With CareConnect from CHP Student Health, students have 24/7 access to professional assistance to help manage personal concerns, emotional issues, transition and adjustment concerns, academic stress, career development, and the demands of daily and family obligations.

Members in need of assistance simply call the behavioral health hotline on their ID card, **(888) 857-5462**, or via the CHP Student Health mobile app for immediate access to a masters-level mental health professional. Students are run through a clinical assessment to determine if CareConnect counseling, health center referral, or other treatment is necessary. To access mobile features, students simply download their school's app in their device's app store.
