MARQUETTE UNIVERSITY SCHOLARSHIP COMPETITION AND OPEN HOUSE

You're busy, and you want to get the most for your time. That's why we're inviting you and your family to Marquette for a two-for-one deal: **Learn more about the university during a visit, and compete for a scholarship while you're here.**

Each of Marquette's colleges is sponsoring an open house and scholarship competition in February. Join us for the competition, open house activities and campus tour. You'll find event details online at marquette.edu/explore.

Selection and awards

- Competitions are offered only on the Marquette campus on the days listed inside. Given the nature of the examinations, **absolutely no alternate dates are permitted.**
- Winners are selected entirely on the basis of how they perform at the competition.
- The winner of a college scholarship must initially enroll in the sponsoring college to receive the award (i.e., if you win the business competition, you must initially enroll in the College of Business Administration; if you change to another Marquette college after the first semester, the scholarship will transfer with you.)
- Most scholarships are \$2,500 for each of eight semesters. See college listings for details.

Events schedule

8 a.m. – 3 p.m.

Check-in for each competition and open house is at 8 a.m. the day of the exam. While students take the exams, **special information sessions will be held for parents.** Each program includes an open house, campus tour and lunch. Tentative schedules of events are posted at marquette.edu/explore.

Registration

For more information and to register for a scholarship competition, go to marquette.edu/explore.

NOTE: Keep this invitation handy when you register. You'll be asked to enter the nine-digit ID number that appears on the invitation's mailing label. (If you don't have the label, you can still register, but you'll need to call the admissions office at 800.222.6544.)

For additional scholarship opportunities, go to marquette.edu/scholarships.

MARQUETTE UNIVERSITY SCHOLARSHIP COMPETITIONS

Helen Way Klingler College of Arts and Sciences

Competition date: **Saturday, Feb. 11, 2012**

Registration deadline: **Friday, Feb. 3, 2012**

Award amount: **\$20,000 scholarships**

Number of awards offered: **25**

Winners must enroll in the Klingler College of Arts and Sciences. Winners will receive \$2,500 for each of eight semesters provided they meet scholarship renewal requirements. You may take only one test. (Your testing area does not need to be your area of academic interest.)

Examination content

Biology: This comprehensive examination covers topics of introductory college biology.

Chemistry: This comprehensive examination covers topics of standard secondary school chemistry. Scientific calculators are allowed, but no graphing calculators or any calculator that allows storage of formulas is allowed.

English: This essay examination covers prose and poetry.

Foreign language (French, German, Latin or Spanish):

A substantial part of the test involves listening comprehension. Students will listen to statements and respond on an answer sheet. The other part is a written multiple-choice test.

Note:

- You are not eligible if you are a native speaker (or equivalent) in the language tested.
- The Latin exam does not include a listening comprehension section.

U.S. history: This two-part examination comprises 100 multiple-choice questions and three essay questions. Material will include U.S. history from 1607 to 1977.

Mathematics: This examination comprises multiple-choice questions and problem-solving, covering standard secondary school math subject matter through precalculus. Calculators are not permitted.

Physics: This multiple-choice exam covers topics in introductory physics, including mechanics and elementary thermodynamics. You will need a calculator.

College of Business Administration

Competition date: **Saturday, Feb. 4, 2012**

Registration deadline: **Friday, Jan. 27, 2012**

Award amount: **Seven \$20,000 scholarships and one \$40,000 scholarship**

Number of awards offered: **Eight**

Winners must enroll in the College of Business Administration. Winners of the \$20,000 scholarships will receive \$2,500 for each of eight semesters, and winners of the \$40,000 scholarship will receive \$5,000 for each of eight semesters. All scholarships are renewable provided recipients meet scholarship renewal requirements.

Examination content

The examination combines essay and objective questions in a variety of formats, testing verbal and quantitative skills and basic business knowledge. Calculators are not permitted.

J. William and Mary Diederich College of Communication

Communication competition date: **Saturday, Feb. 18, 2012**

Theatre competition date: **Friday, Feb. 17, 2012**

Registration deadline: **Friday, Feb. 10, 2012**

Award amount: **\$20,000 scholarships in communication; \$10,000 Ello and Guido Brink Technical Theatre Scholarship; \$5,000 theatre arts scholarship; and \$2,000 Association of Marquette University Women scholarships in theatre arts**

Number of awards offered: **13 (eight communication and five theatre arts)**

Winners of the \$20,000 scholarships will receive \$2,500 for each of eight semesters; \$10,000 winners will receive \$1,250; \$5,000 winners will receive \$625; and \$2,000 winners will receive \$250. All scholarships are renewable provided recipients meet scholarship renewal requirements.

Examination/audition/interview content

Students competing for the communication scholarships will write an essay on an assigned topic. Students competing for the theatre scholarships are invited to participate in Theatre Training and Audition Day with performing arts faculty from 10 a.m. to 4 p.m. February 17.

Theatre scholarship auditions

Acting and directing: Prepare two contrasting monologues, not to exceed three minutes.

Singing and/or dancing: Prepare one monologue and one song (one verse) and/or choreographed piece, not to exceed one minute.

Theatre design, technical and management: Prepare for a portfolio review and interview.

All participating students and their parents are invited to attend a main stage performance of *Defying Gravity*, followed by a discussion with the cast and crew. The performance begins at 7:30 p.m.

Theatre students may participate in auditions Friday and the essay competition Saturday.

College of Education

Competition date: **Saturday, Feb. 18, 2012**

Registration deadline: **Friday, Feb. 10, 2012**

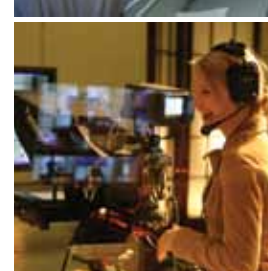

Award amount: **\$20,000 scholarships**

Number of awards offered: **Five**

Winners must enroll in the College of Education. Winners will receive \$2,500 for each of eight semesters provided they meet scholarship renewal requirements.

Examination content

Students competing for these scholarships will participate in an interview and write an essay on an assigned topic.

College of Engineering

Competition date: **Saturday, Feb. 25, 2012**

Registration deadline: **Friday, Feb. 17, 2012**

Award amount: **\$20,000 scholarships**

Number of awards offered: **12**

Winners must enroll in the College of Engineering. Winners will receive \$2,500 for each of eight semesters provided they meet scholarship renewal requirements.

Examination content

The examination will be a combination of mathematics and science questions in a variety of formats. Calculators are not permitted. **A photo ID is required.**

College of Health Sciences

Competition date: **Saturday, Feb. 4, 2012**

Registration deadline: **Friday, Jan. 27, 2012**

Award amount: **\$20,000 scholarships in biomedical sciences; clinical laboratory science; exercise science/athletic training; and speech pathology and audiology**

Number of awards offered: **Eight**

The scholarship winner in each major area must enroll in that major. Winners will receive \$2,500 for each of eight semesters provided they meet scholarship renewal requirements. You may take only one test.

Examination content

Biomedical sciences: The examination covers topics in mathematics and the natural sciences and includes a brief essay. Bring a calculator.

Clinical laboratory science: The examination is a comprehensive overview of biology and chemistry (multiple-choice and essay questions). Bring a calculator.

Exercise science/athletic training: The examination covers topics in mathematics and the natural sciences and includes a brief essay. Bring a calculator.

Speech pathology and audiology: The examination is an essay on the field of human communication and speech-language pathology.

College of Nursing

Competition date: **Saturday, Feb. 4, 2012**

Registration deadline: **Friday, Jan. 27, 2012**

Award amount: **\$20,000 scholarships**

Number of awards offered: **Five**

Winners must enroll in the College of Nursing. Winners will receive \$2,500 for each of eight semesters provided they meet scholarship renewal requirements.

Examination content

The examination is comprised of a mathematical exam and a group exercise. Calculators are not permitted.
