

Requirement Checklist for INAF MA Program

1. Must take the following three core seminars. Credits

- POSC 204 _____ 3
- POSC 206 _____ 3

2. Must also take the research methods course.

- POSC 209 is required, unless INAF students have mastered a foreign language required for their research. In that case, POSC 209 is recommended.
*POSC 209 _____ 3

3. 18 additional credits are required. These should come from comparative politics courses and international politics courses, with the exception of “cognate” courses (see below).

- Of these 18 credits, 15 may be 100-level classes if these classes were designated in the timetable as for graduate credit and if additional work was done beyond what undergrads in the course did. If the student is Plan A (thesis), 12 such credits may be from the 100 level.
*100-level courses _____ _____
_____ _____
_____ _____
_____ _____
_____ _____

- Of these 18 credits, 9 may come from “cognate” courses from outside the department or from American politics and/or political philosophy courses, if these courses are consistent with the student’s fields of study.
*Cognate courses _____ _____
_____ _____
_____ _____

- Remaining courses should be 200-level POSC courses in comparative or international politics.
*200-level POSC courses _____ _____
_____ _____
_____ _____

Total credits (must be at least 30)

4. Two conference-quality research papers

- List courses the papers are from _____
