

The Graduate School is pleased to announce the Three Minute Thesis (3MT) competition and TA Excellence Awards! The 3MT competition is taking place virtually this year using self-recorded submissions. There is no live audience this year, so don't let stage fright hold you back! If you have access to a mobile device that is able to record audio and video, you have all the A/V you need, potentially in the palm of your hand. Registration must be submitted by 11:59 p.m. CT on Wednesday, February 10th. Detailed information regarding the judging process and process to submit videos will be sent to those who register, and all videos are due on Thursday, February 11th.

Looking for some presentation tips? Past participants (including some of our cash prize winners) have used The MIC Speakers Lab. Don't delay, schedule a virtual appointment today! TA Excellence Awards Students who have served as teaching assistants may apply for nomination to be considered for the TA Excellence Awards.

We are again offering one award for Instructor of Record and two awards for Non-Instructor of Record. The deadline for students to apply to be nominated is February 5th. Please reach out to Carl Wainscott (carl.wainscott@marquette.edu), Assistant Dean, with questions.

Sincerely, Douglas W. Woods, Ph.D. Vice Provost for Graduate and Professional Studies Dean of the Graduate School Acting Chief of Digital Learning Marquette University douglas.woods@marquette.edu
