

Michael Kimmel

Guyland: The Perilous World Where Boys Become Men

Dr. Michael Kimmel, distinguished professor of sociology and gender studies at Stony Brook University, is a leading expert on men and masculinities. He has lectured at more than 300 colleges, universities, and high schools and is the author of *Guyland: The Perilous World Where Boys Become Men* and *Angry White Men: American Masculinity at the End of an Era*. A tireless advocate of engaging men to support gender equality, Dr. Kimmel was recently called “the world’s most prominent male feminist” by *The Guardian*. In this talk, he will discuss the social conditions that produce contemporary models of manhood—challenging us to redefine what a man is today and beyond.
