COACHES EVALUATION AND SURVEY

To better serve the participants of the Club Sports Program it is necessary for an evaluation to be completed by every member of each club at the end of the semester and/or season. The Club Sports Program would appreciate any comments or suggestions you might have.

Please check the appropriate blank that corresponds to how you evaluate your coach's qualifications and abilities. If you have more than one coach, please specify which coach works most directly with your level of competition. The coaches will not see this form and your answers will be kept confidential.
