. All University employees⁷ have a duty to report actual or suspected Prohibited Conduct to appropriate officials, though there are some limited exceptions for those with "legal privilege." Reporting parties may want to consider carefully whether they share personally identifiable details with employees who have a duty to report, as those details **must be shared** by the employee with the Title IX Coordinator and/or Deputy Title IX Coordinator(s), and/or MUPD. To be clear, employees with a duty to report **must share** all details of the reports they receive.

⁷ Examples of University employees who have a duty to report include but are not limited to: Faculty, Adjunct Faculty, Staff, Residence Hall Directors, Resident Assistants (RAs), Athletic Coaches and Staff (including graduate assistants), Club Sports coaches and assistant coaches, Academic Advisors, Student Activities Coordinator, Human Resources Staff, etc.

1. Complainant may request confidentiality

If a Complainant does not wish for their name to be shared, does not wish for an investigation to take place, or does not want a formal resolution to be pursued, the reporting party may make such request to the Title IX Coordinator and/or Deputy Title IX Coordinator(s), who will evaluate that request in order to ensure the safety of the campus, in compliance with federal law. **In cases indicating pattern, predation, threat, weapons and/or violence, the University may be unable to honor a request for confidentiality.**

In cases where a Complainant requests confidentiality and the circumstances allow the University to honor that request, the University will offer interim support and measures to a Complainant and the community, but will not otherwise pursue formal action.

2. Complainant has the right to be taken seriously

A Complainant has the right and can expect to have complaints taken seriously by the University when reported, and to have those incidents investigated thoroughly and properly resolved through the procedures set forth below. The University will promptly act on any complaint or notice of violation of this Policy when received by MUPD, Title IX Coordinator or any Deputy Title IX Coordinator, subject to Complainant's request for confidentiality. The University will not discipline a student who makes a good faith report of Prohibited Conduct.

3. Expectations of privacy for Complainant

Reporting still affords some privacy to the reporter. Information will be shared only as necessary with people who need to be told (e.g., investigators, witnesses, and the responding party(ies)). The number of people with this knowledge will be kept as small as possible to preserve a reporting party's rights and privacy.

Reports regarding any form of sexual harassment, discrimination or sexual misconduct may be reported to MUPD, the Title IX Coordinator, or any Deputy Title IX Coordinator.

Complainants must be aware that an investigation conducted by the University is distinct from a criminal investigation and flows from the University's obligation under Title IX and related laws to ensure that it is providing a safe environment for all community members.

A Complainant has the option to do the following:

- File a criminal complaint with the MUPD, Milwaukee Police Department; or, other appropriate law enforcement agency; or
- File a complaint under this Policy (Sexual Harassment, Discrimination, and Sexual Misconduct Policy) and request a University Title IX investigation; or
- Pursue both processes simultaneously, even if a criminal proceeding is ongoing. The University will conduct its own Title IX investigation and will not wait for the conclusion of the criminal proceeding to begin its Title IX investigation; or
- Choose not to pursue any of the aforementioned processes.

C. CONFIDENTIAL RESOURCES AND REPORTING

In order to make informed choices, it is important to be aware of confidentiality and mandatory reporting requirements when consulting campus resources. On campus, some resources may maintain confidentiality, meaning they are not required to report actual or suspected Prohibited Conduct to other University officials, thereby offering options and advice without any obligation to inform an outside agency or individual unless you have requested information to be shared. Other resources must take action when you report an alleged violation to them. The following describes the confidential reporting options (additional confidential and non-confidential resources found in Appendix B):

On-Campus Confidential Reporting Options:

Counseling Center

Holthusen Hall, 204
(414) 288-7172

Marquette University Medical Clinic

Schroeder Complex, Lower Level
(414) 288-7184

Ordained clergy are also considered to be a confidential reporting option, when providing pastoral counseling in their role as a priest.

Off-Campus Confidential Reporting Options:

Sexual Assault Treatment Center

Aurora Sinai Medical Center
945 N. 12th Street
Milwaukee, WI 53233
(414) 219-5555

(414) 671-4325

Aurora Employee Assistance Program

All of the above resources will maintain confidentiality except in extreme cases of immediate threat or danger, or abuse of a minor.

D. NON-CONFIDENTIAL RESOURCES AND REPORTING**Marquette University Victim Advocate**

A Victim Advocate is available on campus to provide support and assistance in the decision-making process to those affected by sexual violence, including sexual assault, relationship violence and stalking. Services are free and confidential, to the extent allowed by law and university policy. Generally, the information you provide will not be shared with your instructors or deans. The advocate will assist you in making a report to the MUPD. The Victim Advocate is available during regular Marquette office hours:

Regular Hours:**Victim Advocate**

All university employees who observe acts of sexual harassment are required to intervene to stop the harassment, unless circumstances would make such intervention dangerous, and must document and report all such incidents to the Title IX Coordinator, Deputy Title IX Coordinator(s) and/or MUPD.

V. INTAKE AND INVESTIGATION OF COMPLAINTS OF SEXUAL HARASSMENT, DISCRIMINATION AND SEXUAL MISCONDUCT

A. TITLE IX INVESTIGATORS

The Title IX Coordinator and Deputy Title IX Coordinators may serve as an investigator and are trained in Title IX, all aspects of the complaint process, and can serve in any of the following roles:

1. To provide sensitive intake of complaints.
2. To investigate complaints, write reports with findings, conclusions and determination for discipline.

All persons serving as investigators have received annual training approved by the Title IX Coordinator, including a review of University policies and procedures, so that they are able to perform thorough, impartial investigations and provide accurate information to members of the University community.

B. INTAKE/PRELIMINARY INVESTIGATION

Following receipt of a complaint, the Title IX Coordinator will promptly assign one Deputy Title IX Coordinator to work with and interview the Complainant and coordinate the University's response. The University reserves the right to designate a different Deputy Title IX Coordinator or investigator if there is a conflict or when deemed appropriate by the Title IX Coordinator. If the complaint does not allege a Policy violation, or if other resolution options are appropriate, or if a Complainant does not wish to pursue further action, then the complaint will not proceed to a University Title IX investigation, barring extenuating circumstances.

C. INVESTIGATION

If the Title IX Coordinator determines a full investigation should proceed, the University will conduct a prompt, fair, and impartial investigation. A University Title IX investigation will normally be completed within 60 calendar days after the University has notice of the allegation of a policy violation. The Title IX Coordinator may extend this time frame for good cause with written notice to the Complainant and Respondent. Good cause for extensions includes, but is not limited to, the following: 1) the complexity of the case requires additional time; 2) there are multiple parties involved; 3) the witnesses or parties are unavailable or uncooperative; 4) University closure or academic breaks; 5) if a University investigation would compromise a law enforcement investigation.

- a. The University may briefly delay its investigation to allow evidence collection by law enforcement.
- b. The process set forth in this policy is separate and distinct from any criminal investigation or proceeding and is a result of the University's obligation under Title IX to ensure it is providing a safe environment. The University reserves the right to conduct its own Title IX investigation when it has reason to believe that the Respondent may be an imminent threat to the safety of the Complainant and/or the University community.

D. ADVISOR/SUPPORT PERSON

Both the Complainant and Respondent in the University Title IX investigation process may have the assistance of an advisor or support person of their choosing throughout the process. This individual may be a friend, faculty/staff member, family member, or an attorney. The University has designated staff members who may serve in this capacity. The contact information will be provided to the Complainant and Respondent. The role of the advisor/support person is limited. Complainants and Respondents are expected to ask and respond to questions on their own behalf. The advisor/support person may consult with the advisee quietly or in writing, or outside the meeting during breaks, but may not speak on behalf of the advisee to the investigator. If the advisor or support person is an attorney, a law student or a Law School faculty member, the investigator may reschedule the time and or date of the interview(s) so that Marquette legal counsel may be present.

E. INTERIM MEASURES

The Title IX Coordinator, the Dean of Students, the Vice President for Human Resources, the Vice President of Student Affairs (or appropriate designee) may enact interim measures intended to address the short or long-term effects of Prohibited Conduct and to prevent further harassment or violations. To the extent reasonable and feasible, the University will consult with the Complainant in determining appropriate interim measures. Interim measures may include, but are not limited to, the following:

11. Housing reassignments
12. Rescheduling exams or other academic work
13. Arranging for an incomplete in a class
14. Modifying class schedules and/or course sections
15. Providing counseling, medical and/or mental health services
16. Offering assistance with alternative course completion options
17. Providing safety escorts to and from campus and nearby locations
18. Issuing a "Stay Away" directive
19. Instituting a work suspension
20. Referring an employee to the Employee Assistance Program

F. POTENTIAL ACTIONS IN THE EVENT THE COMPLAINANT CHOOSES NOT TO PURSUE AN INVESTIGATION:

If the Complainant requests confidentiality or asks that the complaint not be pursued, the University will take all reasonable steps to investigate and/or respond to the complaint consistent with the request for confidentiality or request not to pursue an investigation. If a Complainant insists that their name or other identifiable information not be disclosed to the alleged perpetrator, the University's ability to respond may be limited and the University shall inform Complainant of this fact. Regardless of a Complainant's request for confidentiality or that an investigation not take place, the University will still provide interim measures and resources to the Complainant.

Title IX prohibits retaliation, and the University will not only take steps to prevent retaliation but also take strong responsive action if it occurs, even if a formal investigation is not pursued.

The University will not require a student, faculty or staff, who complains of harassment to work out the problem directly with the Respondent.

G. COMPLAINT RESOLUTION

When it is determined that a formal investigation is necessary, the Title IX Coordinator will open a case file and the investigation will proceed as follows:

1. Determine the identity of the Complainant (if not already known), contact information, any witnesses, and the Respondent, if he/she can be identified
2. Specify policies allegedly violated
3. Send a Notice of Investigation and Potential Violation to the Respondent (Complainant will receive a copy)
 - a. The written notification may be sent to the Complainant and Respondent's respective residences or may be sent to them via email to their Marquette email account. Complainants and Respondents are expected to check their email on a frequent and consistent basis and act in a timely manner as outlined in the official use of email to communicate with students' policy, or Employee Handbook (See Policy on Official Use of E-mail to Communicate with Students., Employee Handbook)
4. The investigator will review statements obtained from all parties, conduct interviews with both Complainant and Respondent, conduct witness interviews, identify, locate and review other relevant information
5. The Complainant and Respondent will have the same opportunity to identify witnesses for the investigator to interview. The investigator has the right to forgo interviewing a witness if the investigator determines that the person does not have information that is relevant to the investigation. The investigator will not meet with character witnesses as part of the investigation process if they have no relevant factual information about the incident.
6. Throughout the investigation, both the Complainant and Respondent must provide information to the investigator if they remember, or learn of, additional information
7. The Complainant and Respondent have the right to an advisor of their choosing present for an investigation interview with the designated investigator. See Section D Advisor/Support Person.
8. Preponderance of Evidence Standard. The standard of proof for determining a violation of this Policy is that of a preponderance of the evidence –meaning that it is more likely than not that a violation of the Policy occurred.

9. At the conclusion of the investigation, the investigator will forward their full Investigative Report and Determination of Sanction to the Title IX Coordinator for review and approval. The Report will contain the information obtained in the investigation, an analysis of the information, findings and determination of sanction.
10. The Title IX Coordinator will inform the Complainant and the Respondent of the investigator's finding by issuing a Decision Notification Letter. The Decision Notification Letter will include findings of fact and a determination of sanction(s), if applicable.
 - a. If a Respondent is found responsible for violating this Policy, and whether or not the Respondent accepts the findings, the report will be sent to the appropriate University official(s) for action on the sanctions. Once the appropriate University official implements the sanction/action, the same shall be communicated to the Title IX Coordinator. See Section V for more information on sanctions.
 - b. The University will, where appropriate, take reasonable steps to remedy the harm to the affected individual(s) of the sexual harassment, including counseling to those who have been subjected to or who have engaged in sexual harassment.

H. WITHDRAWAL OR DECISION NOT TO PARTICIPATE IN INVESTIGATION

If an alleged Respondent withdraws from the University before the investigation and/or complaint resolution process have been concluded or the Respondent chooses not to participate in the process, the Respondent will still be informed that he or she is alleged to have violated University policy, that an investigation will be conducted, and that the resolution process will continue.

The Respondent may respond in one of three ways: 1) participate in the investigation, 2) waive the right to be interviewed by the investigator, thereby acknowledging that the complaint resolution process may go forward in his or her absence (this also waives his or her right to appeal an outcome), or 3) waive the right to appear and send a written, signed statement to be considered on his or her behalf as part of the investigation and complaint resolution process.

For withdrawals, a letter will be sent to the University Registrar and to the associate dean of the school in which the student was enrolled indicating that such proceedings are pending. If the student attempts to re-enroll before the matter is resolved, the registrar will notify the Office of the Dean of Students. The matter must be fully resolved before the student may re-enroll at Marquette.

VI. SANCTIONS

Marquette reserves the right to impose differing sanctions, depending on the severity and/or pervasiveness of the violation. In determining sanctions, the University will consider the concerns and rights of both the Complainant and the Respondent.

The following sanctions may be imposed upon any member of the community found to have violated this Policy. In determining the appropriate sanction(s), the University must examine and consider a number of factors, including, but not limited to: 1) level of risk or harm to the community; 2) the nature and seriousness of the offense; 3) use of drugs or alcohol; 4) motivation underlying the Respondent's behavior; 5) the Respondent's disciplinary history, including prior violations of the same or similar type; 6) cooperation with the investigation.

Note: sanctions will not generally be implemented until after the appeal deadline has passed or, if an appeal is filed, until after the appeal has concluded. However, Marquette reserves the right to keep in place interim measures, or to implement additional measures, on a case-by-case basis, at any time.

VII. APPEALS

The original finding and sanction(s) will stand if the decision is not appealed or if an appeal is not timely.

A. GENERAL INFORMATION

Once a Decision Notification Letter is issued under this Policy, the Complainant and the Respondent shall each have the right to submit an appeal to the Title IX Coordinator within five (5) business days of receiving the written Decision Notification Letter from the Title IX Coordinator. The Decision Notification Letter will be provided in person and/or emailed to the parties' university-issued email account. Once the Decision Notification Letter is provided in person and/or sent via email, it will be deemed presumptively delivered.

Any party who files an appeal must do so in writing and submit it to the Title IX Coordinator who will determine if the appeal is timely. If the appeal is timely, the Title IX Coordinator will assign the appeal to an appropriate Appeal Officer (e.g., a Vice President or designee). A copy of the appeal will be promptly provided to the non-appealing party.

The appeal process is not a hearing or a review of the entire matter; rather, it is a review of the record and process only. Appeal decisions are to be deferential to the original investigative findings and determination, remanding only when there is clear reason to do so. Further, modification of the sanction(s) shall only occur if there is a compelling justification to do so.

The Appeal Officer may take one of three possible actions on appeal:

1. Dismiss the appeal as having no merit, upholding the initial findings and sanction(s).
2. Remand to the original investigator for further investigation or fact-finding.
3. Modify the outcome and/or sanction(s).

B. CRITERIA FOR AN APPEAL

2. Procedural or substantive error occurred that significantly impacted the outcome of the hearing (e.g., substantiated bias, material deviation from established procedures.)
2. To consider new evidence, unavailable during the original investigation, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included.
3. The sanction(s) imposed fall outside the range of sanctions designated for this offense and the cumulative conduct history of the responding party.

The Appeals Officer will typically render a written decision on the appeal to the Title IX Coordinator within five (5) business days from receipt of the appeal. The Title IX Coordinator will forward the written decision of the Appeals Officer to the parties.

The Appeals Officer's decision is final and there are no further appellate options.

VIII. FEDERAL STATISTICAL REPORTING OBLIGATIONS

Certain campus officials have a duty to report sexual assault, domestic violence, dating violence and stalking for federal statistical reporting purposes in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act"). The information to be shared includes the date, the general location of the incident (e.g., on or off-campus, but no addresses are given or reported) and the Clery crime category.⁹ All

⁹ Reports of crimes required under the Clery Act include murder/non-negligent manslaughter, negligent manslaughter, forcible and non-forcible sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson and hate crimes.

personally identifiable information is kept confidential, but statistical information must be reported to MUPD for publication in the University's Annual Security and Fire Safety Report. This report helps to provide the community with a clear picture of the extent and nature of campus crimes, to ensure greater community safety.

Victims, witnesses, or confidential sources (with legal privilege) with information about incidents of sexual assault, domestic violence, dating violence or stalking may report crimes to MUPD on a voluntary, confidential basis for inclusion in the Clery Act annual disclosure of crime statistics.¹⁰

All Marquette employees are required to report crimes to MUPD, including Student Affairs employees, coaches, athletic directors, residence life staff, student activities staff, human resources staff, advisors to student organizations, and any other official with significant responsibility for student and campus activities.

Federal Timely Warning Reporting Obligations

Victims of sexual misconduct should be aware that University officials must issue timely warnings for incidents reported to them that pose a serious or ongoing threat to students and employees. The University will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the threat/danger.

Additional Policy Provisions

- **Attempted violations:** In most circumstances, the University will treat attempts to commit any of the violations listed in this Policy as if those attempts had been completed.
- **False Reports:** The University will not tolerate intentional false reporting of incidents. It is a violation of the Student Conduct Code and Employee Handbook to make an intentionally false report of any policy violation, and it may also violate state criminal statutes and civil defamation laws.
- It may be necessary for the Title IX Coordinator to name a Designee in certain situations. Throughout this policy, the use of the term "Title IX Coordinator" also means "Title IX Coordinator or Designee."
- University students and employees are responsible for knowing the information, policies and procedures outlined in this document.

Parental Notification

The University reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, change in student status or conduct situation, particularly alcohol and other drug violations. The University may also notify parents/guardians of non-dependent students who are under the age of 21 of alcohol and/or drug policy violations. Where a student is non-dependent, the University will contact parents/guardians to inform them of situations in which there is a significant and articulable health or safety risk. The University reserves the right to designate which University officials have the need to know about individual conduct reports pursuant to the Family Educational Rights and Privacy Act (FERPA).

¹⁰ The university encourages accurate and prompt reporting of all crimes to MUPD, when the victim of a crime elects to, or is unable to, make such a report. "Unable" includes physical and mental incapacitation.

IX. MAINTENANCE OF DATA

Marquette University shall maintain documents and other data relating to specific complaints or other reports of sexual harassment of students, faculty and staff, regardless of sanction, including the following:

X. AMENDMENTS OR TERMINATION OF THIS POLICY

Marquette University reserves the right to modify, amend, or terminate this Policy at any time. Students, faculty and staff are encouraged to check online for the most current version of all policies and procedures. If government regulations change in a way that impacts this document, this document will be construed to comply with government regulations in their most recent form. This policy is effective as of August 1, 2015. This policy supersedes all previous Marquette policies with respect to Title IX and related discrimination matters.
