

## 2019 SUMMARY OF PLAN CHANGES

### THIS NOTIFICATION CONTAINS IMPORTANT INFORMATION ABOUT YOUR HEALTH INSURANCE

#### PLEASE READ CAREFULLY

Effective August 1, 2019, your new policy will be different from your current policy as described below.

**1. The following are federal mandates:**

- a. **Preventive Services (pharmacy):** Added coverage with no cost-sharing for low/moderate dose statins for ages 40-75 with at least one cardiovascular disease risk factor and a 10-year calculated risk of at least 10%.
- b. **Preventive Drugs:** Vitamin D for ages 65 and over who are at an increased risk for falls is removed from the list of preventive drugs rated A or B by the United States Preventive Services Task Force, therefore, it will be subject to cost-sharing.
- c. **Special Enrollment Period:** You are eligible for a special enrollment period if:
  - 1) You gain a dependent through marriage and your new spouse was living for one or more days during the 60 days preceding the date of marriage in a service area where no qualified health plan was available through the Health Insurance Marketplace.
  - 2) You gain access to new qualified health plans as a result of a permanent move, and you were living for one or more days during the 60 days preceding the date of the permanent move in a service area where no qualified health plan was available.

**2. The following revisions are being made by WPS:**

- a. **Breastfeeding Equipment:** Added coverage for breastfeeding equipment from **out-of-network** providers, subject to deductible and coinsurance.
- b. **Genetic Services:** Added coverage for spinal muscular atrophy testing.

Please note this is not a complete description of all changes, which may include updates and clarification to existing language within your current policy. We encourage you to review the new policy for specific benefit and contract information.

**New policies will be available on-line when we receive your renewal confirmation and premium payment. If you would prefer to receive a paper copy, please contact our Member Services Department.**
