SPEECH AND HEARING CLINIC

The Marquette University Speech and Hearing Clinic (MUSHC) provides speech-language and audiologic services to individuals with communication and related impairments. MUSHC is part of the training program in the Department of Speech Pathology and Audiology. Services are provided by students under the direct supervision of clinical faculty who are licensed by the state of Wisconsin and certified by the American Speech-Language-Hearing Association.

Ages Served

The MUSHC serves all ages, infant through geriatric.

Services Available

- Evaluation of speech, voice, stuttering, social communication, cognitive, language and related skills for all ages as well as pediatric feeding abilities
- Therapy to treat disorders in the above areas, including individual and small group therapy and specialized classes and camps
- Bilingual Spanish-English services, available on a limited basis
- Hearing evaluations, hearing aids and aural rehabilitation services for children and adults

Equitable Treatment

Students, faculty, staff and persons served in the program's clinics are treated in a nondiscriminatory manner, that is, without regard to race, color, religion, sex, national or ethnic origin, disability, age, sexual orientation, genetic information, citizenship or status as a covered veteran.

Scheduling and Fees

The clinic operates during fall, spring and summer semesters. Clinic fees vary based on the service received. Payment is accepted via cash, check, money order or credit/debit card. We do not accept insurance, Medicare or Medicaid for speech language pathology services. No one will be denied services because of inability to pay. Contact our clinic regarding scheduling and fees for specific services.

Contact/To Apply
