Programming

The **OIE Program Center** is an active space visited by over 1,100 people each year. It is a home for Marquette international students to gather and reflect on their common MU experiences and a center for international activities on campus. Throughout the year, OIE sponsors numerous notable campus-wide events such as two Study Abroad Fairs, International Education Week programming, Soup with Substance, International Day and more. Due to campus COVID policies, in-person programming has been limited, but events that observe safety protocols are keeping students connected, so they can share their traditions and experience the many cultures that compose the Marquette community.
