Position: Executive Vice President

My name is Hannah Mauch and I would like to run for the Executive Vice President position in RHA. I have had a lot of leadership experience, especially during my time here at Marquette. I served as Social Coordinator on Carpenter's CPC my sophomore year and Chairperson of the Apartments CPC the first semester of my junior year. Towards the end of first semester, I was offered the Community Assistant position at The Marq, so I am currently working in this role as a part of the Apartments CPC. I also hold two other on-campus jobs in Schroeder Complex, and I am co-president and co-captain of the Women's Club Basketball team here at Marquette. From these experiences, I can say with confidence that I have the skills and attitude necessary for this position. I know how to manage my time and juggle classes, work, homework, practice, meetings, and social time. I know how to organize myself so that I am able to complete assignments and tasks when they are due. Lastly, these experiences have helped improve my decision-making skills and leadership skills, allowing me to express my ideas and thoughts in a respectful way, as well as helping me truly listen to and understand what other people have to say on various issues.

In addition to these skills, the experience I have in RHA serves as a great reason that I would be a suitable candidate for this position. I have been the RHA representative for the Apartments CPC this past year, I am consistently the only representative from Apartments that attends the meetings, and I have never missed a meeting. I know how the meetings run, I know generally what events will occur throughout the year, and I understand the overall significance of this group to represent the needs and wants of the rest of the Marquette community. As Executive Vice President, I would ensure that meetings are being run efficiently and effectively, I would be ready to fulfill my duties listed out in the constitution, and I would be prepared and ready to step in and take charge if the president has to be absent for some reason. Most importantly, I would want to foster a welcoming, lively, and judgement-free environment in RHA. All members should feel like they can speak their mind and express their thoughts.

I am driven, and I always give 100% to every job, position, or task I am given. I hope that you will give me the opportunity to show what I am capable of in an executive position as a part of RHA.

Thank you!
