

# SPARK Leader 2022

## What is SPARK?

SPARK (Summer Priority Advising & Registration Kickoff) is a mandatory two-day program for new first-year students. SPARK offers students and their families the opportunity to begin their journey at Marquette University and prepare for their upcoming transition to college. During the six programs in June, new students will register for classes, meet with representatives from the colleges and campus community, and have the opportunity to meet their fellow classmates while receiving support from a SPARK Leader.
