Leadership: From the Inside Out?

*Gregory P. Meier, CEO,
Lansare and AnnuiSys*

growing **Passionate** companies.

Greg worked as the Chief Operations Officer for Broadlook Technologies, Inc. Greg was previously a partner with the law firm of Michael Best & Friedrich LLP, where he was a founding member of the firm's VentureBest Practice Group, which focused on early-stage technology companies. Greg also served as the Chief Executive Officer of the Erma Ora Byrd Center for Educational Technologies, home of the NASA sponsored Classroom of the Future. He has also served in the following capacities: board member and former President, Wisconsin Innovation Network; President, Wisconsin Venture Network; Chairman of the Board of Homeboyz Interactive (a Jesuit founded group focused on bringing sophisticated technology training to inner-city youth); Steering Committee Member, Wisconsin Entrepreneurs' Conference and the Wisconsin Venture Conference - Milwaukee; mentor for businesses in venture conferences and judge for business plan competitions. Greg earned his undergraduate and law degree from the University of Wisconsin - Madison
