Programming

The **OIE Program Center** is an active space visited by over 3,500 people each year. It is a home for Marquette international students to gather and reflect on their common MU experiences and a center for international activities on campus. Throughout the year, OIE also sponsors numerous notable campus-wide events such as two Study Abroad Fairs, International Education Week programming, Soup with Substance, International Day and more. Due to campus COVID policies in Spring 2021, in-person programming has been limited and replaced with virtual events.
