

Financing challenges of women-owned home child care businesses

Wednesday, October 27 at 6:30 PM CT

Women own 95% of child care businesses, which are an essential service to working parents, yet slim profit margins stall incomes of both owners and workers.

In honor of National Women's Small Business Month, join **Small Business Majority** for a webinar and virtual interactive chat on financing for home-based child care businesses and funding barriers with Blanca Berthier, **Women's Business Development Center** and President of the **Colorado Association of Family Child Care** and daycare owner Amber Bilby.
