Dear Residence Hall Association,

It is with great pleasure that I recommend Shelby Cullinan for the prestigious position of President of the Residence Hall Association (RHA) at Marquette University. Shelby has been an outstanding leader that I have had the pleasure of working with this past year. He would be a perfect fit and great addition to the executive board.

Shelby currently serves as one of my RHA Representatives for Mashuda Hall's Community Programming Council. Although this is Shelby's first year within the position, he is a natural leader amongst the team. Shelby's great leadership has continuously shown through his ability to take initiative, communicate effectively, and handle administrative tasks seamlessly. It has been a great pleasure observing Shelby support others while continuously striving to be more skilled and knowledgeable himself.

Shelby is not only an outstanding leader, but he is also a remarkable community builder working towards the betterment of students at Marquette University, especially within Mashuda Hall. Shelby excels at building community for students by creating and engaging in innovative programs, embodying positivity, and lending a helping hand when it is needed. Most importantly, Shelby works endlessly to create an inclusive environment amongst the CPC where all council members feel welcomed and appreciated.

Overall, I believe Shelby would be a perfect fit as the President of RHA. Shelby has showed immense passion for his work, a dedication to his community, and the ability to excel at any task handed to him. I am confident that Shelby will carry these respectable attributes with him as the President of RHA.

If you would like to further discuss Shelby, please do not hesitate to contact me.

Sincerely,

Whitney Woodson
