### **TENNIS SINGLES RULES**

1. When an individual signs up for a league, he/she will be expected to be available at the day/time they signed-up for. **NO CHANGING TIMES OF PLAY!**
2. Participants will pay for the five weeks of play in advance.
3. Six people will make up one league. Schedules will be posted on the bulletin board by the Pro Shop.
4. A round robin tournament will be played in each league. You must provide your own USTA approved tennis balls.
5. Following the conclusion of the round robin, an open single elimination tournament will be held. League players may play in this tournament at no charge. Non-league players will be charged a \$5 fee for use of the courts.
6. A nine game pro-set will be played. In the event of a tie (8-8), a nine point tie-breaker (5 out of 9 points) will be played to determine the match winner. Add scoring will be used in all matches. The player ahead at the end of court time is the winner.
7. Scoresheets will be available at the Pro Shop. You **MUST** fill out these sheets immediately after the matches and leave the results in the box provided.  
**Failure to record the scores will result in a double forfeit!**
8. If you fail to show up for your match, it will be declared a forfeit and you will pay a \$10 reinstatement fee to continue in the league. Any player who forfeits two matches will be dropped from the league.
9. Championship t-shirts will be awarded to each league winner.

#### ***Tie-Breaker Procedure:***

At 8-8, whoever is up to serve (Player A) serves 2. Next, (Player B) serves 2. Then, players switch sides. (Player A) serves 2 (Player B) serves 3, if needed. When the score is 4-4, Player B will be serving, so Player A has the choice of receiving in either the forehand or backhand service court. Players will use the scorecards on the court to keep track of the score.

*If you have any questions, stop by the Intramural Office or call 288-1558
